We operate responsibly for all our stakeholders by prioritising Innovation, Performance and Trust.

Our culture

We are ambitious for patients to deliver what matters better and faster.

We are accountable for impact with clear ownership and support to succeed.

We do the right thing with integrity and care because people count on us.

GSK

This is our Code

It outlines the commitments we ask everyone to make together.

Why do we ask for these commitments?

To deliver our purpose and ambitions

For patients, shareholders and our people.

To make our culture real

So we are ambitious for patients, accountable for impact and do the right thing.

To create an outstanding place to work

Where everyone can thrive.

The Code has two parts:

PART 1

GSK's commitments

PART 2

My commitments

We ask everyone at GSK to put their names to our Code with pride.

Because we are GSK
and 2.5 billion people
count on us to get it right
