Meeting Agenda

Thursday, January 11, 2023 at 5:30 PM
Eureka City Council Chamber
502 K Street
Eureka, CA

THE HWMA BOARD OF DIRECTORS HAS RESUMED IN-PERSON MEETINGS AND ENCOURAGES THE PUBLIC TO ATTEND EITHER IN PERSON OR TELEPHONICALLY.

Effective March 9, 2023 the HWMA Board of Directors will resume their meetings from the Eureka City Council Chamber. Members of the public are invited and encouraged to participate through the following venues.

HOW TO PARTICIPATE

The public is invited to attend and participate in the HWMA Board of Directors meeting using any of the following methods.

1. IN-PERSON

The public can attend and provide in-person comments during the meeting on regular agenda items and during Oral/Written Comment. in-person hybrid meetings. HWMA asks that when attending meetings, persons socially distance as best they can and be courteous to those who choose to wear a mask.

2. REMOTE

As a courtesy, and technology permitting, members of the public may continue to observe and participate remotely through the Zoom platform. HWMA cannot guarantee that the public's access to teleconference technology will be uninterrupted, and technical difficulties may occur from time to time. In those instances, so long as there is a Board quorum and the public may still attend the meeting in person, the meeting will continue.

- a. Zoom <https://us06web.zoom.us/j/87272840425>
- b. Zoom Phone Numbers. +17207072699, Meeting ID: 87272840425

During the meeting, each period for public comment will be announced, and participants may use Zoom's "Raise Hand" feature to request to speak. If calling in via Zoom use *9 to raise and lower your hand. The meeting host will call on you, by name or last four digits of your phone number, and enable the microphone when it is your turn to speak. To ensure the orderly meeting conduct, providing your name is encouraged, but not required.

3. EMAIL

The public may submit public comment via email to board@hwma.net. Any comments received up until 3:00 pm of the meeting date will be:

- a. Distributed to Board members via email prior to the meeting,
- b. Referenced and attached to the meeting minutes.

Such email comments must identify the agenda item number in the subject line of the email. Comments received will be read into the record by staff, with a maximum allowance of three minutes (approximately 500 words) per individual comment, subject to the Chair's discretion. If a comment is received after the agenda item is heard, but before the close of the meeting, the comment will still be included as part of the written record of the meeting, but will not be read into the record during the meeting.

4. TO WATCH OR LISTEN ONLY

The public may view the meeting on one-way video feed on at Access Humboldt's YouTube Channel at www.youtube.com/c/accesshumboldt/live or

Staff Report

DATE: January 5, 2024 For Meeting of: January 11, 2024

FROM: Hilary Schwartz, Director of Finance

SUBJECT: Item 2b)
Receive August, September, and October 2023 Financial Reports

RECOMMENDED ACTION: Voice Vote
1) Review and Approve August, September, and October 2023 Financial Reports

DISCUSSION:

Background:

Each month, staff presents an update on the Authority’s financials based on activity to-date for the current month. This enables staff to provide a complete presentation of the full financial activity for that period, as financial data will have been recorded and finalized for the reporting period at that point.

Each year, pending the finalization of the Authority’s financial audit, these financial reports are presented as *preliminary* financial reports. Once the audit is finalized and staff closes out the prior year, information presented will represent accurate to-date financial activity and will be marked as such.

The Authority’s cash position is comprised of 5 accounts; 1) the Authority’s checking account, which handles the day-to-day expenses and holds the Operating Reserve; 2) the Cummings Road Landfill Pledge of Revenue Money Market account; 3) The Capital Improvement Plan Money Market account and 4) The Benefits and Rate Stabilization Money Market account. The combined value of these accounts equals the total cash available for Authority reserves and operating cash. The current value of the Authority operating fund and combined reserve funds are as follows:

Cash on hand	\$ 1,482,764.19
Operating Reserve	\$ 1,267,905.18
CRL Pledge of Revenue	\$ 26,308.62
Capital Improvement Fund	\$ 997,015.01
Benefits and Rate Stabilization Funds	\$ 403,333.33
Long-Term Funding	\$ 26,790.45

Authority Financials:

Attachment A contains detailed balance sheets for the August, September, and October financial reports, for Board review and discussion. An analysis of that information as it relates to revenues and expenses, and current month disbursements to vendors and employees, is provided herein.

Revenues:

Revenues for August through October are performing approximately 1.7% over projections of budgeted estimates for Fiscal Year 2023-24. These estimates encapsulate all activity throughout the Authority, although finances will be influenced by future payouts for fees passed through to Member Agencies, revenue shares for salvaged materials sales, and the delayed receipt of grant revenues for grant-based projects.

Staff continues to monitor diversion programs in terms of not only cost, but self-sustaining viability. At present, all divisions are fully funded from self-sustaining revenues or fees passed through from Self-Haul, Franchise, and Satellite Facility tipping fees.

Expenses:

Total Expenses for August through October are approximately 3% below budgeted estimates, including some one-time expenses related to depreciation of Authority assets, and quarterly payments to Member Agencies for pass-through payments. Additionally, decreases in above budgeted estimates are partially related to decreased fuel costs and increased back hauls.

Payroll expenses are intentionally projected high, so actual payroll expenses, while below budget estimates, are in line with current budget methodology.

Staff continues to maintain a strong control on ongoing expenses, which are expected to remain to below budget estimates at the end of the second quarter of Fiscal Year 2023-24.

Monthly disbursements to Authority vendors and employees are summarized in Attachment B (*Statement of Cash Flow*) for the months of August, September, and October. These disbursements are comprised primarily of day-to-day costs, representing approximately \$1,622,890.28 in transportation and disposal costs, \$710,959.59 in payroll and employee benefit costs, and \$200,531.60 pass-through payments to member agencies.

Staff's Recommendation:

Staff recommends the board review and approve the draft August, September, and October 2023 Financial Reports.

Staff Report

DATE: November 28, 2023 For Meeting of: January 11, 2023

FROM: Tony Heacock, Director of Environmental Health & Safety

SUBJECT: Item 2c)
Review and Approve Recommendation to Award Humboldt Recycling LLC as the Successful Proposer for Cummings Road Landfill Leachate Transportation & Disposal Services

RECOMMENDED ACTION: That the Board:

1. Direct the Executive Director and General Counsel to initiate negotiations with Humboldt Recycling LLC to perform landfill leachate transportation & disposal services for Cummings Road Landfill.
2. Return to the Board for final agreement review and approval no later than the February 8, 2024 Board meeting.

DISCUSSION:

During the October 12, 2023 meeting, the Board of Directors approved a Request for Proposals for Cummings Road Landfill Leachate Transportation & Disposal Services for circulation.

The scope of work was based on historical landfill leachate data and prior agreements with the contracted waste haulers.

B&B Portable Toilets LLC has been under contract with HWMA to provide leachate hauling and reporting for the Cummings Road Landfill since 2015. B&B Portable Toilets LLC is owned and operated by the Cain family. The Cain family also own several other companies including Humboldt Recycling LLC. This familiarity and pooling of resources will allow for a seamless transition between B&B Portable Toilet LLC and Humboldt Recycling LLC supporting the Cummings Rd Landfill project needs.

Only one proposal was submitted to the HWMA by the deadline. The one proposal was deemed responsive and submitted by the following:

- Humboldt Recycling LLC

Based on the above, the evaluation committee recommends Humboldt Recycling LLC as the preferred contractor.

FISCAL IMPACT:

Costs for these services at the proposed pricing structure represents a 60% increase from prior transportation rates. This rate increase is estimated to impact the FY2023-24 amount allocated for landfill leachate by approximately \$16,190. The increased transportation cost will be budgeted into the Landfill Leachate line of the FY 2024-25 Budget.

SUBJECT: Item 2d) Authorize Executive Director to Submit Letter to Fortuna City Council.

RECOMMENDED ACTION: Voice vote/

- 1) Authorize the Executive Director to sign and submit a letter to the Fortuna City Council to Consider Membership to the HWMA

DISCUSSION:

Background:

City of Fortuna staff has expressed a willingness to work regionally throughout the SB 1383 process, with staff committing time, and the jurisdiction providing share cost funding for the SB 1383 roadmap and the most recent HWMA SB1383 grant application.

The HWMA and City of Fortuna have had a long history of working cooperatively to provide additional services to residents in and around the City of Fortuna. HWMA has hosted several E-waste and hazardous waste events, and most recently has provided the household hazardous waste for drop off to their residents and businesses through an agreement.

The benefits of regionalization have shown throughout the SB1383 process with all jurisdictions working in concert to develop pathways forward for Humboldt County compliance, and ensuring all jurisdictions have a vested interest in the decision-making process for waste management will result in the best outcomes and services for its residents.

Staff's Recommendation:

Staff recommends the Board Authorize the Executive Director to draft, sign, and submit a letter to the Fortuna City Council

FISCAL IMPACTS: N/A

RE: City of Fortuna HWMA Membership

Honorable City Council:

As the Executive Director of the Humboldt Waste Management Authority (HWMA) I respectfully request the Fortuna City Council consider a Resolution requesting membership on the Humboldt Waste Management Authority Board.

HWMA has worked with the City of Fortuna to provide services such as E-waste collection events, Hazardous Waste collection events, and most recently entered into an agreement for the HWMA to provide Household Hazardous Waste services to City of Fortuna Residents and Businesses.

HWMA believes that regionalization of materials management would not only benefit the residents of Fortuna, but all residents of Humboldt County. The introduction and current implementation steps resulting from SB1383 have shown that building and implementing a sustainable regional materials management system is more important than ever.

I believe that the City of Fortuna becoming an active partner in the Authority will ensure that their residents have a vested interest and representation in the decision-making process for the future.

I would be happy to present the benefits of membership to this council and look forward to working with your staff to facilitate a pathway for membership.

Sincerely,

Eric Keller-Heckman
Executive Director

Approve Amendment Number 3 to Extend Services Agreement with Nancy Diamond for Legal Services.

RECOMMENDED ACTION: Voice vote.

1) Approve Amendment No. 3 with Nancy Diamond for Legal services from December 31, 2023 ending June 30, 2025.

DISCUSSION:

Background:

Attached is proposed Amendment number 3 to the Agreement for Legal Services with Nancy Diamond, Attorney at Law. The current agreement with Ms. Diamond expired on December 31 2023. The attached Amendment to Extend would effective January 1, 2024 and end on June 30, 2025.

As HWMA's Legal Counsel, Ms. Diamond provides regular legal advice to the HWMA Board of Directors, Executive Director and occasionally staff on a broad range topics. In addition to standard legal review and defense, Ms. Diamond drafts and reviews numerous documents including agreements, construction contracts, hold harmless agreements and releases.

Staff's Recommendation:

Staff recommends that the Board approve Amendment number 3 to the Agreement for Legal services with Nancy Diamond Attorney at Law.

FISCAL IMPACTS:

No impact to costs for Fiscal Year 2023-24. Future increases will be incorporated in future budgets.

SUBJECT: Item 4)
Receive and Approve Mid-Year Adjustments and Review for Fiscal Year 2023-24

RECOMMENDED ACTION: Voice vote/ Informational only
1) Receive and Approve Mid-Year Adjustments and Review for Fiscal Year 2023-24

DISCUSSION:

Background:

Staff is pleased to present the Fiscal Year 2023-24 Mid-Year Budget Review for the Board's consideration. This Mid-Year Budget reflects actual expenses and revenues received by the Authority as of December 31, 2023, and is a strong indicator of the financial course of the Authority and will guide staff in the development of the Draft Fiscal Year FY 2024-25 Budget.

The Authority operates on a July – June Fiscal Year, with a mid-year budget review typically presented at the regular January Board meeting. Mid-year budget adjustments are presented so that the Board of Directors may compare the approved budget projections with actual revenue and expenditure performance at mid-fiscal year and approve necessary adjustments to specific line items. This is an important tool in maintaining the Authority and its financial stability and direction.

Overall, revenues are in line with the budget projections with expenditures coming in just slightly under the FY 2023-24 budget as presented in April 2023. The variations in revenue and certain expenses simply due to the timing of this report, and the delay of certain financial processes. The Authority however is not on pace to remain net zero as a result of savings related to payroll and transportation expenditures, has a current net revenue of \$617,970.61.

Traditionally staff does not present a full budget at mid-year unless substantial changes or alterations are recommended. With the minimal number of adjustments, and the majority of the budget tracking as predicted staff has focused on the small number of outliers noted in this report.

FY 2023-24 Mid-Year Budget

Revenue

Based on actual tonnage received, Solid Waste Revenue as identified in the approved FY 2023-24 Budget is on track with projections. There has been a slight decrease (1100 tons) in received tonnage at the Hawthorne Street Transfer Station when compared to last year, but Satellite Locations have received 800 tons more material than was expected. Out of Area self-haul has remained steady with minimal tonnage overall. Staff anticipates a small uptick in the second half of FY 23-24 as we head into spring and summer as past tonnage trends would predict.

Total County-Wide Program Fees and Base Rates Passed Through are also tracking well, with some variance attributed to how these fees are billed, collected, and apportioned to the appropriate division, line items and jurisdictions.

Additionally, SB212 (Jackson, passed 2018) created a statewide stewardship program for sharps and pharmaceuticals, that now cover the disposal costs of these items. HWMA incurs the costs and is reimbursed periodically. It was unknown at the time of the FY 23-24 budget when the program would roll out, and when applicable sites would be adopted into it so this revenue was not predicted in the original budget but will be incorporated going forward.

Other Income categories are currently tracking around 60% of expected for the year. This shortfall is a result of the Authority not yet receiving reimbursement for the current CalRecycle Tire Grant, but all "Other Income" categories are tracking as projected.

Overall, staff is confident in the projections made with the FY 23-24 budget and revenue is tracking those predictions.

Expenditures

Waste Expenses are adjusted to reflect actual costs related to the Authority's cost of transportation and disposal for all material. The authority has been fortunate that so far in FY 2023-24 there has been only one significant road closure that altered solid waste disposal routes to the landfill, and while that closure resulted in an additional expenditure of \$57,000 dollars relating to alternate transportation and disposal the cost savings from stable fuel prices and a moderate increase to backhauls has more than made up for it, and resulted in a 12% (\$360,543.79) reduction in projected costs so far. Staff anticipates fuel prices rising as we head into spring and summer months as past years would indicate.

The Authority's approved organizational chart identifies 36 FTE positions, but currently only has 30 FTE on staff. Several major positions have experienced extended vacancies, including the Director of Finance and Director of Operations, along with several staff either retiring or leaving the Authority. This has resulted in a reduction in Payroll and Related expenses of 11% (\$349,567.46)

Overall, other costs have tracked as predicted if not slightly above projections, outside of three instances. Bank fee's, R&M Facilities and Equipment.

The increasing Bank Fees are directly related to an increase in online bill pay and credit card payments through our transaction providers. The Authority, for most of its time has been a cash and check business, but since the Covid-19 pandemic staff has continued to edify the financial structures to accept a variety of payment types. This has reduced staff time related to managing cash and checks, while making paying bills more user friendly for our everyday customers. We have seen a large uptick in customer participation so far this year by introducing online and email bill pay.

R&M Equipment is one of the more difficult line items annually to accurately project. While routine maintenance and expenses are easily tracked, solid waste material management is notoriously hard on equipment, and unfortunately one of our main loaders has suffered a catastrophic breakdown resulting in nearly \$30,000 dollars in repairs.

R&M Facilities is currently tracking just over initial projections. With several planned repairs upcoming in the spring a small adjustment should ensure sufficient funds.

Reserves

Planned expenditures related to the Capital Improvement Plan, and other asset purchases, remain on schedule for completion through the end of the fiscal year. All reserves are on track to be fully funded by the end of the fiscal year.

Proposed Adjustments

Staff presents the following requested changes in list form, with references to the division and line item, for the Board's consideration:

- \$ 15,000 increase in Solid Waste, Bank Fees Expense
- \$ 37,000 increase in Solid Waste, R&M Equipment Expense
- \$ 22,000 increase in Solid Waste, R&M Facilities Expense

The requested changes totaling \$ 74,000 will be offset by the current savings realized relating to salaries and wages.

Overall

Staff believes the minimal amount of mid-year budget adjustments indicate that the decisions made by the Board during the Budget approval process have resulted in a strong, healthy budget performance. Staff is prepared to discuss any items that require additional clarification and will present further discussion on these topics during the Draft FY 2024-25 Budget scheduled for the March/April 2024 meeting.

Staff's Recommendation:

Staff recommends the Board approve list of proposed adjustments and approve FY 2023-24 Mid-Year Budget.
