New Act

Creates the Child Abuse Notice Act. Requires certain businesses and establishments, including, but not limited to, day care centers, elementary and secondary schools, bus stations, and general acute care hospital emergency rooms, to post in a conspicuous place a notice developed by the Department of Children and Family Services that is aimed toward children under 18 and provides information on what constitutes physical and sexual abuse and how to report such abuse. Requires the notice to be at least 8 1/2 inches by 11 inches in size, written in a 16-point font, unless the notice is provided by electronic means. Requires the Department, in consultation with an accredited Children's Advocacy Center, to develop a model notice no later than 6 months after the effective date of the Act. Requires the Department to make the model notice available for download on the Department's Internet website and provide the notice upon request to eligible business, schools, and other establishments. Provides that the notice shall be printed in English, Spanish, and in one other language that is the most widely spoken language in the county where the establishment is located and for which translation is mandated by the federal Voting Rights Act, as applicable. Exempts school districts and personnel from the penalty provision.

Removes a provision that requires the Department of Children and Family Services to, upon request, furnish copies of the model notice without charge to businesses, establishments, or schools. Removes an incorrect cross-reference from the provisions of the engrossed bill.

In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Replaces everything after the enacting clause with the engrossed bill with these changes, and makes the following changes. Restores the definition of "commercial purpose" to current law. Changes the definitions of "digital replica" and "person". Defines "service provider" and "unauthorized digital replica". Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

HB 05142 (CONTINUED)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Senate Committee Amendment No. 1

Provides that beginning January 1, 2025, certified professional midwife services (in addition to licensed certified professional midwife services) shall be covered under the medical assistance program.

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Creates the Uniform Money Transmission Modernization Act. Provides that the provisions supersede the Transmitters of Money Act. Provides that a person may not engage in the business of money transmission or advertise, solicit, or hold oneself out as providing money transmission unless the person is licensed under the Act. Sets forth provisions concerning the purpose of the Act; definitions; money transmission licenses; license application; license renewal; acquisition of control and change of key individuals; reporting and records; authorized delegates of a licensee; timely transmission, refunds, and disclosures; confidentiality of records; required reports; prudential standards; and enforcement. Makes conforming changes in the Freedom of Information Act and the State Finance Act. Provides that the Transmitters of Money Act is repealed on January 1, 2026. Makes other changes. Effective immediately, except that the changes to the Transmitters of Money Act take effect January 1, 2026.

Senate Floor Amendment No. 1

Deletes a provision that exempted from the Act's requirements a person licensed as a digital asset business under the Digital Asset Regulation Act to the extent of its operation as such a digital asset business. Provides that the amount of the required security is the greater of \$100,000 (rather than \$1,000,000) or an amount equal to 100% of the licensee's average daily money transmission liability in this State calculated for the most recently completed quarter, up to a maximum of \$2,000,000. Makes changes in provisions concerning letters of credit and provisions concerning the circumstances under which orders to suspend or revoke a license may be issued. Adds a provision concerning cease and desist orders and civil penalties.
