Provides that those photographs, signatures, and images may be disclosed to the individual to whom the driver's license, permit, identification card, Certificate of Title, or vehicle registration was issued, upon written request (rather than to the individual upon written request). Removes language allowing the Secretary to limit the number of persons authorized to obtain direct electronic access and to restrict, or establish priority for, access to motor vehicle records as the Secretary deems necessary to avoid disruption to the Secretary's normal operations, or as the Secretary deems is in the best interests of the public. Removes language providing that every requester must execute an access agreement and agree to be responsible for (i) maintaining security procedures in the requester's network and procedures deemed appropriate in the sole discretion of the Secretary, (ii) providing to the Secretary the names, work addresses, and work phone numbers of all persons responsible for maintaining motor vehicle record files provided by the Secretary or otherwise executing the provisions of an access agreement on behalf of the requester, (iii) providing a written certification that the Secretary's motor vehicle records or any portion thereof shall not be transferred, nor accessed outside of the United States, electronically or otherwise, and (iv) certifying that no employee nor officer of the requester accessing motor vehicle records has been convicted of a felony, or that at least 5 years have passed since the completion of the sentence. Removes language allowing the Secretary to require an agreement that a requester seeking to obtain motor vehicle records shall hold harmless and indemnify the Secretary for any money damages, criminal fines, civil penalties, court costs, and attorney's fees awarded to any person or entity by any State or federal court resulting from any disclosure by the requester or by any person to whom the requester provided information from a motor vehicle record that is contrary to State or federal law.
