Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Creates the Task Force to Review Eligibility to Hold Public Office to review what criminal conduct precludes a person from holding public office in the State and to make recommendations as to what criminal conduct should preclude an individual from holding public office. Includes language relating to Task Force membership, administrative support by the Illinois Sentencing Policy Advisory Council, meetings, submission of a report of its findings and recommendations to the General Assembly and the Governor by May 1, 2024, and repealing the provisions on January 1, 2025. Amends the Unified Code of Corrections. Provides that, notwithstanding any other provision of law, a person convicted of a felony, bribery, perjury, or other infamous crime for an offense committed on or after the effective date of the amendatory Act and committed while he or she was serving as a public official in the State is ineligible to hold any local public office or any office created by the Constitution of the State unless the person's conviction is reversed, the person is again restored to such rights by the terms of a pardon for the offense, the person has received a restoration of rights by the Governor, or the person's rights are otherwise restored by law. Effective immediately.

House Floor Amendment No. 2

Provides that 2 State Representatives shall be appointed by the Minority Leader of the House of Representatives to the Task Force (rather than one State Representative) and 2 State Senators shall be appointed by the Minority Leader of the Senate to the Task Force (rather than one State Senator). Senate Floor Amendment No. 1

Adds reference to:

5 ILCS 312/3-107

Adds reference to:

P.A. 102-160, Sec. 99

Further amends the Election Code. Extends by one year the date by which the Task Force to Review Eligibility to Hold Public Office must submit its report to the General Assembly. Specifies that the provision creating the Task Force is to be repealed on January 1, 2026 (rather than January 1, 2025). Replaces on the Task Force representatives from the State Board of Elections with representatives from the Illinois Sentencing Policy Advisory Council. Provides that the State Board of Elections, rather than the Illinois Sentencing Policy Advisory Council, will provide administrative support to the Task Force. Provides that the Executive Director of the State Board of Elections, rather than the Executive Director of the Illinois Sentencing Policy Advisory Council, shall designate the day, time, and place for each meeting of the Task Force. Amends the Illinois Notary Public Act. Provides that neither a notary public nor an electronic notary public is required to keep a journal of or to otherwise record in a journal a notarial act or an electronic notarial act if that act is performed on specified electoral documents to be filed by or on behalf of a candidate for public office. Provides that this exemption from the Act's ordinarily applicable journaling requirement applies without regard to whether the notarial act is performed before, on, or after the effective date of the amendatory Act. Defines "public office". Makes a change to the effective date of Public Act 102-160. Effective immediately.

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

Provides that a veteran service organization must have been formed by and for veterans, have a board where at least two-thirds of its members are veterans, and have annual expenditures that demonstrate that at least 51% of the organization's expenses reflect support for veterans, service members, and their families (rather than have been formed by and for veterans with a board composition of mostly veterans or have annual expenditures that demonstrate that the majority of the organization's expenses reflect support for veterans, service members, and their families). Removes, from the list of qualifications, a requirement that the veteran service organization provide responsible aid, assistance, or services to the veteran community. Replaces everything after the enacting clause. Amends the Court of Claims Act. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Amends the Illinois Pension Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

HB 2054 expands employment requirements for Department of Juvenile Justice personnel to include prospective employees who have 2 or more years of experience providing direct care to youth, in lieu of having a bachelor's or advanced degree. The bill makes technical changes to the SERS article of the Pension Code to track with the updated educational and work requirements that are being made in the Unified Code of Corrections.

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

House Floor Amendment No. 1

Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must: (1) be over the age of 21 and (2) have a high school diploma or equivalent and either a bachelor's or advanced degree from an accredited college or university or 2 or more years of experience providing direct care to youth in the form of residential care, coaching, case management, or mentoring (rather than just being over the age of 21 and having any bachelor's or advanced degree from an accredited college or university).

Fiscal Note (Dept. of Juvenile Justice)

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. Defines "electronic", "information", "nontestamentary estate planning document", "person", "record", "security procedure", "settlor", "sign", "state", "terms of trust", "trust instrument", and "will". Provides that the new Article does not apply to a nontestamentary estate planning document if a will or the terms of a trust governing the document expressly preclude use of an electronic record or electronic signature. Provides that if a will or the terms of a trust governing the nontestamentary estate planning document require a nontestamentary estate planning document to be in writing, an electronic record of the document satisfies the requirement. Provides that if other law of the State or a will or the terms of a trust (rather than only other law of the State) require or permit (rather than only requires) a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied with respect to an electronic nontestamentary estate planning document if an individual authorized to perform the notarization, acknowledgment, verification, or oath attaches or logically associates the individual's electronic signature on the document together with all other information required to be included. Provides that if a will or the terms of a trust base the validity of a nontestamentary estate planning document on whether it is signed, witnessed, or attested by another individual, the signature, witnessing, or attestation of that individual may be electronic.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.
