SB 00724 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

Further amends the Children and Family Services Act. Provides that temporary emergency placements for youth in crisis must be licensed through the Department of Children and Family Services or, in the case of a foster home or host home (rather than in the case of a foster home), by the supervising child welfare agency.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Directs the Illinois Environmental Protection Agency to conduct statewide sampling of certain community water supplies for the presence of 1,4-Dioxane (rather than directs the Agency to propose, and the Pollution Control Board to adopt, rules establishing State-only maximum contaminant levels for likely or known carcinogens found in public drinking water systems). Provides that within one year of the promulgation by the United States Environmental Protection Agency (USEPA) of regulations or amendments establishing maximum contaminant levels (MCLs) for any PFAS, the Board shall adopt rules which are identical in substance to such federal regulations or amendments. Provides that the Agency shall, by June 30, 2026, conduct sampling of the Illinois community water supplies previously sampled by the Agency for 1,4-Dioxane from the years 2013 through 2015 (rather than the Agency shall conduct an initial study on primary drinking water standards and, by no later than June 30, 2025, present its findings to the General Assembly for the purpose of implementing a State-only MCL for carcinogens and toxic chemicals that are likely to pose a substantial health hazard). Provides that if the results of such sampling detect drinking water levels of 1,4-Dioxane in excess of the USEPA Health Reference Level of 35 micrograms per liter, the Agency shall (rather than the Agency shall, with no prefatory condition), within 2 years after June 30, 2026 (rather than 2025), take all actions needed to obtain expertise to propose rules to establish a State-only MCL for 1,4-Dioxane (rather than for carcinogens and toxic chemicals likely to pose a substantial health hazard). Provides that, by no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules to establish a State-only MCL for 1,4-Dioxane (rather than no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules that establish State-only MCLs for carcinogens and toxic chemicals that are likely to pose a substantial health hazard, with certain requirements). Removes provisions that the Agency and Board annually review relevant science and law for rulemaking and related purposes. Provides that the Agency shall, at least annually, convene a stakeholder group to review a subset of chemicals that are likely to pose a substantial health hazard to residents of the state, for the purpose of proposing or revising a State-only MCL for those chemicals.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1235 as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Senate Floor Amendment No. 1

Provides that for the purposes of computing service for academic years for any participant, one month of service means a calendar month during which the participant qualifies as an employee and contributes to the System (instead of qualifies as an employee for any fraction of the month).

Senate Floor Amendment No. 2

Changes references from January 1, 2024 to September 1, 2024.

Pension Note (Government Forecasting & Accountability)

According to SURS, the system's actuary does not recognize the actuarial liabilities associated with part-time employees; the actuary assumes all employees are full-time. SURS reports approximately 24% of active members (73,307) have some part-time service. In addition, approximately 16% of retirement claims have a part-time adjustment, and the adjustment typically impacts the final pension amount in 10% of retirement claims. Thus, while there will be no change to SURS' liabilities due to the new service accrual schedule and the elimination of the part-time adjustment (for the aforementioned reason that the actuary assumes all employees are FT employees), SURS claims more assets will be necessary to pay enhanced benefits due to the new accrual schedule and the elimination of the part-time adjustment. The amount by which payouts will increase as a result of these changes has not been provided by SURS.

House Floor Amendment No. 2

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1235, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

310 ILCS 67/30

310 ILCS 67/50

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

SB 01476 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

Pension Note (Government Forecasting & Accountability)

Under SB 1611, as engrossed, state employees who avail themselves of a leave of absence for firefighter training will continue to receive compensation, and thus, pensionable service credit in SERS for such periods of leave. The bill states that the employee's agency can reduce his or her compensation by the amount the member is paid for the training; thus, SERS states that situations may arise where members may wish to purchase "earnings credits." The SERS Article of the Pension Code requires members wishing to establish earnings credits to pay to SERS an amount equal to the employee contribution based upon the rate of compensation paid immediately prior to the leave, plus interest at the actuarially assumed rate, from the beginning of the leave of absence to the date of payment.

Under current law, an employee who receives no compensation during a leave of absence may establish service credit in SERS by paying the aforementioned amounts, plus the employer's normal cost for the period of the leave. Inasmuch as state employees would be compensated during firefighter training leaves of absence under SB 1611, and thus would not be required to pay the employer's normal cost for the period of the leave, there would be a very minor fiscal impact upon SERS commensurate with the number of state employees who avail themselves of such periods of leave.

Fiscal Note (Dept. of Central Management Services)

SB 1611, as engrossed, will have a fiscal impact to CMS but this impact cannot be identified at present. The maximum time allowance for training is approximately 37 days. CMS cannot gauge the participation this would generate in the state. There is the obvious loss of productivity and expertise from the employee's absence that will need to be compensated for through overtime, temporaries, etc.. Finally, it will take some time and additional resources to develop and effectuate rules for the Act and allow for software and programming changes.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1611; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1611, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1611, as amended by Senate Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

SB 01611 (CONTINUED)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

The legislation will not increase or decrease the number of judges needed in the state of Illinois.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that the authority having maintenance jurisdiction over publicly owned bicycle trails in the State shall erect permanent regulatory or warning signage alerting pedestrians or cyclists of a vehicle crossing. Provides that in the event of an emergency or safety hazard, the authority having maintenance jurisdiction over publicly owned bicycle trails shall erect temporary signage alerting pedestrians or cyclists of damage to the trail, maintenance being performed on the trail, or other temporary hazards along the trail. Requires the Department of Transportation with reference to State highways under its jurisdiction, and the local authority with reference to other highways under its jurisdiction, to erect permanent signage warning vehicular traffic in advance of bicycle trail crossings. Provides that signage erected shall conform with the State manual and permanent advanced warning signage shall be located at least 150 feet in advance of the crossing.

House Floor Amendment No. 3

Replaces everything after the enacting clause with provisions of the engrossed bill, and makes the following changes: Provides that "paved bicycle trails" includes trails accommodating bicycle traffic composed of aggregate, asphalt, bituminous treatment, concrete, crushed limestone, or any combination thereof. Provides that the authority having maintenance jurisdiction over publicly owned paved bicycle trails in the State shall erect permanent regulatory or warning signage alerting pedestrians or cyclists of highway (rather than vehicle) crossings. Establishes that if the authority having maintenance jurisdiction over publicly owned paved bicycle trails has actual knowledge of an emergency or safety hazard that creates a dangerous condition on a publicly owned paved bicycle trail, the authority shall take reasonable steps to erect temporary signage alerting pedestrians or cyclist of the dangerous condition (rather than damage to the trail, maintenance being performed on the trail, or other temporary hazards along the trail). Provides that the Department of Transportation with reference to State highways under its jurisdiction, and the local authority with reference to other highways under its jurisdiction, shall erect or install permanent signage or markings warning vehicular traffic in advance of bicycle trail crossings. Pension Note (Government Forecasting & Accountability)

The fiscal impact of SB 1924 is not known, as the number of employees of regional offices of education who would receive pensionable service credit for unused, unpaid sick leave from multiple employers is not known. To the extent that service credit up to one year would be provided for employees who would have previously not been eligible to combine sick leave credit from multiple employers, there would be a slight negative impact to the IMRF employer that would assume the liability associated with the additional service credit being granted.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1924 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Replaces everything after the enacting clause. Amends the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under those Articles or through a participating system under the Retirement Systems Reciprocal Act to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. In the Chicago Police Article of the Code, removes a birthdate restriction on eligibility at age 55 for a 3% automatic annual increase in retirement annuity that is not subject to a maximum increase of 30% and specifies the timing of an initial increase in retirement annuity for persons who have not received the initial increase before January 1, 2023. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.
