HB 02174 (CONTINUED)

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Senate Floor Amendment No. 1

Provides that before a property owner may proceed with the installation or use of the proposed solar energy system based upon the association's failure to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner must first give the association written notice of the alleged failure and 10 business days to cure that alleged failure. Provides that during those 10 business days, the association may only adopt the policy statement or process the application; the association may not take other action, including, but not limited to, seeking injunctive relief, during those 10 business days.

New Act

Creates the Uniform Cohabitants' Economic Remedies Act. Allows an individual who is or was a cohabitant to commence an action on a contractual or equitable claim that arises out of contributions to the relationship, including allowing an action to be commenced on behalf of or against a deceased cohabitant. Provides that a claim for breach of a cohabitants' agreement accrues on breach and may be commenced, within 5 or 10 years after it first accrues, during cohabitation or after termination of cohabitation. Includes instances when a cohabitants' agreement may be unenforceable or voidable. Allows a cohabitant to commence an equitable action against the other cohabitant concerning entitlement to property based on the contributions to the relationship, and such an action accrues on termination of cohabitation. Sets forth applicability, governing law, effect of a court order or judgment on a third party, principles of law and equity, uniformity of application and construction, relation to electronic signatures, and transitional provisions. Defines terms.

House Floor Amendment No. 2

Provides that a court order or judgment granting relief under the Act may not impair the right or interest of a cohabitant's spouse or surviving spouse to the cohabitant's property and is subordinate to any domestic support obligation arising from a marriage of a cohabitant to another person. Provides that this Act applies to a cohabitants' agreement made on or after the effective date of the Act and to an equitable claim under the Act that accrues on or after the effective date of the Act.

765 ILCS 1075/35

Representative Daniel Didech
HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the engrossed bill with these changes, and makes the following changes. Restores the definition of "commercial purpose" to current law. Changes the definitions of "digital replica" and "person". Defines "service provider" and "unauthorized digital replica". Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date. Makes other changes.

Replaces everything after the enacting clause. Amends the Counties Code and the Illinois Municipal Code to prohibit a county or municipality from adopting any ordinance or resolution that prohibits or has the effect of prohibiting the installation of a solar energy system or low voltage solar powered device. A "low voltage solar powered device" means a piece of equipment designed for a particular purpose, including, but not limited to, doorbells, security systems, and illumination equipment, powered by a solar collector operating at less than 50 volts and located: (1) entirely within the lot or parcel owned by the property owner; or (2) within a common area without being permanently attached to common property. A "solar energy system" means: (1) a solar storage mechanism that uses solar energy for generating electricity or for heating or cooling gases, solids, liquids, or other materials; and (2) a supplemental conventional energy system designed or constructed to interface with a solar energy system. Provides that in any litigation arising under this Act or involving the application of this Act, the prevailing party shall be entitled to costs and reasonable attorney's fees. Exempts any building that: (1) is greater than 60 feet in height; or (2) has a shared roof and is subject to a homeowners' association, common interest community association, or condominium unit owners' association. Amends the Homeowners' Energy Policy Statement Act to make the same changes. Amends the Public Utilities Act to provide that municipal utility systems and rural electric cooperatives must have a shared policy governing self-generation of renewable energy. A shared policy must be developed by the Illinois Municipal Electric Agency, the Illinois Municipal Utilities Association, and the Association of Illinois Electric Cooperatives and reviewed for compliance with this Section by the Illinois Commerce Commission. The initial shared policy must be drafted and received by the Illinois Commerce Commission within 90 days after the effective date of the amendatory Act. Provides what must be in the shared policy. Provides for civil penalties if a municipal electric utility system or electric cooperative violates or fails to comply with any provision of this Act or any order by the Illinois Commerce Commission issued under this Act. Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Removes language requiring the Department of Public Health to adopt rules requiring State entities or hospitals to comply with specified requirements. Provides that the Department shall analyze and provide recommendations on specified information through voluntary reporting from research institutions and in consultation with community-based organizations and other stakeholders as appropriate and available (rather than in consultation with the Illinois Cancer Center, community-based organizations, and other research organizations). Provides that the Department shall issue its report and post the report on its website by July 1, 2026 (rather than reporting to the General Assembly by July 1, 2025). Provides that the Department shall establish an Internet website that provides information concerning methods for identifying and recruiting persons who are members of underrepresented demographic groups to participate in clinical trials and contains links to websites maintained by entities that are performing research relating to drugs or medical devices in the State (rather than establish a program to encourage participation in clinical trials of drugs and medical devices by persons who are members of demographic groups that are underrepresented in clinical trials).

Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Amends the Public Utilities Act. Provides that an electric utility subject to the requirements of the Illinois Solar for All Program may file a tariff with the Illinois Commerce Commission that creates a new rate for the supply of electric power and energy to low-income customers. Provides that the tariff shall allow for the developer of a community solar project that is the subject of a contract to sell its renewable energy credits executed pursuant to the Illinois Solar for All Program or the contract and payment terms of the renewable portfolio standard of the Illinois Power Agency Act to also enroll the project under the tariff. Provides for low-income customers the tariff shall automatically apply. Provides that the capacity and energy from the enrolled projects shall be used to serve the customers taking service under the rate authorized by these provisions. Provides that if an electric utility elects to file the tariff outside of a rate design filing, the Commission shall enter its order approving the tariff no later than 120 days after the date of the utility's filing. Provides that electric utilities that have a tariff, community solar projects enrolled in the program, and the customers taking service thereunder, shall be exempt from all application, contract, and disclosure requirements that may otherwise apply under the Illinois Power Agency Act. Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Amends the Illinois Insurance Code. Defines terms. Provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and that is amended, delivered, issued, or renewed after January 1, 2025 shall provide coverage, without imposing any cost-sharing requirement, for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer that is recommended by a health care professional; and evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by National Comprehensive Cancer Network clinical practice guidelines. Provides that the requirements do not apply to coverage of genetic testing or evidence-based cancer imaging to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to the Internal Revenue Code.

HB 04781 (CONTINUED)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

Amends the Illinois Act on the Aging. In a provision requiring the Department on Aging to require an annual audit from all personal assistant and home care aide vendors contracting with the Department, provides that the annual audit shall assure that each audited vendor's procedures are in compliance with the Department's financial reporting guidelines requiring an 80% or higher employee wage and benefits cost split and an administrative cost split of no more than 20% (rather than an administrative and employee wage and benefits cost split as defined in administrative rules). Provides that subject to federal approval, on and after January 1, 2025, rates for homemaker services shall be increased to \$32.75 to sustain a minimum wage of \$20 per hour for direct service workers. Provides that rates in subsequent State fiscal years shall be no lower than \$32.75 upon federal approval. Requires providers of in-home services to be required to certify to the Department that they remain in compliance with the mandated wage increase for direct service workers. Provides that fringe benefits, including, but not limited to, paid time off and payment for training, health insurance, travel, or transportation, shall not be reduced in relation to the rate increases. Provides that subject to federal approval, on and after January 1, 2025, the Department shall pay a rate add-on under the Community Care Program to those in-home service provider agencies that attest and document their direct service workers attend paid, quarterly, in-person training sessions to fulfill the in-service training requirements. Provides that the add-on shall be 1% of the homemaker services rate. Requires the Department to adopt rules.

Amends the State Officials and Employees Money Disposition Act. Provides that examiners of unclaimed property which is reported and remitted to the State Treasurer and custodians contracted by the State of Illinois to hold presumptively abandoned securities or virtual currency may deduct fees prior to remittance in accordance with the Revised Uniform Unclaimed Property Act. If a holder cannot liquidate virtual currency and cannot otherwise cause virtual currency to be liquidated, requires the holder to promptly notify the administrator in writing. The administrator may direct the holder to either (1) transfer the virtual currency that cannot be liquidated to a custodian selected by the administrator, or (2) continue to hold the virtual currency until the administrator or the holder determines that the virtual currency can be liquidated pursuant to this Act or there is an indication of apparent owner interest. Provides that the sole administrative and legal procedure for claiming property is under this Act. Requires compliance with this Act before exercising the exclusive judicial remedy. Any appeal from the administrator's decision under the Illinois Administrative Procedure Act must be taken under the provisions of the Administrative Review Law. In governing void agreements, provides that this Section does not apply to an apparent owner's agreement with a CPA firm licensed under the Illinois Public Accounting Act or with an affiliate of such firm under certain conditions. 20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Removes language requiring the Department of Public Health to adopt rules requiring State entities or hospitals to comply with specified requirements. Provides that the Department shall analyze and provide recommendations on specified information through voluntary reporting from research institutions and in consultation with community-based organizations and other stakeholders as appropriate and available (rather than in consultation with the Illinois Cancer Center, community-based organizations, and other research organizations). Provides that the Department shall issue its report and post the report on its website by July 1, 2026 (rather than reporting to the General Assembly by July 1, 2025). Provides that the Department shall establish an Internet website that provides information concerning methods for identifying and recruiting persons who are members of underrepresented demographic groups to participate in clinical trials and contains links to websites maintained by entities that are performing research relating to drugs or medical devices in the State (rather than establish a program to encourage participation in clinical trials of drugs and medical devices by persons who are members of demographic groups that are underrepresented in clinical trials).

- 20 ILCS 2305/6.5 new

Representative Marcus C. Evans, Jr.
HB 05417 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Representative Marcus C. Evans, Jr.**HB 05610 (CONTINUED)**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part I (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Creates the Natural Organic Reduction Regulation Act. Provides that any person doing business in this State, or any cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity, may erect, maintain, and operate a natural organic reduction facility in the State and provide the necessary appliances and facilities for the natural organic reduction of human remains in accordance with the Act. Provides that an individual or a person, cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or other entity may reduce human remains only in a natural organic reduction facility operated by a disposition authority licensed for this purpose and only under the limitations provided in the Act. Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services, training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

House Floor Amendment No. 1

Provides that applications for licensure as a disposition authority shall be accompanied by a fee of \$100 (instead of \$250) and that renewal fees are \$100 (instead of \$250). Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

House Floor Amendment No. 2

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, with the changes proposed in House Amendment No. 1 and House Amendment No. 2, and the following additional changes. Requires the vessels used for natural organic reduction to be made of stainless steel, to be leakproof, to promote aerobic reduction, and to allow for the continuous monitoring of the reduction process. Requires the natural organic reduction facility to have a ventilation system. Requires the reduction facility to meet or exceed requirements set by the federal Centers for Disease Control and Prevention (rather than standards set by the Department of Public Health and the Centers for Disease Control and Prevention). Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Makes other technical changes. Effective January 1, 2025.

110 ILCS 205/9.44 new

Amends the Board of Higher Education Act. Provides that, subject to appropriation, the Board of Higher Education shall create a student teaching stipend program to alleviate the financial burden of student teaching and to encourage students to pursue teaching careers to alleviate this State's teacher shortage. Provides that to participate in the stipend program, an eligible student must be placed as a student teacher no later than June 1, 2025 or no later than June 1 each year thereafter. Provides that an educator preparation program shall notify the Board of all eligible students who qualify for the stipend program by July 1, 2025 and no later than July 1 each year thereafter and all eligible students shall be participants in the stipend program. Provides that no later than August 1, 2025 and no later than August 1 each year thereafter, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible student a stipend of up to \$10,000 per semester for up to 2 consecutive semesters, plus additional funds to pay the direct costs of operating the stipend program. Provides that the educator preparation program shall distribute stipend funds using the standard methods for allocating State-based financial aid or as wages for employment to each eligible student in monthly installments. Sets forth additional provisions concerning the distribution of funds. Provides for rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Removes provisions specifying notification deadlines. Provides that, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible cooperating teacher a stipend of up to \$2,000 per semester for up to 2 consecutive semesters per academic year, plus additional funds to pay the direct costs of operating the stipend program. Sets forth provisions concerning the distribution of funds to eligible cooperating teachers. Provides that an educator preparation program may not prohibit an eligible student or an eligible cooperating teacher from participating in the stipend program or receiving a stipend from the stipend program. Sets forth provisions concerning cooperating teacher training.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1 with the following changes. Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that "salary" includes stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Authorizes a person to establish optional credit for periods of service as a student teacher under a specified provision of the Board of Higher Education Act. In provisions requiring an additional employer contribution for certain salary increases greater than 6%, provides that the System shall exclude any stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Makes changes concerning how funds are to be distributed under the student teaching stipend program. Provides that the Board of Higher Education shall disburse funds to the State Board of Education, who shall disburse funds to each school district or early childhood education provider employing an eligible cooperating teacher (instead of having the Board of Higher Education disburse funds to educator preparation programs employing an eligible cooperating teacher). Makes related changes. Makes changes concerning when the report shall be completed. Provides that the Board of Higher Education shall provide guidance and technical assistance to educator preparation programs on the administration of the stipend program. Effective immediately.

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Representative Mary E. Flowers
HB 01016 (CONTINUED)

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

HB 04781 (CONTINUED)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

305 ILCS 5/5-55 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that subject to appropriation, the Department of Healthcare and Family Services, in collaboration with the Department of Human Services and the Department of Public Health (the Departments), shall establish and administer a Medical-Legal Partnership Grant Program that awards annual grants to medical-legal partnerships that provide legal services without charge to assist low-income individuals and families in resolving legal matters or other needs that have a negative impact on their health. Provides that to be eligible for a grant under the program, a medical-legal partnership must demonstrate its ability and experience in providing high quality patient-centered legal services aimed at addressing their patient's health-harming social and legal needs. Requires selected medical-legal partnerships to also comply with standards and guidelines established by the Departments. Requires the Departments to seek input from legal services organizations, community health advocacy organizations, hospitals, and other health care providers in establishing such standards and guidelines. Provides that grant amounts may be used to expand the capacity of existing medical-legal partnerships to provide patients with wraparound services related to housing instability or homelessness, landlord-tenant mediation, income support and rental assistance, food insecurity, family stability, respite care, immigration, and mental health or substance use treatment. Provides that grant amounts may also be awarded to establish medical-legal partnerships in underserved communities. Provides that Community health centers, private or public hospitals, nonprofit legal aid organizations, behavioral health facilities, and other specified entities may apply for program grants. Requires the Department of Healthcare and Family Services to adopt rules. Requires the Department to apply for all federal approvals and waivers necessary to cover wraparound services provided by medical-legal partnerships to medical assistance recipients who have chronic health conditions and health-harming social and legal needs. Creates the Medical-Legal Partnership Grant Program Fund under the State Finance Act.

HB 0002 (CONTINUED)

Amends the Substance Use Disorder Act. Requires the Department of Human Services to (i) establish a new intervention license category entitled "OPS Harm Reduction Services", (ii) establish standards for entities to become licensed under the OPS Harm Reduction Services category, and (iii) create a licensing application process. Provides that, notwithstanding any other law, ordinance, or regulation, any entity licensed as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Requires the Department to make a determination as to whether to approve an entity's application for an OPS Harm Reduction Services license within 4 weeks after the date upon which the entity submitted its application to the Department. Requires the Department to help educate local communities and public and private entities about overdose prevention sites and the evidence regarding the benefits of overdose prevention sites. Requires entities approved to operate an overdose prevention site to, at a minimum, provide a hygienic space where participants may consume pre-obtained substances, maintain a supply of naloxone and oxygen on-site, employ staff trained to administer first aid to participants who are experiencing an overdose, provide secure hypodermic needle and syringe disposal services, encourage drug checking or the use of fentanyl test strips, and other services. Requires licensed entities to submit a report to the Department on the number of participants who have received or are receiving services at the overdose prevention site and other matters. Grants immunity from civil or criminal liability to specified persons. Preempts home rule powers.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Requires the Department of Human Services to develop a pilot program aimed at saving the lives of people who use substances. Provides that the program shall include the establishment of at least one overdose prevention site. Provides that the pilot overdose prevention sites shall be exempt from the Act's intervention licensure requirements for harm reduction services until the Department has adopted rules for harm reduction services. Provides that overdose prevention sites shall offer people who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations a safe space to use pre-obtained substances and to connect with community supports or other existing treatment and recovery programs, harm reduction services, and health care. Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

House Committee Amendment No. 2

Requires each pilot overdose prevention site to track and compile information on the success rate of persons who are referred to and receive additional treatment and recovery support services after utilizing the services provided at the overdose prevention site. Provides that each pilot overdose prevention site must monitor and collect the following data: (i) the number of persons who seek and receive services at the overdose prevention site; (ii) the number of persons identified in item (i) who are referred to other substance use and treatment and recovery support services offered by another provider; and (iii) the number of persons identified in item (ii) who receive and complete substance use treatment or a program of recovery support services offered by another provider. Requires each pilot overdose prevention site to compile the required data and information and submit an annual report on its findings to the Department of Human Services in a form and manner and on a date prescribed by the Department. Provides that all personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections. Makes technical changes.

HB 00676 (CONTINUED)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Amends the Illinois Vehicle Code. Deletes language limiting the liability of a renter for damage to a vehicle to \$2,000 for a vehicle with a Manufacturer's Suggested Retail Price of \$50,000 or less, and \$40,000 for a vehicle with a Manufacturer's Suggested Retail Price greater than \$50,000.

Senate Committee Amendment No. 5

Adds reference to:

35 ILCS 155/6 new

Replaces everything after the enacting clause. Amends the Automobile Renting Occupation and Use Tax Act. Provides that the taxes imposed under the Act do not apply to any amounts paid or received for peer-to-peer car sharing, as defined in the Car-Sharing Program Act, or the privilege of sharing a shared vehicle through a car-sharing program, as defined in the Car-Sharing Program Act, if the shared vehicle owner paid applicable taxes upon the purchase of the automobile. Defines "applicable taxes". Provides that the car-sharing program shall collect and remit any retailers' occupation tax or use tax due with respect to any proceeds from any shared vehicle upon the purchase of which applicable taxes were not paid. Further amends the Illinois Vehicle Code. Provides that a person who rents a motor vehicle to another may hold the renter liable for physical or mechanical damage to the rented motor vehicle that occurs during the time the motor vehicle is under the rental agreement. Creates limits on liability due to theft based on the MSRP of the stolen vehicle. Provides that, beginning on the effective date and for 6 months after, a person who rents a motor vehicle to another shall provide notice to the renter of the motor vehicle of the changes reflected in the amendatory Act. Requires the notice to be posted in a conspicuous and unobscured place that is separate and apart from any other information. Effective immediately.

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Representative La Shawn K. Ford
HB 01569 (CONTINUED)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

30 ILCS 559/20-20

Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

House Committee Amendment No. 1

Removes a provision providing that each eligible provider that receives approval from the Department of Children and Family Services of the provider's existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the existing or proposed program. Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

House Floor Amendment No. 1

Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Requires the Board's report to be filed with the Executive Director of the Illinois Community College Board.

Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part I (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Calls for the highest and best use of state-owned land. Urges the Illinois Sports Facilities Authority to proactively request proposals from developers for building housing and attractions on all of its land, including, but not limited to, the stadium and the parking lots for the benefit of the public and taxpayers with a goal of moving as much of the land into the property tax rolls as possible. Urges the Illinois Sports Facilities Authority to report on how much of the outstanding debt could be paid off by selling its existing assets to a private developer. Urges all professional sports teams seeking a new stadium to collaborate on finding one stadium solution that can serve more than one team in a private-sector led development to share the cost and keep the stadium filled for more of the year. Calls on the revenues from the 2% hotel tax to be considered as a source for all of the budget challenges. Expresses that it would be a loss to Chicago and the rest of Illinois for any professional sports team to relocate to another state. Urges the Sports Facilities Authority, the State of Illinois, the City of Chicago, Cook County, Friends of the Park, stakeholders, and the general public to join together to evaluate the highest and best use of resources for the benefits of businesses and taxpayers. Expresses confidence in our state's ability to dream big, think big, and collaboratively find the highest and best use of our land and taxes to grow our economy and keep all of our professional sports teams winning championships in Chicago.

Amends the Regulatory Sunset Act. Provides for the repeal of the Illinois Public Accounting Act on January 1, 2029 (rather than January 1, 2024). Amends the Illinois Public Accounting Act. Provides that all applicants and registrants shall: (1) provide a valid address and email address to the Department of Financial and Professional Regulation, which shall serve as the address of record and email address of record, respectively, at the time of application for registration or renewal of a registration and (2) inform the Department of any change of address of record or email address of record within 14 days after such change either through the Department's website or by contacting the Department's licensure maintenance unit. Provides that a license application shall have an applicant's federal individual taxpayer identification number. Provides that all CPA firms or sole practitioners required to undergo a peer review shall submit to the Department peer review reports; letters of response, if applicable; acceptance letters; letters signed by the reviewed CPA firm accepting the peer review documents with the understanding that the CPA firm agrees to take certain actions, if applicable; and letters notifying the reviewed CPA firm that certain required actions have been completed, if applicable. Provides that the Secretary of Financial and Professional Regulation shall appoint a full-time CPA Coordinator. Provides that the hearing officer shall report the hearing officer's findings of fact, conclusions of law, and recommendations to the Committee (rather than to the Committee and the Secretary). Removes a provision providing that exhibits shall be certified without cost. Makes corresponding and other changes. Specifies that the changes made to the Regulatory Sunset Act take effect immediately.

HB 04148 (CONTINUED)

Creates the Legislative Employee Labor Relations Act. Authorizes legislative employees to bargain collectively through the representatives of their choosing on questions of wages, hours, and other conditions of employment. Specifies that the General Assembly is not required to bargain on specified matters of inherent managerial policy. Establishes the Office of State Legislative Labor Relations. Directs the Office of State Legislative Labor Relations to manage the interests of the General Assembly in collective bargaining with legislative employees. Grants the State Panel of the Illinois Labor Relations Board jurisdiction over collective bargaining matters between employee organizations and the General Assembly of the State of Illinois. Contains additional provisions concerning the following topics: the duty to bargain collectively; fair-share agreements; grievance procedures; election and recognition of labor organizations as exclusive representatives; unfair labor practices; mediation; fact-finding; exhaustion of nonjudicial remedies; strikes during session periods; and multiyear collective bargaining agreements. Specifies that the Open Meetings Act does not apply to collective bargaining negotiations and grievance arbitration proceedings under the Act. Sets forth definitions. Amends the Criminal Code of 2012, the State Lawsuit Immunity Act, and the Workplace Violence Prevention Act to make conforming changes. Effective July 1, 2026.

House Floor Amendment No. 1

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

HB 04276 (CONTINUED)

Amends the Life Care Facilities Act. Provides that the financial disclosure provided to a resident must include, but is not limited to, fee schedules; fee adjustment policies; the history of fee increases; reserve funding provisions; expected source of funding for the development of new facilities; refund policies; and the status of resident claims on assets if the facility were to fall into bankruptcy or insolvency (instead of only a disclosure of short-term assets and liabilities). Provides that the required financial disclosures shall also be posted in a conspicuous location in the facility to which residents must have access.

House Committee Amendment No. 1

Adds reference to:

210 ILCS 40/5.1 new

Adds reference to:

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Amends the Life Care Facilities Act. Adds provisions requiring certain pre-sale disclosures. Specifies that if an unoccupied living unit is to be reappropriated and if there are beneficiaries awaiting an entry fee refund, then the beneficiaries of the entry fee refund must provide a signed acknowledgment of and agreement to the reappropriation.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 40/5.1 new

Adds reference to:

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Clarifies that the pre-sale disclosure requirements apply only to life care contracts that are subject to refund. Provides that, upon request, current residents, former residents awaiting refunds, and the estates of former residents awaiting refunds shall be provided with the most recent entry fee refund disclosures. Provides that, if a payee for an entry fee refund cannot be determined, for purposes of calculating the data required in the pre-sale disclosure, a refund shall be considered complete when a new resident occupies the living unit.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Provides that, for the purpose of determining the time a refund is due, the start time of the refund begins after the unit has been permanently vacated, returned to resalable condition, and the outgoing resident has a zero balance due, excluding outstanding balances to be payable by outside payors, including, but not limited to, Medicare, Medicaid, Managed Medicare, or within 30 days of the unit being permanently vacated and the outgoing resident has a zero balance due, whichever is shorter. Provides that refund delays due to estate factors outside of the community's control are not included in the outstanding refunds to be disclosed.

Senate Floor Amendment No. 2

Provides that failure to provide the pre-sale disclosure may result in a minimum monetary penalty of \$500 at the discretion of the Department of Public Health. Allows the Department to adopt rules to enforce the provisions and provide for factors to be considered when imposing monetary penalties and for repeat violations of the provisions.

HB 04959 (CONTINUED)

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Creates the Creative Economy Task Force within the Department of Commerce and Economic Opportunity to create a strategic plan to improve the creative economy in the State. Provides that, within 2 years after the effective date of the amendatory Act, the task force shall collect and analyze data on the current state of the creative economy in the State and develop a strategic plan to improve the State's creative economy that can be rolled out in incremental phases to reach identified economic, social justice, and business development goals. Provides that the goal of the strategic plan shall be to ensure that the State is competitive with respect to attracting creative economy business, retaining talent within the State, and developing marketable content that can be exported for national and international consumption and monetization. Specifies requirements of the strategic plan. Provides that the task force shall submit its findings and recommendations to the General Assembly no later than December 31, 2027. Sets forth provisions concerning task force membership; compensation; and administrative support. Repeals the provision on July 1, 2028.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds members to the task force. Sets forth additional requirements for the strategic plan prepared by the task force. Provides that the task force shall submit its findings and recommendations to the General Assembly no later than July 1, 2026 (rather than December 31, 2027). Provides that appropriations for the task force may be used to support operational expenses of the Department of Commerce and Economic Opportunity, including entering into a contract with a third-party provider for administrative support. Provides that the Director of Commerce and Economic Opportunity may, after issuing a request for proposals, designate a third-party provider to help facilitate task force meetings, compile information, and prepare the strategic plan. Repeals the provision on January 1, 2027 (rather than July 1, 2028). Makes other changes.

Senate Committee Amendment No. 1

Provides that one member of the task force shall be recommended by a statewide organization representing counties (rather than the Illinois State Association of Counties) and appointed by the Governor.

305 ILCS 5/5-30.1

Amends the Medical Assistance Article of the Illinois Public Aid Code. Makes changes to provisions requiring Medicaid managed care organizations (MCO) to make payments for emergency services. Requires an MCO to pay any provider of emergency services, including inpatient stabilization services provided during the inpatient stabilization period, that does not have in effect a contract with the MCO. Defines "inpatient stabilization period" to mean the initial 72 hours of inpatient stabilization services, beginning from the date and time of the order for inpatient admission to the hospital. Provides that when determining payment for all emergency services, including inpatient stabilization services provided during the inpatient stabilization period, the MCO shall: (i) not impose any service authorization requirements, including, but not limited to, prior authorization, prior approval, pre-certification, concurrent review, or certification of admission; (ii) have no obligation to cover emergency services provided on an emergency basis that are not covered services under the MCO's contract with the Department of Healthcare and Family Services; and (iii) not condition coverage for emergency services on the treating provider notifying the MCO of the enrollee's emergency medical screening examination and treatment within 10 days after presentation for emergency services. Provides that the determination of the attending emergency physician, or the practitioner responsible for the enrollee's care at the hospital, of whether an enrollee requires inpatient stabilization services, can be stabilized in the outpatient setting, or is sufficiently stabilized for discharge or transfer to another facility, shall be binding on the MCO. Provides that an MCO shall not reimburse inpatient stabilization services billed on an inpatient institutional claim under the outpatient reimbursement methodology and shall not reimburse providers for emergency services in cases of fraud. Requires the Department to impose sanctions on an MCO for noncompliance, including, but not limited to, financial penalties, suspension of enrollment of new enrollees, and termination of the MCO's contract with the Department. Effective immediately.

305 ILCS 5/14-13

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to by rule implement a methodology to reimburse hospitals for inpatient stays extended beyond medical necessity due to the inability of the Department, the managed care organization (MCO) in which a medical assistance recipient is enrolled in, or the hospital discharge planner to find an appropriate placement after discharge from the hospital to the next level of care. Requires the Department to by rule implement a methodology effective for dates of service January 1, 2025 and later to reimburse hospitals for emergency department stays extended beyond medical necessity due to the inability of the Department, the MCO, or the hospital discharge planner to find an appropriate placement after discharge from the hospital setting to the next appropriate level of care. Provides that both methodologies shall provide reasonable compensation for the services provided attributable to the hours of the extended stay for which the prevailing rate methodology provides no reimbursement. Contains provisions concerning the rate for inpatient days of care; hourly rates of reimbursement for emergency department stays; a prohibition on MCOs restricting coverage due to delays caused by the Department or the MCOs in completing the pre-admission screening and resident review process; a prohibition on MCOs imposing authorization or documentation requirements and other conditions of reimbursement that are more restrictive than standards under the fee-for-service medical assistance program; sanctions on MCOs for noncompliance; and administrative rules. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Representative Robyn Gabel
HB 05142 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Senate Committee Amendment No. 1

Provides that beginning January 1, 2025, certified professional midwife services (in addition to licensed certified professional midwife services) shall be covered under the medical assistance program.

Effective January 1, 2025.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

HB 05395 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes that include the following. Requires the issuer of a network plan to submit a self-audit of its provider directory and a summary to the Department of Insurance, which the Department shall make publicly available. Makes changes to the information that must be provided in a network plan directory. Sets forth required actions if an issuer or the Department identifies a provider incorrectly listed in the provider directory. Removes provisions repealing the Short-Term, Limited-Duration Health Insurance Coverage Act and the related changes. Makes changes to provisions concerning confidentiality; transition of services; unreasonable and inadequate rates; the definitions of "excepted benefits" and "step therapy requirement"; off-formulary exception requests; algorithmic automated review processes; utilization review criteria; and adverse determinations. Makes other changes. Effective January 1, 2025, except that certain changes to the Managed Care Reform and Patient Rights Act take effect January 1, 2026.

HB 05431 (CONTINUED)

Amends the County Department of Corrections Law. In provisions about pregnant prisoners, modifies the definitions of "post-partum" and "correctional institution", including that "correctional institution" includes institutions in all counties (rather than only in counties more than 3,000,000 inhabitants). Modifies and removes provisions relating to security restraints on a prisoner who is pregnant or in postpartum recovery. Adds provisions relating to annual reports by sheriffs documenting the number of pregnant prisoners in custody each year and the number of people who deliver or miscarry while in custody, relating to county department of corrections providing informational materials concerning the laws pertaining to pregnant prisoners to any pregnant or postpartum prisoner, and relating to supplemental nutrition for prisoners who are pregnant or lactating. Amends the Unified Code of Corrections and the County Jail Act making similar changes. In the Unified Code of Corrections, also adds language relating to restraints of committed persons who are pregnant. Amends the Health Care Violence Prevention Act. In provisions relating to pregnant prisoners, removes a limitation on the provisions to pregnant prisoners in the custody of the Cook County. Provides that restraint of a pregnant prisoner shall comply with specified provisions of the Counties Code, the Unified Code of Corrections, and the County Jail Act (rather than only the Counties Code provisions).

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).
