Representative Maura Hirschauer
HB 02784 (CONTINUED)

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

75 ILCS 10/8.7 new

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

New Act

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

Amends the Public Community College Act. Provides that the position of secretary of a board of trustees of a community college district may be held by a member of the board. Provides that if the secretary is not a member of the board, the secretary may receive compensation as fixed by the board prior to the election of the secretary. Provides that if a district abolishes its working cash fund, the transfer of any balance must take place at the close of the then current fiscal year. Allows a community college district to abate its working cash fund upon the adoption of a resolution and transfer part of the balance at any time. Provides that if a community college district elects to abolish or abate its working cash fund, it shall have the authority to again create a working cash fund at any time (rather than if a district elects to abolish its working cash fund, it shall not establish another working cash fund unless approved by the voters). Effective immediately.

110 ILCS 805/3-33.6a new

Provides that the chairman and vice chairman elected by the board shall be members of the board, but the secretary elected by the board may be either a member of the board or not a member of the board, as determined by the board (instead of the secretary may be a member of the board). Provides that moneys in the working cash fund may be used for any and all community college purposes and may be transferred in whole or in part from the working cash fund to the educational fund or operations and maintenance fund (instead of moneys may be transferred from the working cash fund to the educational fund or operations and maintenance fund) only upon the authority of the board. Provides that a district shall have the authority to increase or again create (instead of just to again create) a working cash fund. Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

Removes changes to provisions concerning essential parts, records and inspections of licensees, and the use of the Secretary of State Uniform Invoice for Essential Parts. In provisions concerning the definitions of "recyclable metal" and "recyclable metal dealer", removes language that excepts catalytic converters from those definitions. Requires transactions involving a catalytic converter to include the identification number of the vehicle from which the catalytic converter was removed and any numbers, bar codes, stickers, or other unique markings (rather than the part number or other identifying number) of the catalytic converter that was removed. Provides that, in a transaction involving a catalytic converter, the recyclable metal dealer must also require a copy of the certificate of title or uniform invoice (rather than registration) showing the seller's ownership in the vehicle. Removes language concerning compliance with a provision of the Recyclable Metal Purchase Registration Law. Removes an exception to a provision concerning restricted purchases when the seller produces written documentation reasonably demonstrating that the seller is the owner of the recyclable metal material or is authorized to sell the material on behalf of the owner. Removes definitions in a provision concerning purchase of a catalytic converter or its contents.

Amends the Public Utilities Act. Provides that no electric utility shall establish or maintain any unreasonable difference as to rates or other charges, services, contractual terms, or facilities for access to or the use of its utility infrastructure by another person or for any other purpose. Amends the Electric Service Customer Choice and Rate Relief Law of 1997. Prohibits an electric utility in a county with a population of 3,000,000 or more from authorizing any other person or granting any other person the right, by agreement, lease, license, or otherwise, to access, control, use, or operate any electric utility's infrastructure, facilities, or assets of any kind or to deliver or provide to the electric utility's retail customers or any other person's customers, broadband services, Voice over Internet Protocol (VoIP) services, telecommunications services, or cable or video programming services. Specifies, however, that an electric utility in a county with a population of 3,000,000 or more may authorize or grant another person the right to access or use the electric utility's infrastructure, facilities, or assets, including, but not limited to, middle mile infrastructure, to facilitate the delivery of broadband services to Illinois residential and commercial customers on the condition that the access to and use of that electric utility's infrastructure, facilities, and assets (A) be granted on a non-discriminatory, non-exclusive, and competitively neutral basis; and (B) comply with all other State and federal laws, rules, and regulations, including, but not limited to, all applicable safety codes and requirements. Provides that, if there is any dispute regarding the terms, rates, or conditions of access to or use of the electric utility's infrastructure, facilities, and assets to facilitate the delivery of broadband services to Illinois residential and commercial customers, then the Commission shall hear and decide the dispute upon petition of any party. Provides that nothing in the amendatory Act shall be construed to alter or diminish the rights or obligations of any person nor shall it be deemed to conflict with the federal Pole Attachment Act. Specifies that these prohibitions become inoperative after December 31, 2027. Defines terms. Effective immediately.

House Floor Amendment No. 1

Provides that an electric utility in a county with a population of 3,000,000 or more (rather than any electric utility) shall not establish or maintain any unreasonable difference as to rates or other charges, services, contractual terms, or facilities for access to, or the use of, its utility infrastructure by another person or for any other purpose. Provides that nothing in the amendatory Act shall be construed to authorize any electric utility in a county with a population of 3,000,000 or more to consent to, or grant to, any other person by agreement, lease, license, or otherwise, the right to access, occupy, or use any infrastructure, facility, easement, or asset of any kind not owned by the electric utility.

30 ILCS 500/45-105

Amends the Illinois Procurement Code. Requires that each construction agency shall submit a report to the Governor and the General Assembly by December 1 (rather than September 1) of each year that identifies the Illinois businesses procured by the construction agency, the primary location of the construction project, the percentage of the construction agency's utilization of Illinois businesses on the project as a whole, and the actions that the construction agency has undertaken to increase the use of Illinois businesses. Provides that, in procuring construction, construction-related services, construction-related professional services, and construction support services (rather than construction and construction-related professional services) for projects with a total value that exceeds the small purchase maximum established by the Code, construction agencies shall provide a bid preference to a responsive and responsible bidder that is an Illinois business. Provides that the Code does not apply to procurement expenditures related to efforts for the recruitment and retention of State employees. Makes changes concerning applicability of the Code to public institutions of higher education, independent chief procurement officers, duration of contracts, electronic procurement systems, job order contracting, curing a violation or deficiency during an active procurement, procurement communications reporting requirements, method of source selection, bid preferences for Illinois businesses, and prohibited bidders. Amends the State Property Control Act. Makes changes concerning new furniture purchases. Amends the Counties Code. Provides that certain competitive bidding requirements apply to an elected official in a county with fewer than 2,000,000 inhabitants (in addition to applying to a county with fewer than 2,000,000 inhabitants). Senate Floor Amendment No. 2

Deletes reference to:

30 ILCS 500/45-45

Removes changes to provisions of the Illinois Procurement Code concerning small business set-asides. In a provision of the Illinois Procurement Code concerning mid-size business set-asides, provides that "mid-size business" includes a construction business with annual sales and receipts in excess of \$14,000,000 but not over \$45,000,000 (instead of in excess of \$45,000,000 but not over \$67,500,000). Provides that the provisions concerning mid-size business applies only to construction-related procurements for the Illinois State Toll Highway Authority (instead of applying only to procurements by the Illinois State Toll Highway Authority for construction contracts, construction-related contracts, and construction support contracts). Repeals the provisions 5 years after the effective date of the amendatory Act (instead of January 1, 2029).

Senate Floor Amendment No. 3

In the Progressive Design-Build Pilot Program Act, removes language that provides that the State construction agency will retain ownership of any design documents completed by the progressive design-build entity. In a provision of the Metropolitan Pier and Exposition Authority Act concerning requirements for contracts for professional services entered into by the Metropolitan Pier and Exposition Authority, specifies that the provisions apply to contracts in excess of \$25,000 for architectural, engineering, or land surveying services provided to the Authority and contracts in excess of \$100,000 (instead of \$25,000) for certain other services.

Senate Floor Amendment No. 5

Adds a provision that makes Article 1 of the bill take effect immediately.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

30 ILCS 750/9-4.3 from Ch. 127, par. 2709-4.3

Amends the Build Illinois Act. Provides that the amount of small business loans made to minority persons, veterans, females, or persons with a disability under the Act shall not exceed \$2,000,000 (rather than \$400,000) or 50% of the business project costs unless the Director of Commerce and Economic Development determines that a waiver of these limits is required to meet the purposes of the Act. Provides that eligible projects under those provisions include refinancing current debt if the loan will refinance a loan previously made by a lender that is unaffiliated with the financial intermediary making the new loan and the proceeds of the refinance transaction are not used to finance an extraordinary dividend or other distribution.

HB 02068 (CONTINUED)

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. HB 03135 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Provides that if the Department certifies that the case is of general public importance, the Attorney General may seek to intervene on behalf of the Department in a civil action filed by a complainant in State or federal court. Requires, in various situations, a complainant to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed in circuit court. Requires a complainant who chooses to file a complaint with the Commission without the Department's assistance to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed with the Commission. Provides that a petition for temporary relief shall contain a certification by the Director of the Department that the particular matter warrants temporary relief (rather than that the matter presents exceptional circumstances in which irreparable injury will result from a civil rights violation in the absence of temporary relief). Provides that the filing of a petition for temporary relief does not affect the initiation or continuation of other specified administrative proceedings. Removes language providing that when a petition for temporary relief is based upon a civil rights violation, the relief or restraining order shall not exceed 5 days. Provides that proceedings on requests for review shall toll the time limitation from the date on which the Department's notice of dismissal or default is issued until 30 days after (rather than issued to) the date on which the Human Rights Commission's order is served on the chief legal counsel of the Department (rather than when the order is entered). Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

HB 02174 (CONTINUED)

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

New Act

Creates the Limited-Equity Housing Cooperative Task Force Act. Provides that the purpose of the Act is to establish the Illinois Limited-Equity Housing Cooperative Task Force to collect data and qualitative experiences regarding the needs of limited-equity housing cooperatives with the goal of analyzing their potential to (i) increase the supply of affordable ownership housing across Illinois and (ii) further home ownership and build wealth among lower-income and moderate-income Illinoisans, especially those locked out of the traditional homeownership market. Requires the Task Force to prepare and submit a final report, on or before December 31, 2024, to the Governor and the General Assembly making specific recommendations of legislative and budgetary action that supports the mission of limited-equity housing cooperatives to foster permanently affordable ownership housing and homeownership among lower-income and moderate-income Illinois residents. Amends the Unified Code of Corrections. Provides that when a person commits an offense and the person is under 18 years of age at the time of the commission of the offense, the court, at the sentencing hearing shall consider the following additional factors in mitigation in determining the appropriate sentence: (1) the person's family, home environment, educational and social background, including any history of domestic or sexual violence or sexual exploitation; (2) childhood trauma, including adverse childhood experiences, the person's involvement in the child welfare system; (3) involvement of the person in the community; (4) if a comprehensive mental health evaluation of the person was conducted by a qualified mental health professional; and (5) the outcome of the evaluation. Provides that notwithstanding any other provision of law, if the court determines by clear and convincing evidence that the individual against whom the person is convicted of committing the offense previously committed certain human trafficking or sex crimes against the person within 3 years before the offense in which the person was convicted, the court may, in its discretion: (1) transfer the person to juvenile court for sentencing under the Juvenile Court Act of 1987; (2) depart from any mandatory minimum sentence, maximum sentence, or sentencing enhancement; or (3) suspend any portion of an otherwise applicable sentence.

Amends the Department of Human Services Act. In provisions concerning the Women, Infants, and Children (WIC) Nutrition Program, removes a provision requiring the Department of Human Services to report quarterly to the Governor and the General Assembly on the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Amends the Administration Article of the Illinois Public Aid Code. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Removes a requirement that the Department of Human Services exchange information with the office of the sheriff of every county and instead requires the Department to exchange information with the office of the sheriff to the extent available. Requires the Department to review each individual prior to authorizing benefits at application and redetermination to verify eligibility for benefits under the Code (rather than requiring the Department to review each month the entire list of individuals generated by the monthly exchange and verify the eligibility for benefits under the Code for each individual on the list).

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change. In the Administration Article of the Illinois Public Aid Code, permits the Department of Human Services to purchase incarceration data through a third-party resource to conduct data matches of incarcerated individuals.

New Act

Creates the Tenants' Right to Organize Act. Provides that tenants receiving tenant-based rental assistance in the form of partial rent subsidy from any county, municipal, State, or federal source have the right to establish, operate, and participate in a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development. Provides that tenants may not be retaliated against for asserting these rights. Requires housing authorities to: (i) recognize legitimate tenant organizations; (ii) solicit comments from all legitimate tenant organizations not less than once each year; and (iii) meaningfully respond in writing no later than 60 days after receiving a comment from a legitimate tenant organization. Requires each owner of a rental housing development that receives federal low-income housing tax credits (LIHTC) to: (1) recognize legitimate resident organizations; and (2) not retaliate against any tenant because of his or her association with a legitimate resident organization. Requires housing authorities and owners of LIHTC rental housing developments to allow tenants and tenant organizers to conduct, without having to obtain prior permission, certain activities related to the establishment or operation of a tenant organization, including distributing leaflets, convening regularly scheduled tenant organization meetings in a space on-site and accessible to tenants, and other activities. Provides that if a housing authority or owner of a LIHTC rental housing development takes adverse action against a tenant who is a member of a tenant organization, there shall be a rebuttable presumption that such adverse action is an act of retaliation. Requires the Illinois Housing Development Authority to establish enforcement protocols and annually submit reports to the General Assembly with data summarizing the number of outstanding tenant complaints and the average close time for tenant complaints. Provides that implementation of the Act is contingent on the enactment of the federal Tenants' Right to Organize Act.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

New Act
775 ILCS 5/6-102

Creates the Prevention of Gender-Based Discrimination in Service Industries Act. Prohibits a service business from discriminating on the basis of gender. Defines "service business" as a commercial enterprise that focuses on providing various services to customers and has no tangible, physical characteristics or products. This includes, but is not limited to, hairstylists, barbers, tailors, dry cleaners, and laundries. Provides that nothing in the Act prohibits price differences based specifically upon the amount of time, difficulty, or cost of providing the services. Requires these service businesses (tailors or businesses providing aftermarket clothing alterations, barbershops or hair salons, dry cleaners and laundries providing services to individuals) to post a notice that states they don't discriminate on prices charged for services of similar or like kind on the basis of the person's gender and that a complete price list is available upon request. Amends the Illinois Human Rights Act to provide that a person who violates the Prevention of Gender-Based Discrimination in Service Industries Act commits a civil rights violation within the meaning of the Illinois Human Rights Act, except as otherwise specified.

Expresses support for the right of the people of Puerto Rico to pursue self-determination. Expresses opposition to the Puerto Rico Status Act due to concerns over its inadequacy in facilitating a fair and democratic process for Puerto Ricans to determine their future given the lack of critical information over status definitions, the controlling language of government operations, transitions, taxes, Puerto Rico's separate Olympic representation, citizenship, and other key matters. Endorses the Puerto Rico Self-Determination Act as a constructive approach towards enabling the people of Puerto Rico to explore and decide upon their future political status through a democratic and participatory process. Encourages our federal representatives to support legislation and initiatives that align with the principles of self-determination and democracy for Puerto Rico.

5 ILCS 315/9 from Ch. 48, par. 1609

Amends the Illinois Public Labor Relations Act. Modifies the definitions of "supervisor" and "unit". Creates the Illinois AIDS Drug Assistance Program. Provides that Illinois AIDS Drug Assistance Program applications shall be processed within 72 hours after the time of submission. House Floor Amendment No. 1

Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

730 ILCS 5/5-5-5

Replaces everything after the enacting clause. Amends the Election Code. Creates the Task Force to Review Eligibility to Hold Public Office to review what criminal conduct precludes a person from holding public office in the State and to make recommendations as to what criminal conduct should preclude an individual from holding public office. Includes language relating to Task Force membership, administrative support by the Illinois Sentencing Policy Advisory Council, meetings, submission of a report of its findings and recommendations to the General Assembly and the Governor by May 1, 2024, and repealing the provisions on January 1, 2025. Amends the Unified Code of Corrections. Provides that, notwithstanding any other provision of law, a person convicted of a felony, bribery, perjury, or other infamous crime for an offense committed on or after the effective date of the amendatory Act and committed while he or she was serving as a public official in the State is ineligible to hold any local public office or any office created by the Constitution of the State unless the person's conviction is reversed, the person is again restored to such rights by the terms of a pardon for the offense, the person has received a restoration of rights by the Governor, or the person's rights are otherwise restored by law. Effective immediately.

House Floor Amendment No. 2

Provides that 2 State Representatives shall be appointed by the Minority Leader of the House of Representatives to the Task Force (rather than one State Representative) and 2 State Senators shall be appointed by the Minority Leader of the Senate to the Task Force (rather than one State Senator). Replaces on the Task Force representatives from the State Board of Elections with representatives from the Illinois Sentencing Policy Advisory Council. Provides that the State Board of Elections, rather than the Illinois Sentencing Policy Advisory Council, will provide administrative support to the Task Force. HB 04475 (CONTINUED)

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Further amends the Illinois Power Agency Act. Provides that the Agency shall retain the services of technical and policy experts with energy market and other relevant fields of expertise, solicit technical and policy analysis from the public, and provide for a 20-day open public comment period after publication of a draft study, which shall be published no later than 20 days after the comment period ends. Requires vegetation management plans to comply with the agricultural impact mitigation agreement and underlying agreements with landowners where the facility will be constructed. Adds language requiring a facility owner to compensate landowners for crop losses or other agricultural damages resulting from damage to the drainage system caused by the construction of the facility, repair or pay for damage to the subsurface drainage system, and repair or pay for the restoration of surface drainage caused by the construction or deconstruction of the facility. Amends the Public Utilities Act. Provides that the Illinois Commerce Commission, in order to develop a regulatory structure for utility thermal energy networks that scale affordable and accessible building electrification, protect utility customers, and promote the successful planning and delivery of thermal energy networks, shall convene a workshop process for the purpose of establishing an open, inclusive, and cooperative forum regarding such thermal energy networks. Further amends the Public Utilities Act. Creates the Transmission Efficiency and Cooperation Law as a new Article in the Act. Provides that an incumbent electric transmission owner has the right to construct, own, and maintain an electric transmission line that has been approved for construction in a transmission plan and that will connect to facilities that are owned by that incumbent electric transmission owner and are or will be under the functional control of the Midcontinent Independent System Operator (MISO). Provides that the provisions do not limit the right of any incumbent electric transmission owner to construct, own, and maintain any transmission equipment or facilities that have a capacity of less than 100 kilovolts or of any entity otherwise qualified to own, operate, and maintain electric transmission facilities that are not approved for construction in a transmission plan or that will not connect to facilities under the functional control of a regional transmission operator. Provides that the provisions shall not be construed to impair, abridge, or diminish in any way the powers, rights, and privileges of municipal corporations that are not incumbent electric transmission owners to partner with an incumbent electric transmission owner on the development and ownership of an electric transmission line included in a transmission plan. Provides that within 90 days after the later of the effective date of the amendatory Act or approval of the construction of an electric transmission line by a regional transmission operator, an incumbent electric transmission owner otherwise authorized to engage in the construction may provide notice to the Commission and the applicable regional transmission operator indicating it will not construct any or all of the electric transmission line so approved, or it will assign any or all of the construction to a transmission affiliate. Provides that if the notice is given and indicates the notifying incumbent electric transmission owner or its transmission affiliate will not construct any or all of the electric transmission line so approved, the incumbent electric transmission owner shall indicate the reason for that election, and the commission may grant permission and approval for such construction to another entity otherwise qualified to own and operate the electric transmission line. With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; changes the final average salary calculation to the total salary during the 60 months (instead of 96 months) of service within the last 120 months of service in which the total salary was the highest; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that the automatic annual increase in retirement annuity shall be calculated at 3% or one-half the annual unadjusted increase in the consumer-price index-u, whichever is greater (instead of whichever is less) of the originally granted retirement annuity; and makes other changes. Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. HB 03520 (CONTINUED)

Amends the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice under the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement formula, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55 (instead of age 60). With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that any retirement annuity or supplemental annuity shall be subject to annual increases on January 1 in the manner and with the same eligibility requirements provided for members or participants under the applicable Article who first became members or participants in that Article before January 1, 2011; and makes other changes. Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. Authorizes SLEP status under IMRF for a person who is a county correctional officer or probation officer. Amends the State Mandates Act to require implementation without reimbursement.

Pension Note (Government Forecasting & Accountability)

According to the State Employees Retirement System (SERS), reducing the Tier 2 alternative formula retirement age from 60 to 55 for security employees of the Departments of Corrections and Juvenile Justice would cause the overall accrued liability to increase by \$1.9 billion, with a corresponding increase to the State's annual contribution of \$84 million/year. A comprehensive actuarial study would be needed to assess the impact of the other components of the bill: granting the Tier 2 COLA after one year of retirement, regardless of age; lowering the normal (non-police) Tier 2 retirement age; and adding Tier 1 and 2 county correctional officers and probation officers to the IMRF SLEP program.

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Employee Article of the Code, provides that, with regard to persons subject to the Tier 2 provisions, an investigator for the Department of the Lottery is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Authorizes an investigator for the Department of the Lottery to establish eligible creditable service under the alternative retirement annuity provisions. Provides that a specified educational requirement for persons employed by the Department of Juvenile Justice shall no longer determine the eligibility to earn eligible creditable service under the alternative retirement annuity provisions, and authorizes the conversion of service credit to eligible creditable service. Excludes a benefit increase resulting from the amendatory Act from the definition of "new benefit increase". Establishes a deferred retirement option plan for certain police officers, firefighters, sheriff's law enforcement employees, and deputy sheriffs in the Cook County Police Department who are otherwise eligible to retire under which a participant may continue in active service for up to 5 years while having his or her retirement pension paid into a special account. Provides that the election to participate in the deferred retirement option plan must be made before January 1, 2029. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles. In the Chicago Teacher Article of the Code, provides that when computing days of validated service, contributors shall receive the greater of: (1) one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board of Trustees of the Fund; or (2) 10 days of service credit for each 10-day period of employment in which the contributor worked 50% or more of the regularly scheduled hours (instead of one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board). Amends the State Mandates Act to require implementation without reimbursement.

Amends the General Provisions, Downstate Police, Downstate Firefighter, and State Employees Articles of the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice or a security employee of the Department of Human Services subject to the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". In the Downstate Police and Downstate Firefighter Articles, in a provision that reduces the amount of the pension for a Tier 2 firefighter or Tier 2 police officer who retires with at least 10 years of creditable service before attaining age 55, provides that the pension of a Tier 2 firefighter or Tier 2 police officer who is retiring after attaining age 50 with 20 or more years of creditable service shall not be reduced. Makes a conforming change. Provides that each annual increase for Tier 2 firefighters shall be increased on the January 1 occurring either on or after the attainment of age 55 (instead of age 60) or the first anniversary of the pension start date, whichever is later. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Adds reference to:

765 ILCS 835/17 new

Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

Senate Floor Amendment No. 1

Defines "not-for-profit corporation" as that term is used in the General Not For Profit Corporation Act of 1986. Provides that a not-for-profit corporation may identify human remains of a veteran under the Cemetery Protection Act.

HB 05353 (CONTINUED)

Replaces everything after the enacting clause. Amends the Civil Administrative Code of Illinois. In provisions concerning expedited licensure for service members and spouses, provides that the military liaison's responsibilities include the management and oversight of all military portability licenses. Provides that the Department of Financial and Professional Regulation is authorized to issue a professional portability license to (1) a service member who is an out-of-state licensee and is under official United States military orders to relocate to the State of Illinois or (2) an out-of-state licensee whose spouse is a service member under official United States military orders to relocate to the State of Illinois. Provides the qualifications for a professional portability license. Provides that a professional portability license is subject to all statutes, rules, and regulations governing the license. Defines terms. Allows the Department to adopt rules to implement professional portability licenses. Amends the Clinical Social Work and Social Work Practice Act, the Marriage and Family Therapy Licensing Act, and the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act. Provides that the Department shall approve all examination applications and notify the relevant testing authorities of the applicant's authorization to take the exam. (Sen. Michael W. Halpin)

40 ILCS 5/15-158.3
110 ILCS 49/20

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Requires the Board's report to be filed with the Executive Director of the Illinois Community College Board.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. With respect to the Section concerning reports on cost reduction in the Illinois Pension Code, provides that, on and after December 31, 2026, the provisions concerning the report on the amount by which costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the State Universities Retirement System are inoperative (instead of removing the provisions concerning the report). With respect to the Section concerning expenditure reporting in the Higher Education Veterans Service Act, corrects a reference to the Executive Director of the Illinois Community College Board.

from Ch. 110, par. 2-202

Amends the Code of Civil Procedure. Provides that process may (rather than shall) be served by a sheriff, or if the sheriff is disqualified, by a coroner of some county of the State. Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Removes language providing that upon motion and in its discretion, the court may appoint as a special process server a private detective agency and, under the appointment, any employee of the private detective agency may serve the process.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Provides that, in a county of 3,000,000 or more, any person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 or by a registered employee of a private detective agency certified under that Act and hired to serve process shall remit \$5 of each service fee to the county sheriff.

House Floor Amendment No. 2

Provides that the \$5 of each service fee to be paid to the sheriff in a county of more than 3,000,000 shall be paid by a person hired to serve summons (instead of process).

Provides that under the pilot program the Department shall provide grant funding to a nonprofit medical debt relief coordinator to use the grant funds and any other private funds available to negotiate and settle, to the extent possible, the medical debt of eligible residents owed to hospitals and other health care providers and entities. Sets forth certain actions the selected nonprofit medical debt relief coordinator shall perform to effectuate the purposes of the pilot program. Requires the Department to provide annual reports to the Governor and the General Assembly on the amount of medical debt purchased and discharged under the pilot program, the number of eligible residents who received medical debt relief under the pilot program, the demographic characteristics of the eligible residents, and other matters. Requires the Department to adopt rules. Provides that the Act is repealed on July 1, 2029. Amends the State Finance Act. Amends the Illinois Income Tax Act. Includes in the list of modifications of a taxpayer's adjusted gross income for the taxable year, if the taxpayer is an eligible resident as defined in the Medical Debt Relief Act, an amount equal to the amount included in the taxpayer's federal adjusted gross income that is attributable to medical debt relief received by the taxpayer during the taxable year from a nonprofit medical debt relief coordinator under the provisions of the Medical Debt Relief Act. Replaces everything after the enacting clause. Amends the Department of Human Services Act. Requires the Department of Human Services, in partnership with other specified State agencies, to eliminate on July 1, 2027 the use of active or pending 14(c) certificates authorized under the federal Fair Labor Standards Act of 1938, as well as authorizations permitted under the Minimum Wage Law to pay an employee with a disability less than the minimum wage otherwise required for employees under the Minimum Wage Law. Creates the Transition Grant Fund as a special fund in the State treasury to provide funds, subject to appropriation, to community agencies with active or pending 14(c) certificates to aid in the transition away from subminimum wages for employees with disabilities. Amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Sets forth certain information and data that shall be included in the multi-year plan to inform the work of the Task Force. Requires the Task Force to include in the multi-year plan certain recommendations aimed at facilitating the elimination of 14(c) certificates. Requires the Task Force to submit the multi-year plan to the Governor and the General Assembly by no later than July 1, 2025 and to provide annual reports on implementation through January 1, 2030. Amends the Illinois Procurement Code. In a provision listing the type of not-for-profit agencies whose supplies and services may be procured without advertising or calling for bids, revises the list to include a not-for-profit agency that is (i) certified as a community rehabilitation provider by the Department of Human Services and (ii) accredited by a nationally-recognized accrediting organization or certified as a day services provider by the Department. Amends the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. In the definition of "business owned by a person with a disability", removes from the definition a not-for-profit agency for persons with disabilities that is exempt from taxation under the Internal Revenue Code of 1986. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, beginning January 1, 2024, the personal needs allowance for a qualifying medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act shall equal \$100. Provides that beginning January 1, 2025, the personal needs allowance shall increase annually at the same rate as the Social Security cost-of-living adjustment to take effect on January 1 of each year. Amends the Minimum Wage Law. In a provision permitting the Director of Labor to issue regulations providing for the employment of workers with disabilities at wages lower than the wage rate applicable under the Act, provides that the provision is inoperative on and after July 1, 2027. Effective immediately.
