Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Further amends the Department of Human Services Act. Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

305 ILCS 65/15 new

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

House Committee Amendment No. 1

In a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency service providers and bystanders during the 2-year pilot program, provides that the data must (i) include the number of individuals who survived as a result of the 8-milligram naloxone nasal spray intervention and those who became deceased and (ii) include the number of opioid overdose reversals attributed to the administration of the 8-milligram naloxone nasal spray intervention, by county (rather than requiring that the data collected must also include the number of individuals who survived an opioid overdose after receiving the 8-milligram naloxone nasal spray and the number of individuals who died of an opioid overdose after receiving the 8-milligram naloxone nasal spray).

HB 02847 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Creates the Mental Health and Wellness Act (rather than the Mental Health Equity Access and Prevention Act). In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a mental health prevention and wellness visit shall be in addition to an annual physical examination. Provides that the Department of Insurance shall update current procedural terminology codes through adoption of rules if the codes listed in the provisions are altered, amended, changed, deleted, or supplemented. Provides that a mental health prevention and wellness visit may be incorporated into and reimbursed within any type of integrated primary care service delivery method. Provides that the Department shall adopt any rules necessary to implement the provisions by no later than October 31, 2024 (rather than 2023). Removes provisions concerning coverage of out-of-network mental health care, provisions concerning coverage of medically necessary mental health care for individuals not diagnosed with a mental health disorder, and provisions concerning analysis of mental health care coverage on insurance premiums. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code. Makes other changes. Effective immediately.

House Floor Amendment No. 3

In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for one annual mental health prevention and wellness visit (rather than 2 annual mental health prevention and wellness visits) for children and for adults. Makes a grammatical correction.

New Act

Creates the Veterans I.O.U. Act. Provides that the General Assembly finds that veterans are owed a debt of gratitude for their service; that there is a known and large gap between veterans and their awareness of the resources, services, and benefits available to them, especially in times of need; and that closing this gap begins with being able to identify a veteran, which can eliminate the disconnect between a veteran and the resources, services, and benefits the veteran may need. Requires the Department of Veterans' Affairs to develop, by rule, standards for identifying veterans and making them aware of resources, services, and benefits that veterans may need. Provides that the rules shall require State agencies, local government agencies, as well as licensed individuals and entities, to ask an individual at the point of initial contact if the individual has ever served in any branch of the military of the United States, including the National Guard, reserve, or active duty. Defines "points of contact" to include, but not be limited to, stops by law enforcement, arrest and booking, emergency room visits, visits to food pantries, and visits to homeless shelters. Provides that if an individual affirmatively answers at the point of contact that the individual is a veteran, the veteran shall be offered information and outreach in accordance with the Department's standards. Requires outreach by the Department to commence within 48 hours after the initial contact and to include, but not be limited to: information regarding available resources, services, and benefits; assistance in contacting providers of the resources, services, and benefits; assistance in enrolling in the resources, services, and benefits; and where available, support for the veteran's family. Provides that outreach regarding resources, services, and benefits shall not be limited to resources of the U.S. Department of Veterans Affairs. Requires State agencies, local government agencies, and licensed individuals and entities to comply with the Department's standards that apply to them. Grants the Department rulemaking authority and requires State agencies, local government agencies, and licensed individuals and entities to comply with those rules.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

215 ILCS 5/370c.3 new

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

Representative Lindsey LaPointe
HB 04475 (CONTINUED)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Provides that in establishing and maintaining the Illinois Medicaid Preferred Drug List, the Department shall ensure that no nonopioid drug approved by the U.S. Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization controls, including, but not limited to, more restrictive or more extensive prior authorization or step therapy requirements, for such nonopioid drug than the least restrictive or extensive utilization controls applicable to any such opioid or narcotic drug. Replaces everything after the enacting clause. Amends the Department of Human Services Act. Requires the Department of Human Services, in partnership with other specified State agencies, to eliminate on July 1, 2027 the use of active or pending 14(c) certificates authorized under the federal Fair Labor Standards Act of 1938, as well as authorizations permitted under the Minimum Wage Law to pay an employee with a disability less than the minimum wage otherwise required for employees under the Minimum Wage Law. Creates the Transition Grant Fund as a special fund in the State treasury to provide funds, subject to appropriation, to community agencies with active or pending 14(c) certificates to aid in the transition away from subminimum wages for employees with disabilities. Amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Sets forth certain information and data that shall be included in the multi-year plan to inform the work of the Task Force. Requires the Task Force to include in the multi-year plan certain recommendations aimed at facilitating the elimination of 14(c) certificates. Provides that, beginning January 1, 2024, the personal needs allowance for a qualifying medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act shall equal \$100. Provides that beginning January 1, 2025, the personal needs allowance shall increase annually at the same rate as the Social Security cost-of-living adjustment to take effect on January 1 of each year. Amends the Minimum Wage Law. Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Further amends the Department of Human Services Act. Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or before December 31, 2025 that provides coverage for prescription drugs may not deny or limit coverage for prescription inhalers (instead of prescription inhalants) based upon any restriction on the number of days before an inhaler refill may be obtained if, contrary to those restrictions, the inhalants have been ordered or prescribed by the treating physician and are medically appropriate. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or after January 1, 2026 that provides coverage for prescription drugs shall limit the total amount that a covered person is required to pay for a covered prescription inhaler to an amount not to exceed \$25 per 30-day supply, and provides that nothing in the provisions prevents a group or individual policy of accident and health insurance or managed care plan from reducing a covered person's cost sharing to an amount less than the cap. HB 04781 (CONTINUED)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

Amends the Prompt Payment Act. Removes provisions concerning payments made under the Public Aid Code. Provides that when a State official or agency responsible for administering a contract receives a bill or invoice from a contractor, that State official or agency shall electronically confirm the date on which the bill or invoice was received within 5 business days of receipt, and shall transmit any approved amount to the Comptroller within 30 days of receipt. Effective January 1, 2025.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Removes language requiring the Department of Public Health to adopt rules requiring State entities or hospitals to comply with specified requirements. Provides that the Department shall analyze and provide recommendations on specified information through voluntary reporting from research institutions and in consultation with community-based organizations and other stakeholders as appropriate and available (rather than in consultation with the Illinois Cancer Center, community-based organizations, and other research organizations). Provides that the Department shall issue its report and post the report on its website by July 1, 2026 (rather than reporting to the General Assembly by July 1, 2025). Provides that the Department shall establish an Internet website that provides information concerning methods for identifying and recruiting persons who are members of underrepresented demographic groups to participate in clinical trials and contains links to websites maintained by entities that are performing research relating to drugs or medical devices in the State (rather than establish a program to encourage participation in clinical trials of drugs and medical devices by persons who are members of demographic groups that are underrepresented in clinical trials).

Provides that, where a submission is deemed incomplete, the Department shall inform the applicant in writing of the deficiencies with the submission. HB 00793 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Further amends the Department of Human Services Act. Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Removes provisions creating a Transition Grant Fund and instead provides that the Department shall establish a Section 14(c) transition program to award transition grants to eligible community agencies with active or pending Section 14(c) certificates to aid in the transition away from subminimum wages for workers with disabilities. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

HB 02068

New Act

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Provides that nothing in the Act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers or affect the validity or change the terms of bona fide collective bargaining agreements in force on the effective date of the Act. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the transportation benefits program, removes a provision that allows employees to use pre-tax dollars for the purchase of qualified parking. Provides that the Regional Transportation Authority shall make publicly available a searchable map (rather than database) of addresses that are located within one mile of fixed-route transit service (rather than regularly scheduled transit service). Effective January 1, 2024.

New Act

Creates the Limited-Equity Housing Cooperative Task Force Act. Provides that the purpose of the Act is to establish the Illinois Limited-Equity Housing Cooperative Task Force to collect data and qualitative experiences regarding the needs of limited-equity housing cooperatives with the goal of analyzing their potential to (i) increase the supply of affordable ownership housing across Illinois and (ii) further home ownership and build wealth among lower-income and moderate-income Illinoisans, especially those locked out of the traditional homeownership market. Provides that the Task Force is created within the Illinois Housing Development Authority to study: (1) opportunities to expand the number of limited-equity housing cooperatives statewide, including the number of properties that could be developed as limited-equity housing cooperatives; (2) the use of limited-equity housing cooperatives as a tool to create permanently affordable ownership housing; (3) the impact that substantial investments in limited-equity housing cooperatives would have on closing the racial wealth gap in Illinois; and other matters. Requires the Task Force to prepare and submit a final report, on or before December 31, 2024, to the Governor and the General Assembly making specific recommendations of legislative and budgetary action that supports the mission of limited-equity housing cooperatives to foster permanently affordable ownership housing and homeownership among lower-income and moderate-income Illinois residents. Contains provisions concerning Task Force membership; meetings; vacancies; and other matters. Provides that the Task Force is dissolved and the Act is repealed on December 31, 2024. Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. House Floor Amendment No. 1

Deletes reference to:

15 ILCS 335/8

Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Amends the Illinois Administrative Procedure Act. Specifies that the notice in contested case hearings must include an enclosure that notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice. Provides that an administrative law judge has the duty to inquire and determine whether a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing. Authorizes any self-represented litigant, witness, or indigent person to request, at any time during the course of a hearing, interpretive assistance needed to participate in or understand the hearing. Provides that, if interpretive assistance is requested by a self-represented litigant, a witness, or an indigent person or if interpretive assistance is determined to be necessary by the administrative law judge, the administrative agency must appoint a foreign language interpreter at no cost to the person in need of the assistance for use in a substantive hearing. Authorizes an administrative agency to provide interpretive assistance during a nonsubstantive hearing through use of an interpreter who is not a foreign language interpreter, provided the administrative law judge examines the interpreter for competency for the purposes of the nonsubstantive hearing. Requires all persons appointed to provide interpretive assistance in substantive and nonsubstantive hearings to make certain affirmations. Contains provisions concerning waiver of these language assistance provisions.

House Committee Amendment No. 1

Representative Theresa Mah
HB 05172 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to person in need of interpretive assistance to references to limited English proficient person. In a provision regarding rules establishing procedures for administrative hearings, provides that rules may include procedures for requesting and receiving language access services (rather than language assistance). Provides that notice for a hearing shall include an enclosure written in several specified languages which notifies the recipient of the ability for a party or their agent to request interpretive assistance to participate in or understand the hearing and to receive language access services for translating the contents of the notice (rather than which notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice). Defines "language access services" and "limited English proficient person". Removes a provision that any self-represented litigant, witness, or indigent person has the right to request interpretive assistance. Provides that a self-represented litigant, a witness, or a litigant who is an indigent person has the right to request interpretive assistance to participate in or understand a hearing at any time during the course of the hearing. Provides that an administrative law judge shall inquire if an individual is in need of interpretive assistance to participate in or understand the hearing if the judge reasonably believes the person is a limited English proficient person (rather than an administrative law judge has the duty to inquire and determine if a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing). Effective July 1, 2025.

House Committee Amendment No. 2

In provisions regarding contested cases, notice requirements, and administrative hearings, provides that language access services and interpretive assistance shall be, at a minimum, in accordance with the Illinois Administrative Procedure Act, and as otherwise provided for in any law or rule governing an agency's contested hearings.

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging. Requires the Department on Aging to establish and administer a Grandparents Raising Grandchildren Pilot Program to operate in Will County beginning January 1, 2024 through January 1, 2027. Provides that the pilot program shall allow the Senior Services Center of Will County to designate an intake coordinator for Will County who shall help connect grandparents raising grandchildren to relevant services and resources provided by the various State agencies, including, but not limited to, services and resources provided by the Department of Children and Family Services, the Department of Human Services, the Department on Aging, the Department of Healthcare and Family Services, and the State Board of Education. Provides that the intake coordinator shall provide services at local Senior Services Centers located in Will County and shall work with the Department on Aging to create a public awareness campaign on the services and resources offered by each of the agencies. Provides that the intake coordinator must be knowledgeable in certain programs including, but not limited to, the Extended Family Support Program administered by the Department of Children and Family Services and the Child Only Grants assistance component of the Temporary Assistance for Needy Families program administered by the Department of Human Services. Provides that the intake coordinator must be given the contact information for the designated point of contact for each State agency listed in the amendatory Act. Provides that each State agency's designated point of contact shall provide educational materials and training on the different programs provided by the State agency. Provides that the intake coordinator may receive this information within 14 days after his or her selection by the Department on Aging. Provides that, by January 1 of each year beginning in 2025 until the pilot program terminates, the Department on Aging shall submit an annual report to the General Assembly on the number of families who received referrals to relevant services from the intake coordinator during the prior calendar year, the specific services each family was referred to and received, and other related information on the frequency of calls and visits to the office of the intake coordinator during the reporting period.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, with the following changes: Makes the establishment and implementation of the Grandparents Raising Grandchildren Pilot Program subject to appropriations. Provides that the program shall require (rather than allow) the Senior Services Center of Will County to designate a staff member as an intake coordinator for Will County (rather than designate an intake coordinator for Will County) who shall help connect grandparents raising grandchildren to existing relevant services (rather than relevant services). Requires the intake coordinator to maintain records regarding the number of families who received referrals, the specific services each family was referred to and received, and the frequency of calls and visits. Provides that the intake coordinator selected by the Senior Services Center of Will County (rather than by the Department on Aging) must be knowledgeable on certain State-operated programs. In a provision requiring the intake coordinator to be given the contact information for the designated point of contact for each State agency listed in the engrossed bill, provides that such information may be given within 14 days after the intake coordinator's selection by the Senior Services Center of Will County (rather than selection by the Department on Aging).

Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Representative Natalie A. Manley
HB 01132 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

215 ILCS 5/356g from Ch. 73, par. 968g

Amends the Illinois Insurance Code. In a provision concerning coverage for mammograms, provides that if a woman's physician has ordered the patient to receive breast tomosynthesis because it has been determined that high breast density will make low-dose mammography inaccurate or ineffective, the insurer shall not require the physician to order an additional low-dose mammography as a precondition to breast tomosynthesis, nor shall an insurer require the patient to receive a low-dose mammography as a precondition to breast tomosynthesis. Provides that if the results of a woman's first 2-dimensional mammogram screening determine that the patient has high breast density, coverage of breast tomosynthesis shall be provided at no cost to the insured, regardless of whether the breast tomosynthesis and 2-dimensional mammogram occurs within the same calendar year, coverage year, or 365-day period.

Amends the Local Government Reduction and Efficiency Division of the Counties Code. Defines "district" as a township road and bridge district, sanitary district, drainage district, mosquito abatement district, or street light district. Provides that a county board may enact a resolution or ordinance or a county executive may issue an executive order to dissolve a district, but must first adopt or issue a plan that describes how the county will absorb and implement the services provided by the district, that provides a reason to discontinue the services provided, that describes how the county will pay for the transfer of services, and that shows long-term savings for taxpayers and file that plan with the State Comptroller. Provides that the State Comptroller may approve or deny the dissolution of the district based on the contents of the plan. Provides that, if the dissolution and transfer is approved by the State Comptroller, the county board may adopt a resolution or ordinance or a county executive may issue an executive order authorizing the dissolution of the district not less than 60 days following the court's appointment of a trustee-in-dissolution. Includes procedures for the dissolution of the district and designation of individuals to represent the district. Provides that the county must provide quarterly updates to the State Comptroller and that the State Comptroller shall publish those quarterly updates on the State Comptroller's local government Warehouse database. Makes conforming changes in the Division.

Calls upon elected officials at local, state, and federal levels to stand with the UPS Teamsters in their efforts to collectively bargain for fair wages, safe working conditions, affordable healthcare, and the dignified retirement that they rightfully have earned while working for UPS. Calls on the federal government to respect the UPS Teamsters rights to collectively bargain, including the right to withhold their labor. Calls on elected officials at local, state, and federal levels to demonstrate their support by signing on to an open letter to rank-and-file Teamsters at UPS expressing that government has no role to play in collective bargaining between workers and their employer and therefore no elected individual or government entity should attempt to insert themselves into the collective bargaining process or participate in any attempted resolution of a new contract that is not first voted upon and ratified by rank-and-file UPS Teamsters prior to such government-related intervention.

20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that a trafficking victim may petition for vacation and expungement of an offense (rather than shall be eligible to petition for immediate sealing) upon the completion of his or her last sentence if his or her participation in the underlying offense was proximately caused by the human trafficking (rather than a direct result of human trafficking). Provides that, if the offense is a crime of violence, the trafficking victim may petition for immediate sealing of the offense upon the completion of his or her last sentence. Provides that a petition may be prepared, signed, and filed electronically. Provides that the court may allow the petitioner to attend any required hearing remotely by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner, and provides that the court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

House Floor Amendment No. 3

Provides that a petition for the vacation and expungement or sealing of trafficking victims' crimes shall (rather than may) be prepared, signed, and filed in accordance with Supreme Court Rule 9 (rather than prepared, signed, and filed electronically). Provides that the court may allow the petitioner to attend any required hearing remotely in accordance with local rules (rather than by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner).

Senate Committee Amendment No. 2

Provides that, if a child care facility, non-licensed service provider, day care center, group day care home, or day care home authorizes the Department of Children and Family Services or a third-party vendor (rather than the Department of Children and Family Services) to collect fingerprints for an investigation, the Director of Children and Family Services shall request and receive information and assistance from any federal, State, or local governmental agency as part of the authorized investigation.

20 ILCS 1305/1-90 new

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

House Committee Amendment No. 1

Removes a provision providing that each eligible provider that receives approval from the Department of Children and Family Services of the provider's existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the existing or proposed program. Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

55 ILCS 5/3-3013 from Ch. 34, par. 3-3013

Amends the Counties Code. Provides that, if a drug overdose is determined to be the cause or a contributing factor in a death, the coroner or medical examiner shall report the following information, at a minimum, to the Department of Public Health: (i) if known or knowable (rather than if possible), the cause of the overdose; (ii) whether or not fentanyl was part or all of the consumed substance; (iii) if fentanyl is part of the consumed substance, what other substances were consumed, if known or knowable; and (iv) if fentanyl is part of the consumed substance, in what proportion was fentanyl consumed to other substance or substances, if known or knowable. Currently, the report only requires the coroner to report, if possible, the cause of the overdose. Provides that the coroner must also communicate whether there was a suspicious level of fentanyl in combination with other controlled substances present to all law enforcement agencies in whose jurisdiction the deceased's body was found within 24 hours after receipt of the toxicology results whether or not a cause of death has been determined.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

HB 01068

Rep. Rita Mayfield-Kelly M. Cassidy and Anne Stava-Murray

215 ILCS 5/236 from Ch. 73, par. 848

Amends the Illinois Insurance Code. Provides that an insurer or producer authorized to issue policies of insurance in the State may not make a distinction or otherwise discriminate between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based solely upon the basis that an applicant or insured has been convicted of a felony.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

No land conveyances are included in House Bill 1068, HA 2; therefore, there are no appraisals to be filed.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by HA 2, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

Representative Rita Mayfield
HB 01068 (CONTINUED)

HB 1068, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note, House Floor Amendment No. 2 (Department of Insurance)

If the Department of Insurance is responsible for fielding complaints of rate discrimination or denial, that would require personnel to field such calls. If an investigation of discrimination falls under the scope of the Department of Insurance, that would require personnel time as well. While it is not believed to require a singular dedicated employee, it will require additional hours and the possibility of increased staff depending on the influx of calls and complaints, but the impact is likely minimal.

Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)

There is no corrections population impact on the Department of Corrections.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1068, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of HB1068 as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 1068 HA #2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 01124 (CONTINUED)

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

Amends the School Code. With respect to the Reading Improvement Block Grant Program, removes language that provides that the State Board of Education may distribute an amount not to exceed 2% of the moneys appropriated for the Program for the purpose of providing teacher training and re-training in the teaching of reading. Provides that if the appropriation for the Program for a given fiscal year is less than \$15,000,000, then the State Board shall limit eligibility to certain school districts and shall impose additional eligibility criteria to limit the number of approved applicants to a cohort sufficient for each selected district to provide adequate training and ongoing coaching support to each teacher of students in grades K through 2 and special education teachers and evidence-based curriculum investments. Removes language that provides that programs provided with grant funds shall not replace quality classroom reading instruction. Provides that Program funds may be used for grades K through 6 to provide both evidence-based, high-quality core literacy curriculum materials that consider the unique needs of English learners for concurrent oral language practice and high-quality screening assessments designed to inform instruction in English language arts and literacy for students (instead of classroom reading materials for students). Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part I (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

New Act

Creates the 9-8-8 Suicide and Crisis Lifeline Task Force Act. Provides that the 9-8-8 Suicide and Crisis Lifeline Task Force shall be composed of 12 appointed members and the State's Chief Behavioral Health Officer, or the Officer's representative. Provides that the 2 Task Force co-chairs shall appoint experts to contribute and participate in the Task Force as nonvoting members. Provides for meetings of the Task Force and responsibilities relating to examination of the first year of implementation and use of the 9-8-8 Suicide and Crisis Lifeline in Illinois. Requires the development of an action plan with specified recommendations to be filed with the Governor and General Assembly by December 31, 2023. Includes legislative findings. Repeals the Act on January 1, 2025. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the short title of the Act to the 9-8-8 Suicide and Crisis Lifeline Workgroup Act. Provides that the Department of Human Services, Division of Mental Health, shall convene a working group that includes members of the General Assembly, representatives of State agencies, the State's Chief Behavioral Health Officer, the Director of the Children's Behavioral Health Transformation Initiative, service providers from the regional and statewide 9-8-8 call centers, representatives of organizations that represent people with mental health conditions or substance use disorders and that operate an Illinois social services helpline or crisis line other than 9-8-8, including veterans' crisis services, more than one individual with personal or family lived experience of a mental health condition or substance use disorder, experts in research and operational evaluation, and any other person or persons as determined by the Department of Human Services, Division of Mental Health. Requires the Department of Human Services, Division of Mental Health, to submit a report to the General Assembly regarding the Workgroup's findings related to the 9-8-8 call system. Modifies the Workgroup's responsibilities, including removing requirements to review the recommendations and decisions of previous State-led workgroups on transforming the mental health crisis response system and that the action plan must include a plan to sustainably fund a statewide 9-8-8 call center network in fiscal year 2025 and beyond. Provides that the Department of Human Services, Division of Mental Health's guidance for 9-1-1 PSAPs and emergency services dispatched through 9-1-1 PSAPs for coordinating the response to individuals who appear to be in a mental or behavioral health emergency while engaging in conduct alleged to constitute a non-violent misdemeanor shall promote diversion from further criminal justice involvement, including prioritization of referrals to a pre-arrest or pre-booking case management unit in any areas served by pre-arrest or pre-booking case management. Requires the Statewide Advisory Committee to continue to meet until the Act has been fully implemented and mobile mental health relief providers are available in all parts of Illinois, and allows the Division of Mental Health to reconvene the Statewide Advisory Committee at its discretion after full implementation of the Act. Provides that, if no person is willing or available to fill a member's seat for one of the required areas of representation on a Regional Advisory Committee, the Secretary of Human Services shall adopt procedures to ensure that a missing area of representation is filled once a person becomes willing and available to fill that seat. Requires the Division of Mental Health to establish a clear plan and regular courses of action to engage, recruit, and sustain areas of established participation. Requires each Regional Advisory Committee to identify regional resources and supports for use by the mobile mental health relief providers as they respond to the requests for services. Provides that each 9-1-1 PSAP and emergency service dispatched through a 9-1-1 PSAP must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once specified conditions are met, but not later than July 1, 2024 (rather than July 1, 2023). Requires the Division of Mental Health to submit a report to the General Assembly on or before July 1, 2023 and on a quarterly basis thereafter on its progress in implementing the Act. HB 01468 (CONTINUED)

Creates the Family Care Plans for Infants and Families Act. Requires the Department of Public Health, in consultation with specified agencies and entities, to develop guidelines for hospitals, birthing centers, medical providers, Medicaid managed care organizations, and private insurers on how to conduct a family needs assessment and create a family care plan for an infant who may exhibit clinical signs of withdrawal from a controlled substance or medication. Requires an infant's family care plan to include a family needs assessment performed by a social worker or any other appropriate and trained individual or agency. Requires a licensed health care professional or social worker to complete a family care plan that shall include supports and services to be provided to the infant and the infant's parent or caregiver. Contains provisions concerning information that must be provided under a family care plan; notice to the Department of Public Health when an infant's parent or caregiver fails to adhere to a family care plan; exceptions to a finding of nonadherence; educational materials and training for hospital employees and others on the difference between notification requirements to report the birth of a substance-exposed infant and notification requirements to report alleged child abuse and neglect; and other matters. Provides that notice to the Department of Public Health on the birth of a substance-exposed infant shall not be construed to mean that prenatal substance use is intrinsically considered child abuse or neglect. Amends the Abused and Neglected Child Reporting Act and the Juvenile Court Act of 1987. Removes from the definition of "neglected child" a newborn infant whose blood, urine, or meconium contains any amount of a controlled substance. Removes a provision requiring the Department of Children and Family Services to report to the State's Attorney whenever the Department receives a report that a newborn infant's blood contains a controlled substance. Effective immediately.

HB 04100 (CONTINUED)

Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. In a provision concerning written statements a credit services organization must provide to a buyer before executing a contract or other agreement with the buyer, provides that, if a credit services organization agrees to provide services on a periodic basis, the organization must provide a detailed written description of those services that explains how the buyer will be billed in substantially equal periodic payments at fixed time intervals. In a provision requiring each written contract to include certain statements and information, provides that: (i) a statement alerting the buyer of the cancellation notice form attached to the contract must be written in at least 10-point boldface type; and (ii) the written contract must include a complete and detailed description of the services to be performed by the credit services organization and the total cost to the buyer for such services, including a detailed description on how a buyer will be billed for services provided by the credit services organization on a periodic basis. Requires a credit services organization to obtain a surety bond and adhere to certain procedures. Provides that the surety bond shall be maintained for a period of 5 (rather than 2) years after the date that the credit services organization ceases operations. Makes a change to the definition of "credit services organization".

Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. In a provision concerning written statements a credit services organization must provide to a buyer before executing a contract or other agreement with the buyer, provides that, if a credit services organization agrees to provide services on a periodic basis, the organization must provide a detailed written description of those services that explains how the buyer will be billed in substantially equal periodic payments at fixed time intervals. In a provision requiring each written contract to include certain statements and information, provides that: (i) a statement alerting the buyer of the cancellation notice form attached to the contract must be written in at least 10-point boldface type; and (ii) the written contract must include a complete and detailed description of the services to be performed by the credit services organization and the total cost to the buyer for such services, including a detailed description on how a buyer will be billed for services provided by the credit services organization on a periodic basis. Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

20 ILCS 301/5-26 new

20 ILCS 301/15-10

Amends the Substance Use Disorder Act. Requires the Department of Human Services to (i) establish a new intervention license category entitled "OPS Harm Reduction Services", (ii) establish standards for entities to become licensed under the OPS Harm Reduction Services category, and (iii) create a licensing application process. Provides that, notwithstanding any other law, ordinance, or regulation, any entity licensed as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Requires the Department to make a determination as to whether to approve an entity's application for an OPS Harm Reduction Services license within 4 weeks after the date upon which the entity submitted its application to the Department. Requires the Department to help educate local communities and public and private entities about overdose prevention sites and the evidence regarding the benefits of overdose prevention sites. Requires entities approved to operate an overdose prevention site to, at a minimum, provide a hygienic space where participants may consume pre-obtained substances, maintain a supply of naloxone and oxygen on-site, employ staff trained to administer first aid to participants who are experiencing an overdose, provide secure hypodermic needle and syringe disposal services, encourage drug checking or the use of fentanyl test strips, and other services. Requires licensed entities to submit a report to the Department on the number of participants who have received or are receiving services at the overdose prevention site and other matters. Grants immunity from civil or criminal liability to specified persons. Preempts home rule powers.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Requires the Department of Human Services to develop a pilot program aimed at saving the lives of people who use substances. Provides that the program shall include the establishment of at least one overdose prevention site. Provides that the pilot overdose prevention sites shall be exempt from the Act's intervention licensure requirements for harm reduction services until the Department has adopted rules for harm reduction services. Provides that overdose prevention sites shall offer people who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations a safe space to use pre-obtained substances and to connect with community supports or other existing treatment and recovery programs, harm reduction services, and health care. Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

House Committee Amendment No. 2

Requires each pilot overdose prevention site to track and compile information on the success rate of persons who are referred to and receive additional treatment and recovery support services after utilizing the services provided at the overdose prevention site. Provides that each pilot overdose prevention site must monitor and collect the following data: (i) the number of persons who seek and receive services at the overdose prevention site; (ii) the number of persons identified in item (i) who are referred to other substance use and treatment and recovery support services offered by another provider; and (iii) the number of persons identified in item (ii) who receive and complete substance use treatment or a program of recovery support services offered by another provider. Requires each pilot overdose prevention site to compile the required data and information and submit an annual report on its findings to the Department of Human Services in a form and manner and on a date prescribed by the Department. Provides that all personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections. Makes technical changes.

New Act

Representative Anna Moeller
HB 01222 (CONTINUED)

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

Representative Anna Moeller
HB 02076

210 ILCS 45/3-304.2

Amends the Nursing Home Care Act. Requires the Department of Public Health to adopt criteria, by rule, to identify distressed facilities and to publish a list of distressed facilities quarterly. Provides that no facility shall be identified as a distressed facility unless it has committed a violation or deficiency that has harmed a resident. Removes existing language requiring the Department of Public Health to generate and publish quarterly a list of distressed facilities based on specified criteria.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions relating to designation of distressed facilities, provides that the Department of Public Health shall, by rule, create a timeframe and a procedure on how a facility can be removed from the list and the list may not contain more than 40 facilities per quarter. Provides that a facility has the right to appeal a designation and the procedure for appealing shall be outlined in rule. Removes provisions relating to temporary managers, and provides that a monitor (rather than a temporary manager) may apply to the Equity in Long-term Care Quality Fund on behalf of the facility for grant funds to implement the plan of improvement. Provides that the Department's mentor program is for owners and operators (rather than owners) of distressed facilities and that the program shall provide technical assistance and guidance to facilities. Provides that the Department's rule criteria for restricting the owners of a facility may not prohibit an owner who acquires ownership of a facility that is already on the distressed facility list before the owner's acquisition of the facility from acquiring additional skilled nursing facilities. Excludes from the provisions homes, institutions, or other places operated by or under the authority of the Illinois Department of Veterans' Affairs as those facilities are certified by the United States Department of Veterans Affairs and not the Centers for Medicare and Medicaid Services.

Provides that a person may not sell a clear aligner to a patient unless the person has received written or electronic confirmation from a dentist licensed in this State that the patient has received an intraoral or extraoral dental examination and has had a review of new or recently conducted x-rays, panoramic x-rays, computed tomography, bone imaging scans, or other appropriate diagnostic imaging sufficient to allow the dentist to detect conditions in the patient that would preclude or contraindicate the provision of safe orthodontic treatment. Amends the PFAS Reduction Act. Requires, on or before January 1, 2026, a manufacturer of a product sold, offered for sale, or distributed in the State that contains intentionally added PFAS to submit to the Environmental Protection Agency specified information. Allows the Agency to waive the submission of information required by a manufacturer or extend the amount of time a manufacturer has to submit the required information. Provides that, if the Pollution Control Board has reason to believe that a product contains intentionally added PFAS and the product is being offered for sale in the State, the Board may direct the manufacturer of the product to provide the Board with testing results that demonstrate the amount of each of the PFAS in the product. Provides that, if testing demonstrates that the product does not contain intentionally added PFAS, the manufacturer must provide the Board with a certificate attesting that the product does not contain intentionally added PFAS. Restricts the sale of specified products beginning January 1, 2025 if the product contains intentionally added PFAS. Allows the Agency to establish a fee payable by a manufacturer to the Agency upon submission of the required information to cover the Agency's reasonable costs to implement the provisions. Allows the Agency to coordinate with the Board, the Department of Agriculture, and the Department of Public Health to enforce the provisions. Sets forth products that are exempt from the provisions.

(Sen. Doris Turner-Lakesia Collins)

210 ILCS 45/3-401.1 from Ch. 111 1/2, par. 4153-401.1

Amends the Nursing Home Care Act. Adds (in addition to other criteria) that if a resident fails to pay or has a late payment and the facility follows the federal discharge and transfer requirements, including the issuance of a notice of facility-initiated discharge, then a facility that participates in the Medical Assistance Program may refuse to retain as a resident any person who resides in a part of the facility that does not participate in the Medical Assistance Program and who is unable to pay for his or her care in the facility without medical assistance.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Nursing Home Care Act. Provides that a facility of which only a distinct part is certified to participate in the Medical Assistance Program may refuse to retain as a resident any person who resides in a part of the facility that does not participate in the Medical Assistance Program and who is unable to pay for his or her care in the facility without Medical Assistance only if, in addition to meeting other requirements, in circumstances where the Medicare coverage is ending prior to the full 100-day benefit period, the facility provides notice to the resident and to the resident's representative that the resident's Medicare coverage will likely end in 5 days. Requires the notification to specify that the resident shall not be required to move until these 5 days are up. In cases where the facility is notified in a shorter time frame than 5 days by a managed care organization or the time frame is shorter than 5 days due to inaccurate reporting by an outside entity, requires the facility to provide a minimum of 2 days' notification.

305 ILCS 5/5-16.7
305 ILCS 5/5-18.5
305 ILCS 5/5-18.10

Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aids as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aids. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps; breast pump supplies; breastfeeding supplies; or feeding aids a beneficiary is entitled to receive under the program. Makes other changes. Effective January 1, 2026.

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Representative Anna Moeller
HB 05142 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine.
