Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

HB 05480

Rep. Eva-Dina Delgado-Anna Moeller-Nicholas K. Smith-Debbie Meyers-Martin
(Sen. Adriane Johnson)

105 ILCS 5/29-5

from Ch. 122, par. 29-5

Amends the Transportation Article of the School Code. In provisions claiming reimbursement by the State for transportation, provides that, for a State-authorized charter school, the State will pay the prorated allowable cost of transporting eligible pupils less the prior year prorated assessed valuation based on enrollment reported for the previous academic year in a State-authorized charter school proportionate to the State-authorized charter school's local school board's district enrollment for the previous academic year. Provides that a State-authorized charter school's qualifying rate shall be the same as the rate that applies to State-authorized charter school's local school board's district. Provides that if a State-authorized charter school does not have a Transportation Fund tax rate of at least .12% based upon the tax rate of its local school board's district, the State-authorized charter school shall be eligible to receive a reimbursement based on the proportion of students enrolled in the State-authorized charter school compared with the local school board's district enrollment.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Transportation Article of the School Code concerning reimbursement by the State for transportation. Provides that a State-authorized charter school shall be reimbursed by the State. Sets forth provisions concerning how much the State must pay. Provides that a charter school, other than a State-authorized charter school, that offers transportation to eligible students shall be eligible for reimbursement by the State at the same rate as its host district, unless the host district is the Chicago school district, in which case the charter school is eligible for reimbursement by the State at the rate set forth in the charter agreement. Sets forth how the charter school shall make a reimbursement claim. Provides that a charter school, other than a State-authorized charter school, that has previously received regular transportation grant funding from the State Board of Education or is in the process of receiving such funding approved in the same fiscal year as the effective date of the amendatory Act shall retain any awarded funding.

House Floor Amendment No. 3

Changes references from "a charter school, other than a State-authorized charter school" to "a State-authorized charter school".

Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Representative Bob Morgan
HB 04753 (CONTINUED)

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

215 ILCS 5/355d new

Amends the Illinois Insurance Code. Provides that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract.

House Committee Amendment No. 1

Adds reference to:

215 ILCS 5/355.4

Adds reference to:

215 ILCS 130/4003

from Ch. 73, par. 1504-3

Adds reference to:

215 ILCS 165/10

from Ch. 32, par. 604

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

Senate Committee Amendment No. 1

Provides that any contractual agreement entered into or amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that is in conflict with the provisions (instead of any contractual agreement that is in conflict with the provisions) or that purports to waive any requirement of the provisions is null and void.

Amends the Illinois Municipal Code. Provides that a municipality may not require a police officer to issue a specific number of citations, warnings, points of contact, stops, or arrests within a designated period of time (rather than may not require a police officer to issue a specific number of citations within a designated period of time). For purposes of evaluating a police officer's job performance, prohibits a municipality from comparing the average, percentage, or number of citations, warnings, points of contact, stops, or arrests to be issued on a daily, weekly, monthly, quarterly, or annual basis issued (rather than the number of citations issued) by the police officer to the average, percentage, or number of citations, warnings, points of contact, stops, or arrests issued by any other police officer who has similar job duties. Removes language allowing a municipality to evaluate a police officer based on the police officer's points of contact. Provides that quotas may not be used as a criterion for an officer's demotion or penalization, including unfavorable assignments, transfer, termination, constructive dismissal, promotion, or lack of earning of any benefit, including awarded time off. Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Provides that the reimbursement rate for sick days shall be determined by the Department by rule. Modifies and removes provisions relating to security restraints on a prisoner who is pregnant or in postpartum recovery. Adds provisions relating to annual reports by sheriffs documenting the number of pregnant prisoners in custody each year and the number of people who deliver or miscarry while in custody, relating to county department of corrections providing informational materials concerning the laws pertaining to pregnant prisoners to any pregnant or postpartum prisoner, and relating to supplemental nutrition for prisoners who are pregnant or lactating. Amends the Unified Code of Corrections and the County Jail Act making similar changes. In the Unified Code of Corrections, also adds language relating to restraints of committed persons who are pregnant. Amends the Health Care Violence Prevention Act. In provisions relating to pregnant prisoners, removes a limitation on the provisions to pregnant prisoners in the custody of the Cook County. Provides that restraint of a pregnant prisoner shall comply with specified provisions of the Counties Code, the Unified Code of Corrections, and the County Jail Act (rather than only the Counties Code provisions).

HB 05431 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

20 ILCS 3960/5.4

55 ILCS 5/5-21001 from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

Representative Yolonda Morris
HB 05537 (CONTINUED)

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Provides that, if a vehicle is equipped with functioning vehicle location tracking capability, but the capability is not currently activated, the manufacturer or the vehicle location vendor, shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the vehicle location service the vehicle is equipped with during the investigation of the vehicle being stolen in a vehicular hijacking incident or being used in the commission of kidnapping incident when law enforcement has confirmed that the situation involves a clear and present danger of death or great bodily harm to persons and requires disclosure of vehicle location information without delay. Provides that there shall be no cause of action or liability under the laws of this State for a vehicle manufacturer, its subsidiaries, or vendors, or any employee, officer, director, representatives, or contractor of the manufacturer, subsidiary, or vendor, that provides, or in good faith attempts to provide, information or assistance to a law enforcement agency, 9-1-1 call center, or designated dispatch center.

415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

HR 00700 (CONTINUED)

Urges the Illinois General Assembly to cap THC levels in marijuana by placing limits on the amount of THC contained in retail products, placing limits on the amount of cannabis a retailer can sell to an individual in a single transaction or over a period of time based on the amount of THC contained, and implementing a seed-to-sale tracking system, allowing regulatory agencies to view every gram of legal cannabis as it migrates through the supply chain, including monitoring ingredients added to cannabis that are eventually sold in retail stores.

HB 01124 (CONTINUED)

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

HB 04276 (CONTINUED)

Amends the Life Care Facilities Act. Provides that the financial disclosure provided to a resident must include, but is not limited to, fee schedules; fee adjustment policies; the history of fee increases; reserve funding provisions; expected source of funding for the development of new facilities; refund policies; and the status of resident claims on assets if the facility were to fall into bankruptcy or insolvency (instead of only a disclosure of short-term assets and liabilities). Provides that the required financial disclosures shall also be posted in a conspicuous location in the facility to which residents must have access.

House Committee Amendment No. 1

Adds reference to:

210 ILCS 40/5.1 new

Adds reference to:

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Amends the Life Care Facilities Act. Adds provisions requiring certain pre-sale disclosures. Specifies that if an unoccupied living unit is to be reappropriated and if there are beneficiaries awaiting an entry fee refund, then the beneficiaries of the entry fee refund must provide a signed acknowledgment of and agreement to the reappropriation.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 40/5.1 new

Adds reference to:

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Clarifies that the pre-sale disclosure requirements apply only to life care contracts that are subject to refund. Provides that, upon request, current residents, former residents awaiting refunds, and the estates of former residents awaiting refunds shall be provided with the most recent entry fee refund disclosures. Provides that, if a payee for an entry fee refund cannot be determined, for purposes of calculating the data required in the pre-sale disclosure, a refund shall be considered complete when a new resident occupies the living unit.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Provides that, for the purpose of determining the time a refund is due, the start time of the refund begins after the unit has been permanently vacated, returned to resalable condition, and the outgoing resident has a zero balance due, excluding outstanding balances to be payable by outside payors, including, but not limited to, Medicare, Medicaid, Managed Medicare, or within 30 days of the unit being permanently vacated and the outgoing resident has a zero balance due, whichever is shorter. Provides that refund delays due to estate factors outside of the community's control are not included in the outstanding refunds to be disclosed.

Senate Floor Amendment No. 2

Provides that failure to provide the pre-sale disclosure may result in a minimum monetary penalty of \$500 at the discretion of the Department of Public Health. Allows the Department to adopt rules to enforce the provisions and provide for factors to be considered when imposing monetary penalties and for repeat violations of the provisions.

Provides that, contingent upon adequate funding, the Department on Aging may provide funding for legal assistance for eligible adults. Provides that, for self-neglect cases, the Department shall establish mandatory standards for the provision of emergent casework and follow-up services to mitigate the risk of harm or death to an eligible adult. Provides that, upon receiving a report of self-neglect, a provider agency shall conduct an unannounced face-to-face visit at the residence of the eligible adult to administer an eligibility screening to quickly determine if the eligible adult is posing a substantial threat to himself or herself or to others. Sets forth the process and procedures for eligibility screenings. Provides that if an eligibility screening indicates self-neglect, the provider agency shall develop and implement within 5 business days a case plan for the eligible adult in consultation with any other appropriate provider of services. Requires the Department to establish, by rule, the time period within which an eligibility screening shall begin and within which a service plan shall be implemented. As to all investigations conducted under the Act, requires a provider agency to notify the eligible adult, the alleged abuser, and the reporter of abuse of the agency's final investigative findings. Makes changes to provisions concerning an eligible adult's capacity to consent to an eligibility screening. Changes the minimal number of times the Illinois Fatality Review Team Advisory Council must meet each calendar year. Makes other changes. Repeals a provision permitting the Department to use qualified volunteers to provide companion-type services to eligible adults. Amends the Open Meetings Act. Further amends the Adult Protective Services Act. Expands the definition of "abuse" to mean subjecting an eligible adult to an environment which creates a likelihood of harm to the eligible adult's health, physical and emotional well-being, or welfare. Makes changes to provisions concerning multi-disciplinary teams; face-to-face assessments conducted by provider agencies regarding reports of alleged or suspected abuse, abandonment, neglect, or financial exploitation; procedures on how to evaluate reports of self-neglect; final investigative reports; eligibility screenings for self-neglect; and other matters.

Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Provides that the amendatory Act may be referred to as the Residential Facility Safety and Support Act. Amends the Department of Human Services Act. In provisions concerning investigative reports issued by the Department of Human Services' Inspector General that pertain to allegations of resident abuse or neglect at State-operated mental health facilities, expands the list of reportable conduct to include material obstruction of an investigation by a facility employee. Requires the Inspector General to report to the Department of Public Health's Health Care Worker Registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report prepared by the Office of the Inspector General containing a substantiated allegation of material obstruction of an investigation. Defines "material obstruction of an investigation" and "presenting untruthful information". Amends the Mental Health and Developmental Disabilities Administrative Act. Prohibits mental health facilities or agencies that are licensed, certified, operated, or funded by the Department of Human Services from employing any person identified by the Health Care Worker Registry as having been the subject of a substantiated finding of physical abuse, sexual abuse, financial exploitation, egregious neglect, or material obstruction of an investigation (rather than abuse or neglect of a service recipient). Amends the Health Care Worker Background Check Act. Prohibits health care employers from hiring or retaining any individual in a position with duties involving direct care of clients, patients, or residents who has a finding by the Department of Human Services denoted on the Health Care Worker Registry of material obstruction of an investigation. Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

HB 02724

105 ILCS 5/10-22.6

from Ch. 122, par. 10-22.6

Amends the School Boards Article of the School Code. In provisions regarding suspension or expulsion of pupils, provides that, when expelling a student, the board shall notify the parents of the nature of the hearing and the option of retaining legal counsel. Provides that, when the suspension period is over, the pupil may return to school. Provides that for a pupil suspended due to gross disobedience or misconduct on a school bus, a written decision about whether the student can use a school bus shall be made within 15 days of the incident. Provides that a school shall offer written demonstration of remediation efforts excluding out of school suspensions. Provides that schools shall use data to track whether significant disproportionality based on race and ethnicity is occurring both in the State and in the district with respect to the incidence, duration, and type of disciplinary removals from placement, including suspensions and expulsions. Provides that, if it is determined that significant disproportionality is occurring, the school shall provide that determination for annual review and, if appropriate, revision of the policies, practices, and procedures used in disciplinary removals to ensure that the policies, practices, and procedures comply with the district's equity requirements. Provides that notice of suspension shall also include other evidence-based alternatives to suspension. Provides that when a student is suspended for more than 4 days, "appropriate and available support services" must include an option for automatically placing the student in an e-learning program or distance learning program through written materials if (1) the removal is for more than 5 consecutive school days; or (2) the child has been subjected to a series of removals that constitute a pattern, because the series of removals total more than 10 school days in a school year, because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals, and because of the effects of additional factors such as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

HB 02769

Rep. Cyril Nichols and Kam Buckner

305 ILCS 5/12-4.50

Amends the Illinois Public Aid Code. In provisions concerning the Department of Human Services' Health Local Food Incentives Program, expands the program to provide grants to farm stands, mobile markets, community-supported agriculture sites, grocery stores, and other direct food retailers that participate in the SNAP program (rather than providing grants to participating Illinois farmers markets and direct producer-to-consumer venues). Requires the Department to consult and cooperate with non-profit organizations to develop and implement rules to distribute grants under the program (rather than designating a single non-profit organization or agency to receive an annual \$500,000 grant to be distributed to participating Illinois farmers markets and direct producer-to-consumer venues). Effective July 1, 2023.

Requires the Department of Human Services to establish and administer an Inform House Grant Program to provide grants to community-based organizations that provide rehabilitative and educational services to youth involved in the criminal justice system and that have the accommodations to provide the following residential and academic services: (1) single occupancy rooms that are equipped with a private bathroom, bed, dresser, closet, window, and door without a lock; (2) a weekly meal plan consisting of 3 nutritionally balanced meals a day with a plant-based option; and (3) on-site educational programs and tutoring to assist youth in meeting the State criteria for high school graduation or for earning a high school equivalency certificate. Provides that the educational programs must include aptitude assessments to determine a youth's academic competency levels with follow-up course work that is tailored to the youth's specific academic needs. Requires the educational programs to also sufficiently prepare youth for postsecondary education by providing high-quality instruction in the following subject areas: (i) reading comprehension; (ii) writing and composition; (iii) mathematics; and (iv) any other subject areas to help youth eliminate any educational gaps or deficiencies. 5 ILCS 140/7
625 ILCS 5/2-130 new

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that each public university campus shall allow qualified full-time undergraduate students to apply for a grant, but may choose to allow qualified part-time undergraduate students who are enrolling in their final semester at the public university campus to also apply. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that each public university campus must report to the Illinois Student Assistance Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in the 2017-2018 academic year or the 2021-2022 academic year (instead of just the 2017-2018 academic year), not including the summer terms. Provides that, to be eligible to receive funds under the program, a public university campus may not decrease the total amount of non-loan financial aid it gives to undergraduate students, not including any funds received from the Commission or any funds used to match grant awards, to an amount lower than the amount reported for the 2017-2018 academic year or the 2021-2022 academic year, whichever is less (instead of just the 2017-2018 academic year), not including the summer terms. Removes the repealer provision. Effective immediately.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. 110 ILCS 690/35-88

Amends various Acts relating to the governance of public universities in Illinois. Makes changes to the provisions concerning the in-state tuition charge to require that, for tuition purposes beginning with the 2025-2026 academic year, the governing board of each public university, at a minimum, deem an individual, other than an excluded nonimmigrant alien, an Illinois resident, until the individual establishes a residence outside of this State, if the individual (1) attended a specified institution located in this State; (2) graduated from a high school or received the equivalent of a high school diploma in this State, attained an associate degree from a public community college, or completed a General Education Core Curriculum package under the Illinois Articulation Initiative Act for students transferring from a public community college; (3) is a current student of or is registering as an entering student in the university; and (4) attests, if the individual is not a citizen or a lawful permanent resident of the United States, that the individual will file an application to become a permanent resident of the United States at the earliest opportunity.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends various Acts relating to the governance of public universities in Illinois. Makes changes to the provisions concerning the in-state tuition charge to require that, beginning on July 1, 2026, an individual, other than an individual who has a non-immigrant alien status that precludes an intent to permanently reside in the United States, shall be charged tuition by the governing board of a public university at the same rate as an Illinois resident if the individual meets specified requirements. Provides that the governing board may adopt a policy to implement and administer the provisions and may adopt a policy for the classification of in-state residents, for tuition purposes, based on residency in this State. Provides that the General Assembly finds and declares that the provisions are a State law within the meaning of certain provisions of the United States Code.

- 775 ILCS 5/2-102 from Ch. 68, par. 2-102
- 815 ILCS 505/2BBBB new

Amends the Illinois Human Rights Act. Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or zip code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment. Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support the inclusion of diverse candidates in making employment decisions. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person or entity that relies either partially or fully on predictive data analytics to determine a consumer's creditworthiness may not allow the use of information about the consumer that assigns specific risk factors to the consumer's race or zip code resulting in rejection of credit or other adverse credit-related action to a consumer. Provides that a person or entity that uses predictive data analytics to determine the creditworthiness of more than 50 consumers in a calendar year who are State residents shall devise procedures to ensure that it does not consider information that assigns specific risk factors to a consumer's race or zip code when rejecting or taking other adverse action on a consumer's application for credit. Provides that a person or entity that violates the provisions commits an unlawful practice within the meaning of the Act.

House Committee Amendment No. 1

Makes changes in the definition of "predictive data analytics". Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's biographical information, such as race or zip code, (rather than may not consider the applicant's race or zip code) to reject an applicant in specified contexts.

House Floor Amendment No. 3

Provides that the definition of "predictive data analytics" means the use of automated machine learning algorithms for the purpose of statistically predicting outcomes (rather than statistically analyzing a person's behavior). Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support an inclusive and diverse workforce (rather than support the inclusion of diverse candidates in making employment decisions). Makes other changes.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Provides that the personal finance course requirement begins with pupils entering the 9th grade in the 2027-2028 (rather than 2024-2025) school year. Provides that the State Board of Education (instead of the school board) shall develop implementation guidelines and timelines to assist schools in implementing the personal finance course and determine what may be counted as a graduation requirement for this course.

HB 01375 (CONTINUED)

Replaces everything after the enacting clause. Amends the School Code. Provides that pupils in the public schools in grades 9 through 12 shall be taught and be required to study courses which include instruction in the area of financial literacy and consumer education in alignment with the Illinois Social Science Learning Standards for Economics and Financial Literacy or other relevant career and technical education learning standards, as appropriate (rather than courses which include instruction in the area of consumer education). Sets forth specified requirements for the instruction. Provides that the State Board of Education shall determine, subject to appropriation, how to prepare and make available instructional resources and professional learning opportunities for educators that may be used for the purpose of meeting the requirements (rather than devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction).

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.

Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

Representative Robert "Bob" Rita
HB 03940 (CONTINUED)

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

305 ILCS 5/5-4.2

Amends the Medical Assistance Article of the Illinois Public Aid Code. Sets forth the following findings of the General Assembly: (i) access to ground ambulance services improves health equity, increases access to quality care, and reduces health disparities in underserved communities; (ii) due to the underfunding of these critical services by the federal Medicare and Medicaid programs, there is a growing scarcity of non-emergency ground ambulance services in underserved, minority communities in this State; and (iii) the State has an interest in providing funding to non-emergency ground ambulance service providers in affected communities. Creates the Safety-Net Ambulance Sustainability Fund as a special fund in the State treasury. Provides that the Fund shall consist of any federal, State, or private moneys designated for deposit into the Fund and all interest earned on moneys in the Fund. Provides that moneys in the Fund, including all accrued interest thereon, shall only be used and disbursed by the Department of Healthcare and Family Services to support the operating expenses of nongovernmental ground ambulance providers in high-Medicaid communities. Provides that any amounts expended from the Fund that are later recouped by the Department following an audit or otherwise shall be returned to the Fund. Amends the State Finance Act. Adds the Safety-Net Ambulance Sustainability Fund to the list of special funds under the Act.

Amends the Illinois Human Rights Act. Provides that it is the public policy of the State to prevent discrimination based on family responsibilities in employment. Defines "family responsibilities" as an employee's actual or perceived provision of care to a family member, whether in the past, present, or future. Provides that it is a civil rights violation for: (1) any employer to refuse to hire, to segregate, to engage in harassment, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment on the basis of family responsibilities; (2) any employment agency to fail or refuse to classify properly, accept applications and register for employment referral or apprenticeship referral, refer for employment, or refer for apprenticeship on the basis of family responsibilities; and (3) any labor organization to limit, segregate, or classify its membership, or to limit employment opportunities, selection and training for apprenticeship in any trade or craft, or otherwise to take or fail to take, any action which affects adversely any person's status as an employee or as an applicant for employment or as an apprentice, or as an applicant for apprenticeships, or wages, tenure, hours of employment, or apprenticeship conditions on the basis of family responsibilities. Provides that it is a civil rights violation for a person, or for 2 or more persons, to conspire to retaliate against a person because he or she has opposed that which he or she reasonably and in good faith believes to be discrimination based on family responsibilities. Makes conforming changes.

105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Representative Sue Scherer
HB 02784 (CONTINUED)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

705 ILCS 505/11 from Ch. 37, par. 439.11
735 ILCS 5/2-702

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Representative Justin Slaughter
HB 01016 (CONTINUED)

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

HB 02214 (CONTINUED)

Amends the Administration Article of the Illinois Public Aid Code. Requires the Department of Human Services to track and collect data on the scope and frequency of SNAP benefits fraud in Illinois where a SNAP recipient's benefits are stolen from the recipient's electronic benefits transfer card by means of card skimming, card cloning, or some other similar fraudulent method. Requires the Department to specifically keep a record of every report made to the Department by a SNAP recipient alleging the theft of benefits due to no fault of the recipient, the benefit amount stolen, and, if practicable, how those stolen benefits were used and the location of those thefts. Requires the Department to report its findings to the General Assembly on a quarterly basis beginning in calendar year 2024. Provides that a SNAP recipient's personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections; and that each quarterly report shall be posted on the Department's official website. Provides that if the Department determines that a SNAP recipient has made a substantiated report of stolen benefits due to card skimming, card cloning, or some other similar fraudulent method, the Department shall refer the matter to the Attorney General and shall provide any assistance to the Attorney General in the prosecution of the alleged theft or fraud.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Administration Article of the Illinois Public Aid Code. Provides that subject to appropriation, the Department of Human Services shall replace federal Supplemental Nutrition Assistance Program (SNAP) benefits that were stolen from a recipient's electronic benefits transfer (EBT) card by means of card skimming, card cloning, or some other similar fraudulent method during the period January 1, 2022 through September 30, 2022 using State funds and by procedures that align with those set forth in the State Plan submitted to the U.S. Department of Agriculture's Food and Nutrition Service in accordance with the Consolidated Appropriations Act of 2023, Public Law 117-328. Provides that the Department of Human Services shall replace SNAP benefits that were stolen from a recipient's EBT card by means of the previously listed fraudulent methods during the period October 1, 2022 through September 30, 2024 under the State Plan submitted to and approved by the federal Food and Nutrition Service in accordance with the Consolidated Appropriations Act of 2023, Public Law 117-328. Provides that subject to appropriation, the Department of Human Services shall replace cash assistance provided under the Aid to the Aged, Blind or Disabled (AABD) program that was stolen from a recipient's EBT card by means of the previously listed fraudulent methods during the period January 1, 2022 through September 30, 2024. Permits the Department to adopt any rules necessary to implement these requirements, including rules on how to accept and substantiate recipient claims for stolen benefits. Provides that, where possible, the rules for accepting and substantiating claims shall be consistent with the State Plan for SNAP replacement submitted in accordance with the Consolidated Appropriations Act of 2023, Public Law 117-328. Requires the Department to track and collect data on the scope and frequency of SNAP benefits fraud in this State. Requires the Department to report its findings to the General Assembly on an annual basis beginning on January 1, 2024. Requires the Department to refer any matter concerning stolen SNAP benefits to the State's Attorney who has jurisdiction over the alleged theft or fraud.

Representative Justin Slaughter
HB 02557 (CONTINUED)

Creates the Farmer Equity and Innovation Act. Subject to appropriation by the General Assembly and approval by the University of Illinois Board of Trustees, creates the Farmer Equity and Innovation Center at the University of Illinois Extension. Provides that the Farmer Equity and Innovation Center shall: (1) ensure the continued economic viability of small-scale and moderate-scale diversified farms and ranches by creating a coordinated, statewide program to support the operators of those farms and ranches, prioritizing limited resource farmers and ranchers and socially disadvantaged farmers and ranchers; (2) establish a Farmer Equity and Innovation Program administered by the Center; (3) utilize the University of Illinois Small Farm Advisors, and require the University to increase its Small Farm Advisor positions to 6 in number; (4) include applied research on specified subjects concerning farming and ranching in Illinois, outreach regarding those subjects, and informational services on assistance provided by or through the Center or nonprofit organizations designated by the Center; (5) authorize the Program to include special training for new and beginning farmers and ranchers, with priority given to socially disadvantaged farmers and ranchers; and (6) conduct a study to determine and issue an annual report to the Governor and General Assembly containing a demographic breakdown of farmers and ranchers who participate in the Program.
