HB 02507 (CONTINUED)

Replaces everything after the enacting clause. Amends the Property Tax Code. In a Section granting a homestead exemption to veterans with disabilities, provides that property that is used as a qualified residence by a veteran who was a member of the United States Armed Forces during World War II is exempt from taxation regardless of the veteran's level of disability. Provides that a veteran who qualifies as a result of his or her service in World War II need not reapply for the exemption. Makes changes concerning service-connected disabilities. Makes changes concerning surviving spouses. Creates a homestead exemption for surviving spouses of fallen police officers and fallen rescue workers in an amount equal to 50% of the equalized assessed value of the property. Makes changes concerning the valuation of wastewater facilities. In provisions concerning the Historic Residence Assessment Freeze Law, provides that the fair cash value of the property shall be based on the final determination by the assessment officer, board of review, Property Tax Appeal Board, or court. Provides that, after the expiration of the 8-year valuation period, if the current fair cash value is less than the adjusted base year valuation, then the assessment shall be based on the current fair cash value. Makes changes concerning multi-township assessors. Provides that property that is used for a petroleum refinery may be the subject of a real property tax assessment settlement agreement among the taxpayer and taxing districts in which the property is situated. Amends the Park District Aquarium and Museum Act. Changes the Act's short title to the Park District and Municipal Aquarium and Museum Act. Replaces the Act's existing references to "city" and "cities" with "municipality" and "municipalities". Provides that the board of park commissioners or corporate authorities of a municipality (currently, only boards of park commissioners) may levy a tax if the park district or municipality has control of a public park or parks within the park district or municipality in which an aquarium or museum is maintained. Amends the Property Tax Extension Limitation Law of the Property Tax Code. Provides that extensions for levies made under the Park District and Municipal Aquarium and Museum Act are special purpose extensions and are not included in the park district's or municipality's aggregate extension. Creates an exemption for municipality-built homes. Provides that real property that is used to provide services requiring a license under the Nursing Home Care Act or under the Specialized Mental Health Facilities Act shall not be assessed at a higher level of assessment than residential property in the county in which the nursing home or mental health services facility is located. Effective immediately.

Governor Amendatory Veto Message

Recommends deleting from the Property Tax Code a portion of the Code concerning the assessment of real property that is located in a county with more than 3,000,000 inhabitants and used for a nursing home or specialized mental health facility. (Deletes reference to: 35 ILCS 200/10-805 new.)

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Requires the Board's report to be filed with the Executive Director of the Illinois Community College Board.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. With respect to the Section concerning reports on cost reduction in the Illinois Pension Code, provides that, on and after December 31, 2026, the provisions concerning the report on the amount by which costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the State Universities Retirement System are inoperative (instead of removing the provisions concerning the report). With respect to the Section concerning expenditure reporting in the Higher Education Veterans Service Act, corrects a reference to the Executive Director of the Illinois Community College Board.

Amends the Illinois Emergency Management Agency Act of the Civil Administrative Code of Illinois. In provisions regarding security improvements that assist a not-for-profit organization in preventing, preparing for, or responding to acts of terrorism, requires the Illinois Emergency Management Agency to determine that an organization is at high risk of being subject to threats, attacks, or acts of terrorism based on the organization's profile, ideology, mission, or beliefs in order to be eligible for assistance under the provisions. HB 02072 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that no dental carrier may automatically enroll a provider in a leased network without allowing any provider that is part of the dental carrier's provider network to choose to not participate by opting out. Provides that the provisions do not apply if access to a provider network contract is granted to a dental carrier or an entity operating in accordance with the same brand licensee program as the contracting entity or to a provider network contract for dental services provided to beneficiaries of specified health plans. Provides that any contract entered into or renewed on or after the effective date of the amendatory Act that allows the rights and obligations of the contract to be assigned or leased to another insurer shall provide for notice that informs each provider in writing via certified mail 60 days before any scheduled assignment or lease of the network to which the provider is a contracted provider (rather than shall provide notice of that assignment or lease within 30 days after the assignment or lease to the contracting dentist). Provides that a dental plan carrier shall provide a dental care provider with 100% of the contracted amount of the payment or reimbursement. Provides that fees incurred directly by a dental care provider from third parties related to transmitting an automated clearing house network claim, transaction management, data management, or portal services and other fees charged by third parties that are not in the control of the dental plan carrier shall not be prohibited by the provisions. New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Adds reference to:

740 ILCS 190/25

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. Provides that the dissemination of or a threat to disseminate a private sexual image is not a matter of public concern solely because the image is accompanied by a political message. Allows the court to award equitable relief, such as a temporary restraining order, preliminary injunction, or permanent injunction ordering the defendant to cease the display or disclosure of the image, to a prevailing plaintiff in an action brought under the Act.

New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

Amends the Abandoned Newborn Infant Protection Act. Provides that there is a presumption that by relinquishing a newborn infant in accordance with the Act, the infant's parent waives notice of any legal proceeding to terminate his or her parental rights. Requires a hospital to complete and submit, on behalf of a relinquished newborn infant, an application for medical assistance benefits provided under the Illinois Public Aid Code and to provide all available medical information and records regarding the infant to the Department of Children and Family Services and to the child welfare agency (rather than child-placing agency) that has accepted the referral of the infant. Provides that if the person (rather than parent) who relinquished a newborn infant, or a person claiming to be the parent of the infant, returns to reclaim the infant within 30 days (rather than 72 hours) after the infant was relinquished to a police station, the police station must inform such person of the name and location of the hospital to which the infant was transported. Makes changes to provisions concerning information for a relinquishing person on the relinquishment process; a child welfare agency's authority to make medical and health related decisions for a relinquished infant; notice to the infant's biological parents of legal proceedings to terminate their parental rights; the appointment of a guardian ad litem to represent the infant's interests; the alternative to relinquishment that results in the adoption of a relinquished infant under 30 (rather than 7) days of age; and other matters. Amends the Abandoned Newborn Infant Protection Act, the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing all references to "child placing agency" with "child welfare agency".

210 ILCS 40/5.2 new

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with the following changes. Clarifies that the pre-sale disclosure requirements apply only to life care contracts that are subject to refund. Provides that, upon request, current residents, former residents awaiting refunds, and the estates of former residents awaiting refunds shall be provided with the most recent entry fee refund disclosures. Provides that, if a payee for an entry fee refund cannot be determined, for purposes of calculating the data required in the pre-sale disclosure, a refund shall be considered complete when a new resident occupies the living unit.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Provides that, for the purpose of determining the time a refund is due, the start time of the refund begins after the unit has been permanently vacated, returned to resalable condition, and the outgoing resident has a zero balance due, excluding outstanding balances to be payable by outside payors, including, but not limited to, Medicare, Medicaid, Managed Medicare, or within 30 days of the unit being permanently vacated and the outgoing resident has a zero balance due, whichever is shorter. 765 ILCS 1075/35

Representative Jennifer Gong-Gershowitz
HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the engrossed bill with these changes, and makes the following changes. Restores the definition of "commercial purpose" to current law. Changes the definitions of "digital replica" and "person". Defines "service provider" and "unauthorized digital replica". Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. HB 03882 (CONTINUED)

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

105 ILCS 5/34-18.82 new

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

30 ILCS 559/20-15
30 ILCS 559/20-20

Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

Representative Jehan Gordon-Booth
HB 04148 (CONTINUED)

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

765 ILCS 1075/30

Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

House Committee Amendment No. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

Representative Jehan Gordon-Booth
HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the engrossed bill with these changes, and makes the following changes. Restores the definition of "commercial purpose" to current law. Changes the definitions of "digital replica" and "person". Defines "service provider" and "unauthorized digital replica". Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date. Makes other changes.

Rep. Angelica Guerrero-Cuellar-Jaime M. Andrade, Jr.
(Sen. Celina Villanueva, Laura M. Murphy, Ann Gillespie, Steve Stadelman and Suzy Glowiak Hilton)

105 ILCS 5/34-18.82 new

Amends the Chicago School District Article of the School Code. Provides that subsequent endorsements may be granted to employees licensed under the Educator Licensure Article of the Code through entitlement by the school district for specific content areas and grade levels, and authorizes the school district to entitle educators for subsequent endorsements on Professional Educator Licenses issued to applicants who meet all of the requirements for the endorsement or endorsements, including passing any required content area knowledge tests. Sets forth provisions concerning professional development sequences. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Provides that subsequent teaching endorsements may be granted to licensed employees for specific content areas and grade levels as part of a pilot program (instead of allowing subsequent endorsements to be granted to licensed employees through entitlement by the school district for specific content areas and grade levels); makes related changes. Requires the professional development sequences to be approved by the State Board of Education, in collaboration with the State Educator Preparation and Licensure Board (instead of approved by the State Educator Preparation and Licensure Board). Provides that the sequences shall (instead of may) include a comprehensive review. Removes the provision requiring the State Educator Preparation and Licensure Board to approve the sequences or, within 10 business days after the Board's meeting, return the sequences to the district with notes to amend the sequences. Provides that the State Board of Education shall adopt any rules necessary for implementation no later than June 30, 2024. Effective immediately.

Amends the Illinois Vehicle Code. Provides that a resident of this State who purchases a vehicle in another state and transports the vehicle to Illinois shall apply for registration and certificate of title as soon as practicable, but in no event less than 45 days after the purchase of the vehicle. Provides that the owner of such a vehicle shall display any temporary permit or registration issued in accordance with the provisions of the Code. Restricts the issuance of a temporary registration permit to the holder of a valid Illinois driver's license.

House Floor Amendment No. 1

In provisions concerning vehicles purchased out-of-state, requires that person to apply for registration and certificate of title no more than 45 days (rather than no less than 45 days) after the purchase of the vehicle. Provides that if an Illinois motorist who purchased a vehicle from an out-of-state licensed dealer is unable to meet the 45-day deadline due to a delay in paperwork from the seller, that motorist may obtain an Illinois temporary registration plate with: (i) proof of purchase; (ii) proof of meeting the Illinois driver's license or identification card requirement; and (iii) proof that Illinois title and registration fees have been paid. If fees have not been paid, provides that the motorist may pay the fees in order to obtain the temporary registration plate. Changes provisions concerning temporary permits to provide that the Secretary of State may grant a temporary permit or placard to operate a vehicle for which application for registration and certificate of title has been made where such application is made by the holder of a valid Illinois driver's license or identification card, or equivalent documentation (rather than made by the holder of a valid Illinois driver's license), and accompanied by the proper fee, pending action upon the application by the Secretary of State. Provides that If the person making the application is primarily a resident of a state other than the State of Illinois, that person shall provide a valid driver's license or identification card, or equivalent documentation, of that primary state of residence, accompanied by the proper fee, and one or more of the following: (i) proof of ownership or lease agreement for a residence in Illinois; (ii) proof of enrollment in an Illinois college, university, or other institution of higher education; or (iii) proof of active duty military status.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.

Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

20 ILCS 301/5-26 new

20 ILCS 301/15-10

Amends the Substance Use Disorder Act. Requires the Department of Human Services to (i) establish a new intervention license category entitled "OPS Harm Reduction Services", (ii) establish standards for entities to become licensed under the OPS Harm Reduction Services category, and (iii) create a licensing application process. Provides that, notwithstanding any other law, ordinance, or regulation, any entity licensed as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Requires the Department to make a determination as to whether to approve an entity's application for an OPS Harm Reduction Services license within 4 weeks after the date upon which the entity submitted its application to the Department. Requires the Department to help educate local communities and public and private entities about overdose prevention sites and the evidence regarding the benefits of overdose prevention sites. Requires entities approved to operate an overdose prevention site to, at a minimum, provide a hygienic space where participants may consume pre-obtained substances, maintain a supply of naloxone and oxygen on-site, employ staff trained to administer first aid to participants who are experiencing an overdose, provide secure hypodermic needle and syringe disposal services, encourage drug checking or the use of fentanyl test strips, and other services. Requires licensed entities to submit a report to the Department on the number of participants who have received or are receiving services at the overdose prevention site and other matters. Grants immunity from civil or criminal liability to specified persons. Preempts home rule powers.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Requires the Department of Human Services to develop a pilot program aimed at saving the lives of people who use substances. Provides that the program shall include the establishment of at least one overdose prevention site. Provides that the pilot overdose prevention sites shall be exempt from the Act's intervention licensure requirements for harm reduction services until the Department has adopted rules for harm reduction services. Provides that overdose prevention sites shall offer people who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations a safe space to use pre-obtained substances and to connect with community supports or other existing treatment and recovery programs, harm reduction services, and health care. Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

House Committee Amendment No. 2

Requires each pilot overdose prevention site to track and compile information on the success rate of persons who are referred to and receive additional treatment and recovery support services after utilizing the services provided at the overdose prevention site. Provides that each pilot overdose prevention site must monitor and collect the following data: (i) the number of persons who seek and receive services at the overdose prevention site; (ii) the number of persons identified in item (i) who are referred to other substance use and treatment and recovery support services offered by another provider; and (iii) the number of persons identified in item (ii) who receive and complete substance use treatment or a program of recovery support services offered by another provider. Requires each pilot overdose prevention site to compile the required data and information and submit an annual report on its findings to the Department of Human Services in a form and manner and on a date prescribed by the Department. Provides that all personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections. Makes technical changes.

Amends the Gender Violence Act. Defines "employee", "employer", "work environment", and "workplace". Changes the definition of "gender-related violence" to include domestic violence. Provides that an employer shall be liable only for gender-related violence committed in the work environment by an employee or agent of the employer. Provides specific instances in which an employer is liable for gender-related violence. Provides that no person shall have the power to waive any provisions of the Act as part of a dissolution of marriage agreement, dissolution of civil union agreement, dissolution of domestic partnership agreement, or custody agreement. Makes corresponding changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Gender Violence Act. Defines "employee", "employer", and "workplace". Changes the definition of "gender-related violence" to also mean domestic violence. Provides that an employer is only liable for gender-related violence committed in the work environment by an employee or agent of the employer. Provides that liability only extends to gender-related violence that occurs while the employee was directly performing the employee's job duties and the job duties were the proximate cause of the injury, or while agent of the employer was directly involved in the performance of the contracted work and the contracted work was the proximate cause of the injury. Provides that an employer is liable for gender-related violence if the employer: failed to supervise, train, or monitor the employee who engaged in the gender-related violence; or failed to investigate complaints or reports directly provided to a supervisor, manager, owner, or another person designated by the employer of similar conduct by an employee or agent of the employer and the employer failed to take remedial measures in response to the complaints or reports. Requires an action against an employer for gender-related violence to be commenced within 4 years after the cause of action accrued, except that if the person entitled to bring the action was a minor at the time the cause of action accrued, then within 4 years after the person reaches the age of 18. Provides that no person has the power to waive any provision of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement.

House Floor Amendment No. 2

Deletes reference to:

740 ILCS 82/25 new

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Provides that an employer is only liable for gender-related violence committed in the workplace (rather than work environment) by an employee or agent of the employer when the interaction giving rise to the gender-related violence arises out of and in the course of employment with the employer. Provides that nothing in the Act precludes a person who has been the victim of gender-related violence from pursuing any other right or cause of action created by statute or common law. Removes language providing that no person has the power to waive any of the provisions of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement. Makes other changes.

735 ILCS 5/9-121

735 ILCS 5/9-123 new

815 ILCS 505/2z.6 new

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

New Act

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Provides that nothing in the Act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers or affect the validity or change the terms of bona fide collective bargaining agreements in force on the effective date of the Act. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the transportation benefits program, removes a provision that allows employees to use pre-tax dollars for the purchase of qualified parking. Provides that the Regional Transportation Authority shall make publicly available a searchable map (rather than database) of addresses that are located within one mile of fixed-route transit service (rather than regularly scheduled transit service). Effective January 1, 2024.

410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Representative Will Guzzardi
HB 02086 (CONTINUED)

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Illinois Human Rights Act. Provides that it is the public policy of the State to prevent discrimination based on family responsibilities in employment. Defines "family responsibilities" as an employee's actual or perceived provision of care to a family member, whether in the past, present, or future. Provides that it is a civil rights violation for: (1) any employer to refuse to hire, to segregate, to engage in harassment, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment on the basis of family responsibilities; (2) any employment agency to fail or refuse to classify properly, accept applications and register for employment referral or apprenticeship referral, refer for employment, or refer for apprenticeship on the basis of family responsibilities; and (3) any labor organization to limit, segregate, or classify its membership, or to limit employment opportunities, selection and training for apprenticeship in any trade or craft, or otherwise to take or fail to take, any action which affects adversely any person's status as an employee or as an applicant for employment or as an apprentice, or as an applicant for apprenticeships, or wages, tenure, hours of employment, or apprenticeship conditions on the basis of family responsibilities. Provides that it is a civil rights violation for a person, or for 2 or more persons, to conspire to retaliate against a person because he or she has opposed that which he or she reasonably and in good faith believes to be discrimination based on family responsibilities. Makes conforming changes.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth legislative findings. Provides that the Director of Healthcare and Family Services or Director of Central Management Services shall (rather than may) notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

House Floor Amendment No. 2

Makes a change in the definition of "price gouging".

Senate Committee Amendment No. 1

Provides that if the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the provisions, then the Attorney General may (rather than shall) send a notice to the manufacturer or the wholesale drug distributor requesting a statement. Removes language providing that the Director of Central Management Services shall notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the State health plan that amounts to price gouging.

New Act

Representative Matt Hanson
HB 02068 (CONTINUED)

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Amends the Illinois Public Labor Relations Act. Specifies the annual reporting requirements of the Illinois Labor Relations Board and Illinois Educational and Labor Relations Board. Provides that the Board shall maintain the following schedule upon the filing of unfair labor practice charges filed under this Act: (i) complete the investigation and issue a complaint, dismissal or deferral within 30 days of the charges being filed; (ii) if a complaint is issued, a hearing shall be scheduled to begin within 30 days of its issuance; (iii) post-hearing briefs shall be issued within 30 days of the close of the hearing; and (iv) recommended decisions and orders shall be issued within 45 days of the submission of post-hearing briefs.

Amends the Illinois Vehicle Code. Provides that the driver of a vehicle that is in any manner involved in any of the following types of crashes within the State shall, if no police officer is present, give notice of the crash by the fastest available means of communication to the specified law enforcement agency: (1) a crash that results in injury to or death of any person; (2) a crash that results in damage to the property of any person in excess of a specified amount; (3) a crash involving a school bus if the crash is caused by a collision, a sudden stop, or otherwise, and the crash results in any property damage, personal injury, or death; or (4) a crash that occurs within 50 feet of a school bus and results in personal injury to or death of any person who is awaiting or preparing to board the school bus or immediately after the person exits the school bus. Requires the Secretary of State to suspend the driver's license or non-resident's driving privileges of any person who violates those provisions. Provides that every law enforcement agency shall, by February 1 (rather than March 1) with regard to data collected during July through December of the previous calendar year, compile the data on the standardized law enforcement data compilation form provided by the Department of Transportation and transmit the data to the Department. Amends the DUI Prevention and Education Commission Act. Provides that moneys in the DUI Prevention and Education Fund shall be distributed by the Department with approval (rather than guidance) from the DUI Prevention and Education Commission for crash victim programs and materials, impaired driving prevention programs, law enforcement support, and other DUI-related programs (rather than as grants for those purposes). Makes related changes in the powers of the Commission.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

HB 04475 (CONTINUED)

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. HB 01569 (CONTINUED)

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

HB 03097 (CONTINUED)

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. HB 03882 (CONTINUED)

Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Makes conforming changes in those Acts and the Consular Identification Document Act and the Election Code. Effective January 1, 2024.

House Floor Amendment No. 1

Deletes reference to:

15 ILCS 335/8

Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

Amends the Board of Higher Education Act. Provides that, subject to appropriation, the Board of Higher Education shall create a student teaching stipend program to alleviate the financial burden of student teaching and to encourage students to pursue teaching careers to alleviate this State's teacher shortage. Provides that to participate in the stipend program, an eligible student must be placed as a student teacher no later than June 1, 2025 or no later than June 1 each year thereafter. Provides that an educator preparation program shall notify the Board of all eligible students who qualify for the stipend program by July 1, 2025 and no later than July 1 each year thereafter and all eligible students shall be participants in the stipend program. Provides that no later than August 1, 2025 and no later than August 1 each year thereafter, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible student a stipend of up to \$10,000 per semester for up to 2 consecutive semesters, plus additional funds to pay the direct costs of operating the stipend program. Provides that the educator preparation program shall distribute stipend funds using the standard methods for allocating State-based financial aid or as wages for employment to each eligible student in monthly installments. Sets forth additional provisions concerning the distribution of funds. Provides for rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Removes provisions specifying notification deadlines. Sets forth provisions concerning the distribution of funds to eligible cooperating teachers. Provides that an educator preparation program may not prohibit an eligible student or an eligible cooperating teacher from participating in the stipend program or receiving a stipend from the stipend program. In provisions requiring an additional employer contribution for certain salary increases greater than 6%, provides that the System shall exclude any stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Makes changes concerning how funds are to be distributed under the student teaching stipend program. Provides that the Board of Higher Education shall disburse funds to the State Board of Education, who shall disburse funds to each school district or early childhood education provider employing an eligible cooperating teacher (instead of having the Board of Higher Education disburse funds to educator preparation programs employing an eligible cooperating teacher). Makes related changes. Makes changes concerning when the report shall be completed. Specifies that the Open Meetings Act does not apply to collective bargaining negotiations and grievance arbitration proceedings under the Act. Sets forth definitions. House Floor Amendment No. 1

Representative Elizabeth "Lisa" Hernandez
HB 04148 (CONTINUED)

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

5 ILCS 100/10-25.1 new
5 ILCS 100/10-70 from Ch. 127, par. 1010-70

Amends the Illinois Administrative Procedure Act. Specifies that the notice in contested case hearings must include an enclosure that notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice. Provides that an administrative law judge has the duty to inquire and determine whether a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing. Authorizes any self-represented litigant, witness, or indigent person to request, at any time during the course of a hearing, interpretive assistance needed to participate in or understand the hearing. Provides that, if interpretive assistance is requested by a self-represented litigant, a witness, or an indigent person or if interpretive assistance is determined to be necessary by the administrative law judge, the administrative agency must appoint a foreign language interpreter at no cost to the person in need of the assistance for use in a substantive hearing. Authorizes an administrative agency to provide interpretive assistance during a nonsubstantive hearing through use of an interpreter who is not a foreign language interpreter, provided the administrative law judge examines the interpreter for competency for the purposes of the nonsubstantive hearing. Requires all persons appointed to provide interpretive assistance in substantive and nonsubstantive hearings to make certain affirmations. Contains provisions concerning waiver of these language assistance provisions.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to person in need of interpretive assistance to references to limited English proficient person. In a provision regarding rules establishing procedures for administrative hearings, provides that rules may include procedures for requesting and receiving language access services (rather than language assistance). Provides that notice for a hearing shall include an enclosure written in several specified languages which notifies the recipient of the ability for a party or their agent to request interpretive assistance to participate in or understand the hearing and to receive language access services for translating the contents of the notice (rather than which notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice). Defines "language access services" and "limited English proficient person". Removes a provision that any self-represented litigant, witness, or indigent person has the right to request interpretive assistance. Provides that a self-represented litigant, a witness, or a litigant who is an indigent person has the right to request interpretive assistance to participate in or understand a hearing at any time during the course of the hearing. Provides that an administrative law judge shall inquire if an individual is in need of interpretive assistance to participate in or understand the hearing if the judge reasonably believes the person is a limited English proficient person (rather than an administrative law judge has the duty to inquire and determine if a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing). Effective July 1, 2025.

House Committee Amendment No. 2

Representative Elizabeth "Lisa" Hernandez
HB 05172 (CONTINUED)

In provisions regarding contested cases, notice requirements, and administrative hearings, provides that language access services and interpretive assistance shall be, at a minimum, in accordance with the Illinois Administrative Procedure Act, and as otherwise provided for in any law or rule governing an agency's contested hearings.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Urges the President of the United States to authorize the DHS Secretary to establish a program to evaluate parole and work authorization on a case-by-case basis for long-term immigrant workers who are undocumented and residing in Illinois to address this State's critical need for labor and to secure the family life for tens of thousands of mixed status families in Illinois. Urges the Governor to work with federal partners to urge, by all possible means, the establishment of such a parole and work authorization program for the long-term immigrant population who are undocumented and residing in Illinois.

Urges the Governor to work with federal partners to urge, by all possible means, the establishment of such a parole and work authorization program for the long-term immigrant population who are undocumented and residing in Illinois.

Rep. Lindsey LaPointe-Will Guzzardi-Mary Beth Canty-Lilian Jiménez-Norma Hernandez
(Sen. Laura Fine, Robert F. Martwick, Mary Edly-Allen, Laura M. Murphy and Rachel Ventura)

New Act

Representative Norma Hernandez
HB 03230 (CONTINUED)

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

20 ILCS 505/17a-11 rep.

Amends the Children and Family Services Act. HB 04896 (CONTINUED)

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

New Act

Creates the Tenants' Right to Organize Act. Provides that tenants receiving tenant-based rental assistance in the form of partial rent subsidy from any county, municipal, State, or federal source have the right to establish, operate, and participate in a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development. Provides that tenants may not be retaliated against for asserting these rights. Requires housing authorities to: (i) recognize legitimate tenant organizations; (ii) solicit comments from all legitimate tenant organizations not less than once each year; and (iii) meaningfully respond in writing no later than 60 days after receiving a comment from a legitimate tenant organization. Requires each owner of a rental housing development that receives federal low-income housing tax credits (LIHTC) to: (1) recognize legitimate resident organizations; and (2) not retaliate against any tenant because of his or her association with a legitimate resident organization. Requires housing authorities and owners of LIHTC rental housing developments to allow tenants and tenant organizers to conduct, without having to obtain prior permission, certain activities related to the establishment or operation of a tenant organization, including distributing leaflets, convening regularly scheduled tenant organization meetings in a space on-site and accessible to tenants, and other activities. Provides that if a housing authority or owner of a LIHTC rental housing development takes adverse action against a tenant who is a member of a tenant organization, there shall be a rebuttable presumption that such adverse action is an act of retaliation. Requires the Illinois Housing Development Authority to establish enforcement protocols and annually submit reports to the General Assembly with data summarizing the number of outstanding tenant complaints and the average close time for tenant complaints. Provides that implementation of the Act is contingent on the enactment of the federal Tenants' Right to Organize Act.

HB 00676 (CONTINUED)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.
