Senate Committee Amendment No. 2

Adds reference to:

305 ILCS 5/5-16.8a new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed before January 1, 2026 (rather than January 1, 2025) shall provide coverage for medically necessary continuous glucose monitors for individuals who are diagnosed with any form of diabetes mellitus and require insulin for the management of their diabetes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual if specified requirements are met and the policy is in full alignment with Medicare. Sets forth eligibility requirements and requirements for covered glucose monitors. Provides that the coverage of one glucose monitor shall be provided with a deductible, coinsurance, copayment, or any other cost-sharing requirement. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall adopt rules to implement the changes made by the amendatory Act. Specifies that the rules shall, at a minimum contain certain provisions concerning the ordering provider, continuous glucose monitors not being required to have certain functionalities, eligibility requirements for a beneficiary, and not requiring prior authorization. Effective July 1, 2024.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by Senate Amendment No. 2, with the following changes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage of a one-month supply of continuous glucose monitors, including one transmitter if necessary, as provided under the provisions (instead of on the coverage of continuous glucose monitors). Effective July 1, 2024.

House Floor Amendment No. 2

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual if certain requirements are met (rather than if the policy is in full alignment with Medicare and certain requirements are met). In provisions of the Illinois Public Aid Code concerning rules for continuous glucose monitor coverage, provides that an ordering provider is not required to obtain continuing medical education in order to prescribe a continuous glucose monitor. Removes language providing that a beneficiary is not required to obtain prior authorization for coverage for a continuous glucose monitor and that coverage is continuous once the continuous glucose monitor is prescribed. Provides that prior authorization is required for a prescription of a continuous glucose monitor. Provides that once a continuous glucose monitor is prescribed, the prior authorization shall be approved for a 12-month period.

Amends the Law Enforcement Officer-Worn Body Camera Act. Provides that a law enforcement officer is "in uniform" only when primarily assigned to respond to law enforcement-related encounters or activities. Adds a definition for "no expectation of privacy". Provides that, on and after January 1, 2026, an officer no longer needs to provide notice of recording to a person that has a reasonable expectation of privacy. Modifies when recordings may be used to discipline law enforcement officers. Provides that recordings are only subject to disclosure under the Freedom of Information Act when a recording is flagged due to the filing of a complaint, discharge of a firearm, use of force, arrest or detention, or resulting death or bodily harm and the subject of the encounter has a reasonable expectation of privacy at the time of the recording (removing other exceptions). Makes other changes. Amends the Law Enforcement Camera Grant Act. Provides that grant funds may be used for the entire costs of the officer-worn body camera program and contract, including hardware, video management, software and licenses, accessories, storage, maintenance costs warranty, training, charging docks and data transfer devices and systems, and mobile data costs. Removes a requirement to include criminal and other violations and civil proceedings in which the cameras were used in reports that must be provided by a law enforcement agency receiving a grant for in-car video cameras or for officer-worn body cameras. Amends the Criminal Code of 2012 and Freedom of Information Act making conforming changes. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

735 ILCS 5/15-1503

from Ch. 110, par. 15-1503

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: In a provision regarding notice of foreclosure, removes language providing that, with respect to residential real estate, a copy of the notice of foreclosure shall be sent by first class mail, postage prepaid, to the municipality within the boundary of which the mortgaged real estate is located, or to the county within the boundary of which the mortgaged real estate is located if the mortgaged real estate is located in an unincorporated territory. Changes the definition of "COVID-19 emergency and economic recovery period" to mean the period beginning on March 9, 2020, when the Governor issued the first disaster proclamation for the State to address the circumstances related to COVID-19 and ending on December 31, 2021 (rather than March 31, 2023). Provides that if an action was filed during the COVID-19 emergency and economic recovery period because it qualified under an exception to a moratorium, the action is not subject to being sealed. Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. 20 ILCS 2630/3.2

from Ch. 38, par. 206-3.2

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Provides that nothing in the provisions require a delay in notification of law enforcement by the Department of Children and Family Services, Adult Protective Services, or any other agency receiving a mandated report.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the language applies to sexual assault survivors age 13 or older (rather than all sexual assault survivors). In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the health care provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the health care provider asked the survivor if the survivor has been threatened. Amends the Illinois Torture Inquiry and Relief Commission Act. In the definition of "claim of torture": provides that it also means a third party was tortured into implicating a person for the crime for which the person was convicted; provides that it also means a witness statement was used to obtain the conviction; and removes language providing that the allegations of torture occur within a county of more than 3,000,000 inhabitants. Defines "torture" as: any act by which severe pain or suffering, whether physical or mental, is intentionally inflicted on a person; any pain or suffering that is intentionally inflicted on a person for such purposes as obtaining from that person a confession or information about a third party; any pain or suffering that is intentionally inflicted on a person for purposes of punishing a suspected act by that person; or any intimidation or coercion for any reason based on discrimination of any kind. Requires the Torture Inquiry and Relief Commission to determine the resources necessary to assess the credibility or lack thereof of each claim within 2 years after the date upon the claim was received, and to make a report of its findings to the Governor and the General Assembly. Repeals a provision providing that the Act applies to claims of torture filed not later than 10 years after the effective date of the Act (August 10, 2009). Makes conforming changes.

Amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Modifies factors used by a municipality to determine if an area is a blighted area or a conservation area to be included in the area of a redevelopment project area when establishing the area. Provides that a new redevelopment project area shall have a completion date no later than December 31st of the 20th year after the ordinance was adopted (rather than the 23rd year), and provides that the redevelopment project area may be extended, with the approval of each member of the joint review board, only 2 additional years (rather than extended to the 35th year and extended again to the 47th year). Provides that a municipality may not approve redevelopment project areas or expansions of redevelopment project areas that overlap with an existing redevelopment project area. Provides that 10% of moneys deposited into the special tax allocation fund shall be transferred to the local chamber of commerce or chambers of commerce representing the redevelopment project area for the chamber or chambers of commerce to use for grants to businesses that employ fewer than 50 full-time employees if the business moves within the redevelopment project area. Provides that moneys transferred to a chamber of commerce not used or pledged within one year of transfer of the moneys shall be returned to the municipality and are designated surplus funds of the redevelopment project area. Adds nonvoting members to joint review boards. Provides that, if a school district or community college district does not approve of the creation of a redevelopment project area, then the portion of the taxes attributable to the increase in the current equalized assessed valuation which would be payable to the nonconsenting district shall be paid to that district. Effective immediately.

Amends the Juvenile Court Act of 1987. Provides that the court shall not order any assessments, such as fees, fines, or administrative costs, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, against a minor subject to the Minors Requiring Authoritative Intervention Article, Addicted Minors Article, or Delinquent Minors Article of the Act or against the minor's parent, guardian, or legal custodian. Provides that, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, any judgment, order, agreement, or other legally enforceable encumbrance directing a minor or his or her parent, guardian, or legal custodian to pay assessments prior to the effective date of the amendatory Act is null, void, and not collectible if there remains a balance due, including interest, penalties, or collection fees. Provides that, if the court orders community service for the minor, community service shall not interfere with the school hours, school-related activities, or work commitments of the minor or the minor's parent, guardian, or legal custodian. Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. Makes other changes. Amends various other Acts to make conforming changes. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of the minor's continuance under supervision, the court shall not preclude the minor from receiving continuance under supervision based on the inability to pay. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of probation or conditional discharge, the court shall not preclude the minor from receiving probation, conditional discharge, or supervision based on the inability to pay. Provides that inability to pay shall not be grounds to object to the minor's placement on a continuance under supervision. Provides that the inability of a minor, or minor's parent, guardian, or legal custodian, to cover the costs associated with an appropriate sentencing order shall not be the basis for the court to enter a sentencing order incongruent with the court's findings regarding the offense on which the minor was adjudicated or the mitigating factors. Effective immediately.

SB 01463 (CONTINUED)

Provides that, except for restitution and assessments issued for adjudications of traffic, boating, or fish and game law, or a municipal or county ordinance, fines and assessments, such as fees or administrative costs, shall not be ordered or imposed on the following individuals as of the effective date of the amendatory Act: (1) a minor subject to the Minors Requiring Authoritative Intervention, Addicted Minors, or Delinquent Minors Articles of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian; or (2) a minor under the age of 18 transferred to adult court or excluded from juvenile court jurisdiction under the delinquency Article of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian. Correctional Note (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Fiscal Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, the legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not create a State Mandate under the State Mandates Act.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1463, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1463, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1463, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1463, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not pre-empt home rule authority.

Replaces everything after the enacting clause. Amends the Illinois Power Agency Act. Changes the definitions of "community renewable generation project", "distributed renewable energy generation device", and "renewable energy resources". Defines "hydropower", "modernized", and "retooled". Provides that the Illinois Power Agency is authorized to oversee the procurement by electric utilities of renewable energy credits from newly modernized or retooled hydropower dams or dams that have been converted to support hydropower generation. Provides that in developing the long-term renewable resources procurement plan: the Agency shall also consider other approaches, in addition to competitive procurements, to procure renewable energy credits from new and existing hydropower facilities to support the development and maintenance of these facilities; and the Agency shall explore options to convert existing dams but shall not consider approaches to develop new dams where they do not already exist. Provides that on and after the effective date of the amendatory Act, for all procurements of renewable energy credits from hydropower facilities, the Agency shall establish contract terms designed to optimize existing hydropower facilities through modernization or retooling and establish new hydropower facilities at existing dams, and that such procurements shall prioritize projects located in or adjacent to designated environmental justice communities or in projects located in units of local government with median incomes that do not exceed 82% of the median income of the State. Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.

Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

730 ILCS 5/5-4.5-120 new

Amends the Unified Code of Corrections. Provides that any person imprisoned in the penitentiary may, after serving 10 years or more of his or her sentence or cumulative sentences, submit a petition for sentencing review in the circuit court of the county in which he or she was originally sentenced. Provides that upon receipt of the petition and assignment to a judge, the judge shall determine within 30 days if the petitioner has sought filing in the appropriate court and has served 10 or more years of his or her sentence. If the court determines that either of those factors are not satisfied, it shall dismiss the petition and notify the petitioner of the reason for the dismissal. Provides that the State's Attorney must be afforded an opportunity to respond to the petition and the court shall provide the petitioner with the opportunity to reply to the petition. Provides that within 90 days after the filing of the petition for sentencing review, the court shall set the matter for a hearing. Provides that this date may be extended by motion of either party and at the court's discretion for good cause shown. Provides that at the sentencing review hearing the court shall consider certain factors. Provides that following the hearing, the court may affirm or reduce the petitioner's sentence and shall be authorized to depart downward from any mandatory minimum or mandatory sentence enhancement, taking into consideration certain mitigating factors. Provides that notwithstanding any provisions to the contrary, any offender who has petitioned the circuit court for sentencing review shall not be eligible to submit a second petition until at least 5 years have elapsed since the date on which the circuit court ruled upon the initial petition. Provides that these provisions shall operate retroactively to provide any person incarcerated for a crime or crimes committed, before the effective date of the amendatory Act, with the opportunity to file a motion for resentencing under these provisions under the terms provided in these provisions. Provides that notwithstanding anything else to the contrary, nothing in these provisions shall be construed to delay parole or mandatory supervised release consideration for petitioners who, prior to the effective date of the amendatory Act, are or will be eligible for release earlier than these provisions.

730 ILCS 5/3-6-3 from Ch. 38, par. 1003-6-3

Amends the Unified Code of Corrections. Provides that a prisoner who is serving a sentence for first degree murder, other than serving a term of natural life imprisonment, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment (rather than serve the entire sentence imposed by the court). Changes certain sentence credits for a prisoner from no more than 4.5 to no more than 7.5 days of sentence credit for each month of his or her sentence of imprisonment. Provides that the Director of Corrections or the Director of Juvenile Justice may award earned sentence credits if the credits do not reduce the sentence by a specified amount (rather than award up to 180 days of earned sentence credit for prisoners serving a sentence or incarcerating of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer). Provides that the Department of Corrections or the Department of Juvenile Justice shall award sentence credit accumulated prior to the effective date of the amendatory Act in an amount specified to an inmate serving a sentence for an offense committed on or after June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit based upon specified documentation.

730 ILCS 167/35
730 ILCS 168/35

Amends the Criminal Identification Act. Provides that, in anticipation of the successful completion of a diversion program, a petitioner may file a petition for expungement at least 61 days before the anticipated dismissal of the case. Provides that, if a petition is filed, and upon the successful completion of the diversion program and dismissal of the case, the court shall review the petition and shall grant expungement if the petitioner meets all requirements. Amends the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act to make conforming changes.

Senate Committee Amendment No. 1

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

SB 03321 (CONTINUED)

Amends the Juvenile Court Act of 1987. Provides that in a proceeding under the Delinquent Minors Article of the Act, a minor who was under 18 (rather than under 15) years of age at the time of the commission of an act that if committed by an adult would be a violation of any offense under the Criminal Code of 1961 or the Criminal Code of 2012 (rather than a homicide offense or criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse) must be represented by counsel throughout the entire custodial interrogation of the minor. Provides that in custodial interrogations, a minor may not waive the right to the assistance of counsel. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, is presumed to be inadmissible when the statement is obtained from the minor while the minor is subject to custodial interrogation by a law enforcement officer, State's Attorney, juvenile officer, or other public official or employee prior to the officer, State's Attorney, public official, or employee ensuring that the minor is represented by counsel throughout the custodial interrogation. Provides that an oral, written, or sign language statement of a minor made without counsel present throughout the entire custodial interrogation of the minor shall be inadmissible as evidence against the minor in any juvenile court proceeding or criminal proceeding. SB 03464 (CONTINUED)

Creates the Work Without Fear Act. Provides that it is unlawful for any person to engage in, or to direct another person to engage in, immigration-related retaliation against any person or his or her family member or household member for the purpose of, or with the effect of, retaliating against any person for exercising any right protected under State employment laws or by any local employment ordinance. SB 03629 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that a defendant who, prior to the effective date of the amendatory Act, had been barred by time limitations from filing a motion to vacate because the court failed to advise the defendant and the defendant shows that conviction of the offense to which the defendant pleaded guilty, guilty but mentally ill, or nolo contendere may have the consequence for the defendant of deportation, exclusion from admission to the United States, or denial of naturalization under the laws of the United States, may pursue the following remedies. Provides that any person, regardless of criminal custody status, may file a petition to vacate a conviction or sentence if the person asserts any of the following reasons: (1) the conviction or sentence is legally invalid due to prejudicial error damaging the petitioner's ability to meaningfully understand, defend against, or knowingly accept the actual or potential adverse immigration consequences of a conviction or sentence; or (2) newly discovered evidence of actual innocence exists that requires vacation of the conviction or sentence as a matter of law or in the interests of justice. Establishes time periods for filing the petition and establishes when the petitions are not timely filed. Provides that there is a presumption of legal invalidity if the petitioner pleaded guilty or nolo contendere under a statute that provided that, upon completion of specific requirements, the arrest and conviction shall be deemed never to have occurred, if the petitioner complied with these requirements, and if the disposition under the statute has been, or potentially could be, used as a basis for adverse immigration consequences. Provides that crime victims shall be given notice by the State's Attorney's office of petitions filed under this provision as required in the Rights of Crime Victims and Witnesses Act. Provides that remedies under this provision shall apply to convictions and sentences in existence prior to the effective date of the amendatory Act.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 to provide that law enforcement agencies may disclose law enforcement reports and records to the Attorney General to comply with the Crime Victims Compensation Act. Amends the Crime Victims Compensation Act. Defines "applicant", "crime of violence", "victim", "pecuniary loss", "dating relationship", and other terms. Provides that no compensation may be granted to an applicant under the Act while the applicant is held in a correctional institution. Provides that an applicant who is held in a correctional institution may apply for assistance under this Act at any time, but no award of compensation may be considered until the applicant is released. Authorizes the Attorney General to issue subpoenas to compel the production of law enforcement reports maintained by the enforcement agencies. Provides that if the victim or applicant has obtained an order of protection, a civil no contact order, or a stalking no contact order or the crime was allegedly committed by law enforcement use of force, it is appropriate notification if the applicant or victim has been treated by the medical provider or mental health provider. Creates criteria to determine whether an applicant has cooperated with law enforcement. Provides that an applicant may provide notification by being treated by a mental health provider for psychological injuries for injuries arising from violations of the Criminal Code of 2012 for trafficking, sex crimes, and bodily harm. Requires the mental health provider to perform an independent medical evaluation and provide an opinion regarding causation of those injuries. Creates criteria for the Attorney General to use in evaluating an applicant's cooperation. Provides that an applicant's failure to respond to the Attorney General or Court of Claims may result in the claim being closed without compensation. Provides that an award shall be reduced or denied to the extent by which the victim's behavior posed an imminent threat of death or serious bodily injury to a law enforcement officer and the victim's behavior was direct and proximate cause of the victim's injury in claims that a law enforcement officer's use of force caused the victim's injury or death. Makes other changes. Effective immediately, except certain provisions take effect January 1, 2025.

Amends the Veterans and Servicemembers Court Treatment Act. Provides that if a veteran with a service-connected disability is arrested for or charged with a criminal offense and there is prima facie evidence that the veteran was suffering from an episode of post-traumatic stress disorder or a related mental health condition during the commission of the offense, there is a rebuttable presumption that the veteran is eligible to participate in a veterans and servicemembers court program, and after the arrest or charge, the following procedures shall take place: (1) the veteran shall be evaluated and treated as soon as practicable by a qualified medical professional for post-traumatic stress disorder and any other mental health condition or disorder; and (2) the court shall order a screening and clinical needs assessment and risk assessment and a mental health and substance use disorder screening and assessment. 410 ILCS 43/1

Amends the Comprehensive Lead Education, Reduction, and Window Replacement Program Act. Makes a technical change in a Section concerning the short title.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Directs the Illinois Environmental Protection Agency to conduct statewide sampling of certain community water supplies for the presence of 1,4-Dioxane (rather than directs the Agency to propose, and the Pollution Control Board to adopt, rules establishing State-only maximum contaminant levels for likely or known carcinogens found in public drinking water systems). Provides that within one year of the promulgation by the United States Environmental Protection Agency (USEPA) of regulations or amendments establishing maximum contaminant levels (MCLs) for any PFAS, the Board shall adopt rules which are identical in substance to such federal regulations or amendments. Provides that the Agency shall, by June 30, 2026, conduct sampling of the Illinois community water supplies previously sampled by the Agency for 1,4-Dioxane from the years 2013 through 2015 (rather than the Agency shall conduct an initial study on primary drinking water standards and, by no later than June 30, 2025, present its findings to the General Assembly for the purpose of implementing a State-only MCL for carcinogens and toxic chemicals that are likely to pose a substantial health hazard). Provides that if the results of such sampling detect drinking water levels of 1,4-Dioxane in excess of the USEPA Health Reference Level of 35 micrograms per liter, the Agency shall (rather than the Agency shall, with no prefatory condition), within 2 years after June 30, 2026 (rather than 2025), take all actions needed to obtain expertise to propose rules to establish a State-only MCL for 1,4-Dioxane (rather than for carcinogens and toxic chemicals likely to pose a substantial health hazard). Provides that, by no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules to establish a State-only MCL for 1,4-Dioxane (rather than no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules that establish State-only MCLs for carcinogens and toxic chemicals that are likely to pose a substantial health hazard, with certain requirements). Removes provisions that the Agency and Board annually review relevant science and law for rulemaking and related purposes. Provides that the Agency shall, at least annually, convene a stakeholder group to review a subset of chemicals that are likely to pose a substantial health hazard to residents of the state, for the purpose of proposing or revising a State-only MCL for those chemicals.

SB 01956 (CONTINUED)

Amends the Chicago Police Article of the Illinois Pension Code. Provides that the Fund may intervene in any action brought by the disabled policeman or his or her personal representative. Effective immediately.

30 ILCS 805/8.47 new

Replaces everything after the enacting clause. Amends the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under those Articles or through a participating system under the Retirement Systems Reciprocal Act to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. In the Chicago Police Article of the Code, removes a birthdate restriction on eligibility at age 55 for a 3% automatic annual increase in retirement annuity that is not subject to a maximum increase of 30% and specifies the timing of an initial increase in retirement annuity for persons who have not received the initial increase before January 1, 2023. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.

Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Provides that any issued custody order shall grant the child welfare agency the authority to make medical and health-related decisions for the infant. Provides that any infant who receives emergency or medical care under the Act shall be deemed presumptively eligible for medicaid assistance under the Illinois Public Aid Code. Provides that any health care provider or child welfare agency that provides medical services to an infant under the Act shall send all bills related to those medical services directly to the Department of Healthcare and Family Services for reimbursement. Makes conforming changes to the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to submit for federal approval any waiver application or State Plan amendment as may be necessary to implement the presumptive eligibility provisions of the amendatory Act. Further amends the Abandoned Newborn Infant Protection Act by requiring a fire station or emergency medical facility that accepts a relinquished infant to inform the infant's parent of the name and location of the hospital to which the infant was transported if the parent returns to reclaim the infant within 30 days (rather than 72 hours) after relinquishing the infant. Amends the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing instances of "child-placing agency" or "child placing agency" with "child welfare agency".

Senate Committee Amendment No. 1

Further amends the Abandoned Newborn Infant Protection Act. In a provision setting forth the purpose of the Act, restores language providing that the Act is intended to provide a mechanism for the parents of a relinquished infant to remain anonymous if they choose.

SB 01999 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Abandoned Newborn Infant Protection Act. In a provision concerning a relinquished newborn infant under the temporary custody of a hospital, provides that the hospital shall provide all available medical records and information to the Department of Children and Family Services and the child welfare agency that has accepted the referral of the infant. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.
