Using Your Student Handbook

The Student Handbook is designed as a reference book or resource to be consulted and used as needed. Like any other learning tool (dictionary, thesaurus, the Yellow Pages), some students will use it frequently; others rarely. It is not meant to be read from cover to cover by everyone; rather, it is designed to have readily available information students might require at any time on the policies, procedures, services and activities at Iowa Central.

Successful students use a variety of tools to enhance their performance. They know where to look for information to make decisions. They learn what the College expects of them and what they can expect of the College. The Student Handbook is instrumental in allowing students to find the answers to their questions and to take charge of their education.

We suggest you skim through the Table of Contents to become familiar with the topics. When you have a specific question, you'll know where to start. We hope you find this resource to be helpful. If you are unable to find the information you need, remember that Iowa Central faculty and staff are another valuable resource ready to help—ask someone! If we don't know the answer, we'll help you find it.

Academic Planning

A student enrolling in a standard, semester-length college course can expect to budget two hours of homework each week for every hour spent in the classroom.

Typically, a three-hour semester class, for example, will involve three hours per week of classroom time (sometimes referred to as “contact time” with the instructor) and six hours of homework per week for that course. This is often a drastic change from high school expectations!

Attitudes

1. Concentrate on one thing at a time.
2. Divide a big assignment into small pieces that can be done one at a time.
3. Learn to discipline yourself and feel good about it.
4. Learn to say NO to interruptions when you study.
5. Learn ways to study smarter, not harder.
6. Beware of perfection.
7. Build on successes. Profit from failures.

Keep in mind...

The first step in organization is to survey non-educational time commitments and then plan an education program consistent with available time.

Time Management & Study Techniques for Students

1. Identify your goals, strengths, and weaknesses.
2. Identify your campus “help” and resources to build on your strengths and work to overcome your weaknesses.
3. Arrange for texts and required materials before classes meet.
4. Build a study plan, including when and how much you will need to study to meet your goals.
5. Go to EVERY class. Be there early!
6. Sit in the front and keep your mind actively on your learning goals and expectations as outlined by your instructor.
7. Take good notes.
8. Ask for clarification when concepts are unclear to you.
9. Participate in class discussions.
10. Study with a partner, going over key points and clarifying question areas or points that may appear on exams.
11. Build a study plan for tests.
12. Do not miss quiz or test days.
13. Hand in assignments on time.
14. Set priorities for your day.
15. Schedule study time before class and soon after the lecture.
16. Determine a study area where you can concentrate; where you ONLY study.

Academic Resource Center

Ext. 1155

The Academic Resource Center, located in the Student Resource Center, offers a range of services to Iowa Central Community College students including:

To make a request, a student can complete a request form at www.iowacentral.edu/accommodations. Requests can be made at any time; however, the College encourages students to make their requests as early as possible to ensure that enough time is available to review the request and provide the appropriate academic adjustment and/or service. The office for accommodations is located in the Academic Resource Center.

Information Media/Online Library - Ext. 1155

A wide variety of media including books, DVDs, and periodicals is located in the Academic Resource Center on the Fort Dodge campus. Computers and printers are provided for student use. For definition of session, see section titled Session Days. Dates vary for classes that are less than one full semester. For classes less than fifteen (15) weeks, go to Self-Service in Triton Pass and click on Resources and then Tuition Refund Dates/Last Day to Request to Withdraw or contact Student Records for more information.

Advising Center

Student Services Assistant Director - Ext. 1195

The Advising Center, located in the Greehey Family Student Success Center, provides advising services to students at any point throughout the semester. Advisors are ready to assist students with any questions regarding class scheduling, transferring, assistance with major selection, and connection to other services on campus. Advisors are eager to assist and guide students in completing their goals while they are here at Iowa Central.

Advisors

Student Services Assistant Director - Ext. 1195

Students will be assigned an advisor according to the area of study they have chosen. Advisors are staff members who assist students in choosing the proper courses, organizing a class schedule, and assisting students in meeting their goals.

Each semester before enrolling for classes, students are expected to visit their advisors and submit to them a tentative class schedule. The advisor will check over and approve the chosen course(s), at which time the student may enroll.

Alcohol and Drug Abuse Prevention

Campus Nurse/Mental Health Services - Ext. 1047, 1077, 1094

Iowa Central’s goal is to provide a safe and healthy environment for students, employees, and visitors. As part of the Drug-Free Schools and Communities Act, the college aims to educate our community regarding health risks associated with drug and alcohol abuse. Appropriate referral to counseling and health agencies will be made for individuals as needed and sanctions will be imposed on students who violate policy. Sanctions could include written reprimand, suspension or dismissal, and referral for prosecution under local, state, and federal law.

Resources for Substance Prevention and Referral

Iowa Central Community College recognizes drug abuse as a potential health, safety and security problem. The College provides resources that are available on a confidential basis to help students with substance abuse treatment information and referrals.

Standards of Conduct

It is the policy of Iowa Central Community College that illegal drug use, including the possession, use and sale of alcoholic beverages will not be tolerated and action will be taken. Alcoholic beverages are not permitted on campus nor at any on- or off-campus activity subsidized by the College. This includes off-campus athletic contests. In addition, Iowa Central Community College enforces all state underage drinking laws and laws prohibiting the possession and sale of controlled substances.

Attendance

Student Records - Ext. 1025

We believe that, unless students attend classes and are actively involved in their learning, learning will not take place. For this reason, Iowa Central has placed an emphasis on class attendance. Instructors record attendance in Self-Service.

Automatic Grade Book Alerts: Faculty can set thresholds for automatic attendance and grade alerts in the Self Service Grade Book. Look for those notifications via email. Student advisors will also get copies of those alerts. For example, you may get an email when you miss two classes in a row or if your grade falls below 60 percent.

Administrative Withdrawal: A student will be administratively withdrawn from a class when the student is absent more than 25 percent of the total scheduled class meetings by the mid-point of the class. Automatic attendance notifications are sent when the number of absences exceed 15 percent and then again at 20 percent. School-sponsored absences do count towards these percentages, but the policy for contacting instructors prior to any such absences to arrange for missed work in advance is in place to prevent such absences from impacting a course grade. Students should talk to instructors about their absences and work with them to make plans for success before the 25 percent is exceeded. Students need to check an instructor's or program's attendance policy in the course syllabus, which may be more specific and grade-related.

Student Initiated Withdrawal: If you no longer wish to be enrolled in a class, you are expected to withdraw from the course using the online withdraw form which is located in Self-Service. Students choosing to not use the online withdraw procedure must pick up a Change of Enrollment form in the Student Records Office, obtain the instructor's signature and return the form to the Student Records Office for processing. Failure to process a Change of Enrollment form will result in the grade of "F" on your transcript.

Audit Policy

Students may be allowed to audit certain courses. Students who audit will not be held responsible for lesson assignments or tests and will not receive credit for the course. The audit fee is the regular course tuition and fees. A course may be audited before or after it is taken for credit. The decision to audit must precede registration. The audit grade is "N."

Bookstore

Manager - Ext. 1080

The Bookstore is located in the Student Resource Center. New and used textbooks are available for most Iowa Central courses. The Bookstore also sells Iowa Central apparel, classroom supplies, batteries, and much more.

Hours

Monday-Thursday.....7:30 AM-4:30 PM
Friday7:30 AM-3:30 PM
Summer Hours - Monday-Friday.....7:30 AM-3:30 PM

Bookstore Return Policy

Students may return textbooks for credit at the Iowa Central Bookstore for the first five days of the official College calendar. To get full credit, present your receipt, and appropriate identification along with the textbook in the same condition as it was sold. Adjustments will be made for the credit given for textbooks that have been written in.

After the first five (5) days of classes and during buy-back week at the end of the each semester, the credit given for qualifying textbooks will be up to 50% of the purchase price paid at the beginning of the semester. Books that cannot be returned for credit include: workbooks, books containing software, or textbooks that will not be used for classes in the future.

The Bookstore does not pay cash for returned books. Instead, all credit for returned books will be applied to the students college account balance. If the returned book transaction creates a credit balance on the students account, a refund check will be issued to the student within ten (10) calendar days by the Iowa Central Business Office.

Also see "Online Bookstore" section on page 33.

Nothing is to be posted on glass door entrances. Placing flyers on cars on campus is prohibited. Flyers, posters, announcements, etc. posted without prior approval will be removed. All Iowa Central activities must get approval from the Director, Student Life and Activities prior to posting signs concerning that activity.

Business Office/Student Accounts

Business Office - Ext. 1060, Ext. 1067

The College's Business Office is located in the Greehey Family Student Success Center. This is the office responsible for maintaining the financial records for all students. Students who enroll in credit courses will have their tuition and fees charges appear on their student account. Students can view their student account activity using Self-Service. The Business Office sends out periodic billing postcards, answers question regarding charges, and receives payments on accounts.

Once you have registered for a class, it is your responsibility to pay the tuition and fees unless you officially request to be removed from classes. Tuition and applicable fee adjustments are made for withdrawals based on the Refund Policy for official withdraws.

Non-Resident students can receive a reduced rate in tuition with a high school GPA of 3.0 or higher. Iowa Central must receive a final high school transcript with a recorded high school graduation date before the last day of the semester to receive the reduced rate. Previously completed semesters will not be adjusted. International Students are not eligible for this tuition rate.

Payments for tuition and fees are due in full prior to the start of classes, although a payment plan is available for eligible credit courses in the fall and spring semesters.

Iowa Central reserves the right to withdraw students with outstanding balances on their account. Students who still have outstanding balances on their accounts for the fall and spring semesters will receive written notification that they will be withdrawn from classes if payment is not made by indicated date. This means that the student's name is not on the class roster and will not be allowed to take final exams unless payment or payment arrangements are made prior to finals starting.

Student accounts not paid in full will be referred to the College's collection agency. Iowa Central Community College also participates in the State of Iowa Setoff Program operated by the Iowa Department of Revenue to collect overdue account balances.

Campus Crime

Security Coordinator - Ext. 1186

Associate Vice President of Student Services - Ext. 1058

Iowa Central Community College realizes and understands the importance of providing a safe and secure environment for students and employees. The College is supportive of the Federal Student-Right-To-Know and Campus Security Act, Public Law 101-542, and is committed to taking the necessary actions to increase safety on campus.

Under the Act, by October 1st of each year, institutions must publish and distribute (to current and prospective students and employees) an annual security report that includes statistics concerning the occurrence on campus of certain criminal offenses reported to campus officials. The Act also requires institutions to provide a timely warning to the campus community about crimes that are considered to represent a continuing threat to students and employees. This warning must be done in a manner that will aid in the prevention of similar crimes.

A Campus Security Report will be published annually for the College community and posted on the Campus Security web page (www.iowacentral.edu/security/index.asp). The College is committed to reviewing these statistics annually and taking the necessary steps to develop and implement additional safety practices or procedures needed to ensure an optimum safe environment for its students and employees.

Campus Security

Security Officer - 515-574-1000, 515-570-1895

Campus Phone - Ext. 1000

The security staff is housed on the Fort Dodge Campus primarily to secure the College's buildings, grounds and to help enforce campus regulations. In the interest of protecting Iowa Central students, Campus Security may request that individuals show identification. Under certain circumstances, individuals without a proper Iowa Central ID may be asked to leave campus.

All incidents of theft, vandalism, assault, etc., should be reported to Security. Information will be gathered for a report and the appropriate personnel will be notified.

Students are encouraged to report all criminal incidents and/or suspicious activity to Campus Security, located in the Greehey Family Student Success Center or by calling 515-574-1000. Any crime on campus should be reported to an Iowa Central staff or faculty member, Security, or police authorities (911 for emergencies), depending on the urgency of the situation. Be aware on campus of personal items, including books, bags, and purses. Small items, such as textbooks, can be stolen in less than one minute. Always be aware of your surroundings and don't leave anything lying around unattended. If the incident is a medical emergency during school hours, contact the College nurse through any Iowa Central staff member or at Ext. 1047.

No Liability for Personal Property of College Premises

Iowa Central Community College shall not be liable for theft, loss of, or damage to personal property brought onto College premises. Should an individual choose to bring personal belongings to school, they, not the College, are responsible for ensuring that their belongings are secured.

Valuable belongings include cash, expensive electronic or digital equipment, expensive clothing attire, jewelry etc. Should individuals choose to bring such items onto College property, they do so at their own risk.

Forums are also an essential portion of the class where participation points are acquired each week. Students can go to www.iowacentral.edu/online_learning/ to find a comprehensive list of classes and programs offered.

Distance Learning Financial Aid Attendance Policy

Federal regulations state that a student must make academic progress in their classes in order to be eligible for financial aid to be disbursed. In an Online class, attendance requirements are met by submitting work, such as an assignment, quiz, or test in each Online class. The Financial Aid Office will verify that attendance is established prior to disbursing funds.

In situations where a student officially or unofficially withdraws from a class(es), Iowa Central may be required to return a percentage of financial aid to the federal government. This may result in the student owing a balance to Iowa Central. Our Return of Title IV Funds Policy can be found here: www.iowacentral.edu/financial_aid/forms_docs/R2T4Policy.pdf.

Withdrawing from a class(es) may also affect a student's eligibility to receive Title IV funds in the future at Iowa Central. Our Satisfactory Academic Standards Policy can be found here: www.iowacentral.edu/financial_aid/forms_docs/SatAcademicStandards2022.pdf.

For questions regarding financial aid, please contact the Financial Aid Office at 1-800-362-2793.

Emergency Procedures

Iowa Central maintains an emergency management plan to guide it through a sensitive or dangerous situation. Examples include, but are not limited to, fires, explosions, natural disasters, and violent criminal events. When a significant incident is discovered or reported, the College will immediately investigate the situation to confirm there is a significant emergency that is causing or could cause a threat to the safety and health of students and/or employees. Law enforcement and other emergency management organizations, as applicable, will be called immediately. If necessary the President will declare an emergency and the college Emergency Incident Command will be established to resolve the situation and support any non-campus organizations called in to resolve the situation. Campus-wide notification will then be made immediately by Triton Alert, which will make notifications via text message, and e-mail. Other notification procedures, such as phone calls and messengers, will be made as time and personnel are available. Action will be taken immediately to isolate the affected area, remove those in the affected area, and stabilize the area pending arrival of emergency response organizations. Based on the specific situation, the College may issue media releases to inform the surrounding community. If law enforcement or emergency management has taken control of the situation, they will make their necessary media releases. When the College determines the emergency has ended and it is safe to return to campus or resume regular activities, another Triton Alert notice will be made. Depending on the duration of an emergency, interim notices via Triton Alert and media releases will be given as information is received. Triton Alert will be tested yearly. A test of the emergency management plan will be conducted at least once a year, usually in coordination with a Triton Alert test.

FERPA

The Family Educational Rights and Privacy Act of 1974 helps protect the family privacy of student education records. The Act provides for the right to inspect and review education records, the right to seek to amend those records and to limit disclosure of information from the records. The intent of the legislation is to protect the rights of students and to ensure the privacy and accuracy of education records. The Act applies to all institutions that are the recipients of federal aid administered by the Secretary of Education.

What rights does FERPA afford students with respect to their education records?

- The right to inspect and review their education records within 45 days of the day the college receives a request for access. Students should submit written requests to the registrar's office and identify the record(s) they wish to inspect. The staff of the office will make arrangements for access and notify the student of the time and place where the records may be inspected. If the requested records are not maintained by the registrar's office, the student will be notified of the correct official to whom the request should be addressed.
- The right to request an amendment to the student's education records that the student believes are inaccurate or misleading. Students may ask the college to amend a record that they believe is inaccurate or misleading. They should submit the request in writing to the registrar's office and clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing will be provided to the student when notified of the hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, D.C. 20202-5920

What is an education record?

An "education record" is any record that is:

1. directly related to a student; and
2. maintained by an educational agency or institution, or by a party acting for the agency or institution.

This includes any information recorded in any way including, but not limited to, handwriting, print, computer media, video or audio tape, film, microfilm, and microfiche.

What is not considered an education record?

- Sole possession records or private notes held by a school official that are not accessible or released to other personnel;
- Law enforcement or campus security records that are solely for law enforcement purposes and maintained solely by the law enforcement unit;
- Records relating to individuals who are employed by the institution (unless the employment is contingent on their status as a student);
- Records relating to treatment provided by a physician, psychiatrist, psychologist; or other recognized professional and disclosed only to individuals providing treatment; and
- Records of an institution that contain information about an individual obtained only after that person is no longer a student at that institution.

Who is protected under FERPA?

An “eligible” student under FERPA is a student who is 18 years of age or who attends a postsecondary institution (regardless of parental dependency). These rights begin on the day the student begins attending classes. Formerly enrolled students are also protected under FERPA. Students who have applied but have not attended an institution and deceased students do not come under FERPA guidelines.

When is a student’s consent not required to disclose information?

When the disclosure is:

- To school officials who have legitimate educational interest.
- To federal, state, and local authorities involving an audit or evaluation of compliance with educational programs, financial aid; this includes Veterans’ benefits.
- To organizations conducting studies for or on behalf of educational institutions.
- To accrediting organizations.
- To comply with a judicial order or subpoena.
- In a health or safety emergency.
- Releasing of directory information.
- Releasing the results of a disciplinary hearing to an alleged victim of a crime of violence.

Iowa Central will provide a form to be completed by students who want their directory information held. The “Nondisclosure of Directory Information” form must be completed and submitted to the Registrar’s Office by the end of the first 10 class days of the term. The “Nondisclosure of Directory Information” will be in effect until the student requests in writing that it be revoked. Students requesting non-disclosure understand that their name will not appear in the graduation program, in sports bulletins, music & theater brochures, honor rolls, home town papers, etc. This form can be obtained at the Registrar’s Office.

Can I allow others access to my non-directory information?

Iowa Central also provides a form to be completed by students who want their non-directory information released to others. The “Release of Non-Directory Information” form is often completed by students to give permission for Iowa Central to speak to another person regarding financial aid, billing, grades and GPA, class schedules, class attendance, academic accommodations, housing, student conduct, health, mental health counseling services, athletics, Title IX and veteran’s information. This form is available via TritonPass or a paper copy can be picked up at the Registrar’s Office and is good for one year. It must be completed each year.

Financial Aid

Financial Aid - Ext. 1030, 1031, 1032, 1033, 1034, 1035

If you are experiencing difficulty due to finances, you are encouraged to visit or call the Financial Aid Office to determine if assistance may be available. Please do not withdraw from College for financial reasons without first having consulted with the Financial Aid staff. Caring staff are available to answer questions. Please understand that any and all staff in the Student Services Department will work to answer your questions or assist you in any way. We are here to serve you!

Applications for Federal Student Aid take approximately one to two weeks for the central processing center to process. Filing early for Financial Aid benefits students by informing them of the assistance they will receive before classes begin.

It is necessary to apply for Financial Aid each year. Late filing of your application for Financial Aid may result in a delay in receiving funds prior to classes beginning or losing your opportunity of receiving some aid. You may file for the 2023-2024 year after October 1, 2022 and you may file for the 2024-2025 year after January 1, 2024. We have a priority deadline of March 1st for filing your FAFSA.

Your Financial Aid is disbursed to you contingent on you attending and successfully completing your coursework. Therefore, if you withdraw or do not attend, you may be required to repay part of your Financial Aid to the College or the Department of Education. This policy applies to recipients who are receiving Title IV funds which consist of Federal Pell Grant, Federal SEOG, Direct Loans, State Grants and Scholarships, and Veterans' Education Benefits. You may obtain information on this policy from the Financial Aid Office.

For information on our Return of Title IV Funds Policy (R2T4) policy, visit www.iowacentral.edu/financial_aid/forms_docs/R2T4Policy.pdf

The Higher Education Opportunity Act of 2008 requires post-secondary institutions participating in federal student aid programs to make identified disclosures to students, parents, employees, prospective students, and the public. View our Consumer Information disclosures at, www.iowacentral.edu/consumer_info.

Financial Aid Satisfactory Academic Progress Policy

Satisfactory Academic Progress

Iowa Central Community College is required to establish academic progress standards for students who are federal and state financial aid applicants or recipients. This policy ensures that any student who receives or applies for financial aid is making progress toward a degree. The student's total academic history is monitored regardless of whether he/she has previously received financial aid.

In order to maintain eligibility for financial aid and Veteran's benefits a student must meet the "Standards Requirements" listed below. Failure to meet these requirements results in the loss of aid. Programs affected by "Standards Requirements" include, but are not limited to:

Federal Pell Grant	Federal Direct Loan	Federal SEOG
Federal Work Study	Federal PLUS Loan	IA National Guard Program
IA Voc Tech Grant	IA Kibbie Grant	Last Dollar Scholarship
Other state programs	Veteran's Benefits	

Standard Requirements

1. Pace: Successfully complete 67% of attempted credit hours. This will be measured on a cumulative basis. Example: If the student attempts a total of 24 credit hours the first academic year, the student must satisfactorily complete 16 credit hours. (Example: 24 credit hours x .67 (67%) = 16 credit hours.)
2. Maximum Time Frame: Completion of the academic program in 150% of the published credits. Example: Associate in Arts degree = 60 credit hours. Maximum attempted credit hours permitted to complete this program would be 90. (60 credit hours x 1.5 (150%) = 90 credit hours.)
3. Minimum Cumulative Grade Point Average: A cumulative GPA of 2.00 must be met.

Additional Information

1. Credit/no credit, course repeats, withdrawals, incompletes, and developmental courses will be included as part of the student's cumulative credit hours attempted for pace and maximum time frame purposes.
2. In computing the cumulative GPA for graduation, only the most recent grade earned in a course, that has been repeated, will be used.
3. Students enrolled in postsecondary courses while in high school will not be assigned a satisfactory academic progress status until the end of their first semester of enrollment at Iowa Central post high school graduation.

4. Transfer Students are considered to be making satisfactory academic progress for financial aid purposes upon initial enrollment. Students must send all official college transcripts in order to determine eligibility.
5. Courses taken for audit, hours via Advanced Standing, Advanced Placement and hours via the College Level Examination Program will not be included as a part of the student's cumulative credit hours enrolled for maximum time frame purposes.

Monitoring Progress

1. Academic progress will be monitored at the end of each term to determine if the "Standards Requirements" have been met.
2. Financial Aid Warning- The first term the student fails to meet the "Standards Requirements" the student will be placed on Financial Aid Warning. This warning period should be utilized by the student to meet the "Satisfactory Academic Progress Standards Requirements." The student will only be given one Warning term at Iowa Central.
3. Academically Ineligible – Students failing to show satisfactory progress during their warning period will be Academically Ineligible. A student may not receive any aid listed above while they are Academically Ineligible.

Reinstatement of Eligibility

1. Complete the number of credit hours necessary to achieve the 67% requirement and/or minimum cumulative GPA needed for their grade level. This will be at the student's own expense. When these hours have been completed, the Financial Aid Office must be notified so eligibility for aid can be reinstated.
2. If special circumstances exist (including but not limited to: death of family member, personal or family illness, family crisis), the student may appeal by submitting a typed letter stating the reasons the "Standards Requirements" were not met and completing the Academic Plan Form. Appropriate third-party professional documentation may be required. The Academic Plan Committee will review the letter and the academic plan. If it is approved, eligibility for financial aid will be reinstated on a probationary status for one term.
3. If the student fails to meet the "Satisfactory Academic Progress Standards Requirements" after the probationary term, the students' academic plan will then be reviewed after each term. If the student is not successfully following the academic plan, they will no longer be eligible for financial aid at Iowa Central.

Submission Deadlines

Appeal and Academic Plan: Fall Term: October 1; Spring Term: February 12; Summer Term: July 6; 8 Week Online: 2 weeks after start of classes.

All Appeals or Academic Plan Worksheets must be turned in prior to the submission deadline to be considered for that term. If the deadline date falls on a weekend/holiday, the Appeal and Academic Plan Worksheet must be turned in prior to the weekend/holiday. The Vice President of Student Services has the authority to overturn the submission deadline/outcome.

The grade point average is determined in the following manner:

1. Allow 4 points for an A; 3 points for a B; 2 points for a C; 1 point for a D; and 0 points for an F.
2. Multiply the number of points equivalent to the letter grade received in each course by the number of credit hours for the course to arrive at the quality points earned in each course.
3. Divide the sum of quality points by the total number of credit hours. The quotient represents the Grade Point Average for the semester.

The Cumulative Grade Point Average is determined in the same manner as the Grade Point Average, except that all of the student's work, not including developmental courses, are used in the computation. Developmental courses are graded with AP, BP, CP, DP, and FQ. An incomplete ("I") grade in a course has an immediate effect on a student's semester GPA. A meeting arranged by the student with the instructor is held to discuss the reason for the incomplete grade. A contract between the student and instructor, stating the details and time schedule of work that is to be made-up, must be agreed upon and signed in Self-service, and must be submitted prior to the end of the term. The maximum time allowed for an incomplete is one year from the start date of the class. After all work is completed, the instructor will make the proper grade changes for the student's permanent record. Incompletes are approved only for unusual circumstances with appropriate documentation.

Grade and Cumulative Grade Point Average (G.P.A.)

Registrar - Ext. 1020

The Grade Point Average is determined in the following manner:

1. Allow 4 points for an A; 3 points for a B; 2 points for a C; 1 point for a D; and 0 points for an F.
2. Multiply the number of points equivalent to the letter grade received in each course by the number of credit hours for the course to arrive at the quality points earned in each course.
3. Divide the sum of quality points by the total number of credit hours. The quotient represents the Grade Point Average for the semester.

The Cumulative Grade Point Average is determined in the same manner as the Grade Point Average, except that all of the student's work, not including developmental courses, are used in the computation. Developmental courses are graded with AP, BP, CP, DP, FQ, Q, and P.

Sample computation:

Class	Grade	Per Credit Quality Points	Credits	Total Quality Points
The College Experience	A	4	1	= 4
Introduction to Keyboarding	A	4	1	= 4
Composition 1	B	3	3	= 9
Elementary Algebra	CP	0	4	= 0
Introduction to Psychology	C	2	3	= 6
Introduction to Biology	D	1	3	= 3
Introduction to Biology Lab	F	0	1	= 0

26 quality points divided by 12 credits that carry quality points equals a grade point average of 2.16.

Final Grades

Student grades are available to Iowa Central students via Self-Service. Refer to the Self-Service information in this handbook to gain access to your grades.

Incomplete Grades

An incomplete ("I") grade in a course has an immediate effect on a student's semester GPA. A meeting arranged by the student with the instructor is held to discuss the reason for the incomplete grade. A contract between the student and instructor, stating the details and time schedule of work that is to be made up, must be agreed upon and submitted electronically by the instructor prior to the end of the term. The maximum time allowed for an incomplete is one year from the start date of the class. After all work is completed, the instructor will make the proper grade changes for the student's permanent record and submit a Grade Change Form. Incompletes are approved only for unusual circumstances with appropriate documentation.

Grade Appeal

The following section is from Iowa Central Community College Board Policy #408

A student who believes a course grade is inaccurate may seek an appeal as follows:

1. Within 60 calendar days following the end of a course, the student will inform the instructor or Dean in writing of questions concerning the course grade. The written correspondence will address all questions concerning the criteria and procedures the instructor used in determining the grade, the process by which it was assigned, and to request error correction, if any, in the grade.
2. Within 14 calendar days after the instructor's receipt of the student's written questions, the instructor will offer to meet or communicate with the student to attempt to resolve the questions concerning a grade.
3. If, after the discussion with the instructor, the student believes that the grade is still inaccurate, within 14 calendar days of the instructor's decision, the student will submit in writing to the department Dean regarding all questions concerning the course grade. Within 14 calendar days after receipt of the student's written questions, the Dean shall meet or communicate with the instructor and student separately and/or together in an effort to resolve the question regarding the grade.
4. If the steps above do not solve the question regarding the grade, the student may submit their written questions concerning the course grade to the Vice President of Instruction no later than 10 calendar days after the Dean delivers their final decision of the grade. Within 14 calendar days after receipt of the written questions from the student, the Vice President of Instruction will submit to the student, the instructor, and the Dean a written decision concerning the appeal of the grade.

Grades

Student grades are distributed to Iowa Central students via Self-Service. Refer to the Self-Service information in this handbook to gain access to your grades.

1. Grades earned in all enrolled classes will be recorded on the permanent transcript.
2. In computing the cumulative grade point average for graduation, only the most recent grade earned in a course that has been repeated will be used.
3. For purposes of satisfying a prerequisite, the most recent grade earned in a course will be used.

Graduation

Commencement

Commencement exercises are designed to provide formal recognition to students who have satisfied the requirements for a certificate, diploma, or associate degree. Students are encouraged to attend the Commencement ceremony at the time of graduation. Commencement for the 2024-2025 academic year will be held Friday, May 9th, 2025 in Hodges Fieldhouse. There will be two ceremonies.

Graduation Declaration

Students who plan to receive a certificate, diploma, or associates degree must declare to graduate with Student Records by completing the Graduation Declaration with an advisor via Self-Service. The Graduation Declaration should be completed at the time of registration for the semester prior to the completion of college coursework. Iowa Central Community College grants certificates, diplomas, and associate degrees to certify the successful completion of programs of study. Students may elect to graduate under requirements stated in the catalog in effect at the time of initial entry or in effect during the term of graduation. Acceptance of transfer credit by Iowa Central toward a degree does not guarantee acceptance at other colleges. We urge students to consult with the college or university where they intend to transfer for more information.

Harassment and Violence

The following section is from Iowa Central Community College Board Policy #223

1. Introduction: As an educational institution, Iowa Central Community College strives to provide a respectful, safe, and non-threatening environment for students and employees. The mission of the College is to promote intellectual discovery, physical development, social and ethical awareness, and economic opportunities for all through an education that transforms lives, strengthens community, and inspires progress. Harassment and violence against students, faculty, and staff subverts this mission and will not be tolerated. This policy describes prohibited conduct, establishes procedures for reporting and addressing complaints of prohibited conduct, and describes educational programs to be conducted by the College to heighten awareness of prohibited conduct described below.

The College has separate procedures for reports or complaints of sexual harassment governed by Title IX of the Education Amendments Act of 1972. These procedures are available at <https://www.iowacentral.edu/about/titleIX.asp> or a paper copy may be requested from the Dean of Student Services. For reports or complaints of sexual harassment outside of the College's Title IX jurisdiction, the College will follow this policy and/or any other applicable College policy, procedure, or handbook provision.

2. Prohibitions: It is the policy of the College to maintain a learning and working environment that is free from harassment or violence based on race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, sex stereotyping, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law.

The College prohibits any form of harassment or violence against an employee or student based on race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, sex stereotyping, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law.

The College prohibits retaliation against any person who opposes unlawful discrimination and/or makes a report of complaint or discrimination or harassment, or participates in any way in an investigation or complaint under this policy. For purposes of this policy, these prohibitions also apply to College directors, agents, volunteers, contractors, or persons subject to the supervision and control of the College.

It is a violation of College policy for any student, faculty member, staff member, administrator or other employee to harass any student, faculty member, administrator, or other College employee based on sex stereotyping and/or because of that person's race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law.

It is a violation of College policy for any student, faculty member, staff member, or administrator or other College employee to inflict, threaten to inflict, attempt to inflict, and/or to aid in inflicting violence upon any student, faculty member, staff member, administrator or other College employee based on sex stereotyping and/or because of that person's race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law. Further prohibited conduct applicable to students is described in Board Policy 416, Violence Prevention and Threat Assessment. Also, other prohibited conduct applicable to students, faculty, staff members, administrators, or other College employees is described in Board Policy Number 313, Technology and Board Policy Number 315, Social Media.

This policy covers prohibited conduct occurring both on-campus/center and off-campus:

- a. On-campus/center violations: prohibited conduct that occurs on property owned or controlled by the College;
- b. Off-campus violations: prohibited conduct that occurs during College sponsored events or during a College affiliated organization's sponsored event (e.g. field trips, social and educational functions, College related travel, athletic related events and travel, and student recruitment activities and travel); and
- c. At any location, including through electronic media such as e-mail or social networking websites, and involving any College faculty, staff, or student, provided that:
 1. The incident occurs at a College-sponsored activity or during an event sponsored by an organization affiliated with the College, including a student organization;
 2. The Complainant or Respondent was acting in an official capacity for the College during the incident;
 3. The Complainant or Respondent was conducting College business during the incident;
 4. The conduct has the purpose or reasonably foreseeable effect of substantially interfering with the work or educational performance of College students, faculty, or staff;

5. The conduct creates an intimidating or hostile environment for anyone who is involved in or seeks to participate in College employment, education, on-campus living, or other College-sponsored activities; or
6. The conduct demonstrates that the individual poses a reasonable threat to College campus/center safety and security.

3. Definitions as to Harassment: Harassment is conduct or speech which is offensive or shows malice toward an individual based on sex stereotyping and/or because of a person's race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law.

Harassment means any unwelcome conduct that is related to an individual's membership in a protected class and that is sufficiently severe, pervasive, or persistent that it unreasonably interferes with any aspect of an individual's educational or employment performance or opportunities.

- a. The content consists of those personally abusive epithets which are inherently likely to provoke a violent reaction,
- b. The content is a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals, or
- c. The content is a threat to a person or group of persons with the intent of placing the victim in fear of bodily harm or death.

Conduct that constitutes a protected exercise of an individual's rights under the First Amendment to the United States Constitution (and related principles of academic freedom) shall not be deemed a violation of this policy.

Harassment as it relates to conduct is intentional conduct directed toward an identifiable person or persons based on sex stereotyping and/or because of the person's race, color, religion, creed, sex (including pregnancy), sexual orientation, gender identity, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law that is sufficiently severe, pervasive, or persistent that it interferes with work, educational performance, on-campus living, or participation in a College activity on or off campus.

Sexual harassment is a form of sexual discrimination that violates Title VII of the Civil Rights Act of 1964 and/or Title IX of the Education Amendments of 1972. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- a. Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment or of obtaining the College's program (academic course) and/or other College sponsored activities;
- b. Submission to or rejection of that conduct or communication by an individual is a factor in decisions affecting that individual's employment or education; or
- c. That conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment or a student's ability to participate in or benefit from a College program (academic course) or activity sponsored by the College or creating an intimidating, hostile, or offensive employment environment or educational or on-campus living environment.

Sexual harassment subverts the mission of the College and threatens the careers, educational experience, and well-being of students, faculty, and staff. The College will not tolerate sexual harassment, nor will it tolerate unwelcomed behavior of a sexual nature toward members of the College community when that behavior creates an intimidating or hostile environment for employment, education, on-campus living, or participation in a College sponsored activity.

Sexual harassment is especially serious when an instructor harasses a student or a supervisor harasses a subordinate. In such situations, sexual harassment unfairly exploits the power inherent in an instructor's or supervisor's position. However, while sexual harassment often takes place in situations where there is an abuse of a power differential between the persons involved, the College recognizes that sexual harassment is not limited to such situations. Sexual harassment can occur when a student harasses an instructor, when a subordinate harasses a supervisor, or between persons of the same status as students or employees.

Sexual harassment may also include, but is not limited to, conduct described below:

- **Gender Harassment** is generalized sexist statements and behavior that convey insulting or degrading attitudes including acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping or a person's failure to conform to stereotypical notions of masculinity or femininity even if those acts do not involve conduct of a sexual nature. Examples include suggestive or sexually explicit posters, calendars, photographs, graffiti, cartoons, e-mail, voicemail, and social media including but not limited to Facebook and twitter; and sexually explicit jokes or humor focused toward a particular gender.

- **Seductive Behavior** is unwanted, inappropriate and offensive sexual advances. Examples include repeated unwanted sexual invitations, insistent requests for dinner, drinks or dates, persistent letters, phone calls and other invitations.
- **Sexual Bribery** is solicitation of sexual activity or other sex-linked behavior by promising a reward (a better grade, promotion, etc.) for performing the activity or behavior. The proposition may be either overt or subtle.
- **Sexual Coercion** is sexual activity or other sex-linked behavior by threat of punishment. Examples include negative performance evaluations, withholding promotions, threats of termination, or threats of a failing or lower grade.
- **Sexual Exploitation:** Non-consensual or abusive sexual advantage of another for their own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual harassment offenses. Examples include, but are not limited to, invasion of sexual privacy, prostituting another student, non-consensual video or audio-taping of sexual activity, going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex), engaging in voyeurism, knowingly transmitting an STI or HIV to another individual, exposing one's genitals in non-consensual circumstances, inducing another to expose their genitals. Sexually-based stalking and/or bullying may also be forms of sexual exploitation.
- **Sexual Imposition** includes deliberate assaults or molestation, or unwanted physical contact such as patting, pinching, "friendly" arms around the shoulder or intentionally brushing against another person's body. This includes any intentional sexual touching, however slight, with any object, by a man or a woman upon a man or a woman, that is without consent and/or by force such as intentional contact with the breasts, buttock, groin, or genitals, or touching another person with any of these body parts, or making another touch you or themselves with or on any of these body parts; and any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.
- Other conduct or behavior of a sexual nature deemed inappropriate by a College employee and/or student.

Additional definitions of sexual harassment exist under Title IX. Please see the College's Title IX policy and procedures for information about your rights and responsibilities under Title IX, including the College's formal grievance process. For cases that fall under the College's Title IX jurisdiction, those procedures will apply. The procedures in this policy will be applied in cases where the College does not have jurisdiction to investigate and remedy the alleged conduct under Title IX.

4. Evidence of Sexual Harassment: Behavior that may constitute, or be evidence of, prohibited sexual harassment includes, but is not limited to, the following:

- a. Physical assault
- b. Direct or implied threats that submission to sexual advances will be a condition of, or that failure to submit to such advances will adversely affect, employment, work status, promotion, grades, letters of recommendation, or participation in a College sponsored activity;
- c. Direct propositions of a sexual nature or persistent unwelcomed efforts to pursue a romantic or sexual relationship, including subtle pressure for sexual activity, an element of which may be repeated staring;
- d. A pattern of unwelcomed sexually explicit gestures, statements, questions, jokes, or anecdotes, whether made physically, orally, in writing, or through electronic media (see Board Policy Number 313 Technology and Board Policy Number 315 Social Media Policy);
- e. A pattern of unwelcomed conduct involving:
 1. Unnecessary touching;
 2. Remarks of a sexual nature about a person's clothing or body;
 3. Remarks relating to sexual activity or speculations concerning previous sexual experience; or
 4. Stalking another person who reasonably perceives the stalker is pursuing a romantic and/or sexual relationship, and stalking of a sexual nature that is directed at a specific person that would cause a reasonable person to feel fear; or
- f. A display of graphic sexual material (not legitimately related to the subject matter of an academic course, if one is involved, or to job requirements) in a context where others are not free to avoid the display because of an employment or educational requirement or without surrendering a privilege or opportunity that others may reasonably expect to enjoy in that location.

In determining whether alleged conduct constitutes sexual harassment, the College will consider all available information and will review the totality of the evidence, including the context in which the alleged incident(s) occurred, to determine whether it is more probably likely than not that the harassment in violation of this policy occurred. Although repeated incidents generally create a stronger claim of sexual harassment, a single serious incident can be sufficient. Determinations will be made on a case-by-case basis.

Expression that constitutes a protected exercise of an individual's free speech rights under the First and Fourteenth Amendments to the United States Constitution shall not be deemed a violation of this policy.

Isolated behavior of the kind described above that does not rise to the level of sexual harassment but that, if repeated, could rise to that level, demonstrates insensitivity that may warrant remedial measures. Academic or administrative personnel who become aware of such behavior in the College environment should counsel those who have engaged in the behavior. Such counsel should include a clear statement that the behavior is not acceptable and should cease, information about the potential consequences if such behavior persists, and a recommendation, as appropriate, to undertake an educational program designed to help the person(s) understand the harm caused by the behavior.

5. Reporting Sexual Harassment:

- a. Students who feel that they have been the subjects of sexual harassment should advise the College's Student Title IX Coordinator.
- b. Staff members should advise the College's Employee Title IX Coordinator.
- c. When the College is informed or made aware of a possible harassment situation, an investigation will be conducted as described in the procedure for a Formal Complaint in this policy.

6. Sexual violence is prohibited and as specifically addressed in the Violence Against Women Reauthorization Act of 2013, Section 304, Campus Sexual Violence Act provisions amending Section 485(f) of the Higher Education Act of 1965 (the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act). Sexual violence refers to physical sexual acts perpetrated against a person's consent or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or due to an intellectual or other disability. A number of different acts fall into the category of sexual violence, including rape, acquaintance rape, domestic violence, dating violence, sexual assault, stalking, and acts as defined below, as well as aiding acts of sexual violence.

7. Definitions as to Sexual Violence

Consent: means knowing and voluntary agreement to engage in conduct or an activity with another individual. Silence or an absence of resistance does not imply consent. Past consent to engage in conduct or an activity does not imply future consent; consent can be revoked at any time. An individual who is incapacitated (e.g., when a person is asleep, unconsciousness, under the influence of drugs or alcohol, or disability) cannot give consent. Coercion, force, or the threat of either invalidates consent. Under no circumstances can a student give consent to engage in any sexual conduct or activity with an employee of the College.

Iowa Code provides that the following persons are unable to give consent:

- Persons who are asleep or unconscious (Iowa Code Section 709.1A);
- Persons who are incapacitated due to the influence of drugs, alcohol, or medication (Iowa Code Section 709.1A);
- Persons who are unable to communicate consent due to a mental or physical condition (Iowa Code Section 709.1A); or
- Generally, minors under the age of 16 (Iowa Code Section 709.4).

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of Iowa.

Dating Violence: Violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship is determined based on a consideration of the following factors:
 - The length of the relationship,
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship; and
- May occur any time even if first and only date.

Non-Consensual Sexual Intercourse: Any sexual intercourse however slight, with any object, by a man or woman upon a man or a woman, which is without consent and/or by force. Intercourse includes vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Sexual Assault: Subjecting another person to sexual touching that is unwanted.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for their safety or the safety of others; or
- Suffer substantial emotional distress.

Substantial Threat: reported conduct that by its nature causes a person to reasonably believe that a high risk exists that violent acts and physical harm against another person or persons may occur.

8. Reporting Sexual Violence: The College strongly encourages all members of the College community to report incidents of sexual violence to any of the following resources:

- In the event of an immediate threat, danger, or injury, the reporting person should contact the local authorities by dialing 911 and then contact Campus Security by dialing 515-574-1000. For non-emergencies, the reporting person is encouraged to contact College Campus Security by telephone at 515-574-1000 or by e-mail at security@iowacentral.edu or to contact the College's Title IX Coordinator, Samantha Reeves, Dean of Student Services, One Triton Circle, Fort Dodge, IA, 50501, 515-574-1058, reeves@iowacentral.edu. This notification does not require that the reporting person file a formal complaint.
- Students may also speak to any member of the College's full-time faculty, the Campus nurse whose telephone number is 515-574-1047, or to the College mental health counselor whose telephone number is 515-574-1051. The faculty member or other professional staff member (excluding the College's mental health counselor) receiving the report must immediately notify the Title IX Coordinator, Samantha Reeves, Dean of Student Services, One Triton Circle, Fort Dodge, IA, 50501, 515-574-1058, reeves@iowacentral.edu.
- Confidentiality: Certain College officials have a duty to report sexual assault, domestic violence, dating violence and stalking for federal statistical reporting purposes (such as pursuant to the Clery Act, 20 U.S.C. § 1092). All personally identifiable information is kept confidential, but statistical information must be reported to College Campus Security regarding the type of incident, date, and the location of the incident (using Clery Act location categories and crime category as described in the College's Annual Campus Security Report).

As is a function of any educational institution the College must balance the needs of the individual student or the individual employee with the obligation to strive to protect the safety and well-being of the college community at large. Therefore, depending on the seriousness of the reported incident, further action may be necessary, including a campus security alert concerning a reported incident confirmed to pose a substantial threat to members at large of the campus community. The College will make every effort to ensure that a victim or the reporting person's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger.

To Report Confidentially: If an individual desires that details of an incident of sexual harassment or sexual violence be kept confidential, they should speak with the on-campus mental health counselor, campus health service provider or off-campus rape crisis resources who can maintain confidentiality. The College mental health counselor is available to help you free of charge and can be seen on an emergency basis. In addition, you may speak off-campus with members of the clergy, who will also keep reports made to them confidential.

Non-confidential reporting options: You are encouraged to speak to the College's Title IX Coordinator to make formal reports of sexual harassment and/or sexual violence. You have the right and can expect to have incidents of sexual harassment and/or sexual violence to be taken seriously by the College when formally reported, and to have those incidents investigated and properly resolved through administrative procedures.

9. Racial, religious, national origin, socioeconomic status, military service, age, and disability harassment:

Physical or verbal conduct relating to an individual's race, color, creed, religion, national origin, socioeconomic status, military service, age, and/or disability when the conduct:

- Has the purpose or effect of creating an intimidating, hostile, or offensive working or academic environment; or
- Has the purpose or effect of substantially or unreasonably interfering with an individual's work or academic performance; or
- Otherwise unlawfully and adversely effects an individual's employment or ability to participate in or benefits from the College's programs (academic courses) and/or College sponsored activities.

10. The use of alcohol and/or drugs will not excuse any behavior that violates this policy

11. Procedure for Reporting and Investigation Complaint of Harassment

- Any person who believes they have been the victim of, or has witnessed or otherwise learned of, harassment by a student, faculty member, administrator, or other College personnel because of race, color, creed, religion, national origin, sex (including pregnancy), sexual orientation, gender identity, and/or sex stereotyping, marital status, socioeconomic status, military service, age, and/or disability or any other status protected by federal, state, or local law (except as to complaints of sexual harassment under Title IX, which shall be handled in accordance with the College's Title IX policy and procedures) should report the conduct to the

Dean of Student Services. Complaints or reports involving sexual harassment should be reported to the College's Title IX Coordinator.

b. Persons wishing to file a complaint under this policy may decide to resolve the matter through the informal complaint procedure, the formal complaint procedure, or both, following the steps outlined below. The Complainant may contact the Dean of Student Services at any time for advice.

c. Informal Complaint Procedure

Any student who wishes to utilize the informal complaint procedure to resolve a complaint of discrimination or harassment made by that employee may do so by contacting the Dean of Student Services. Any employee may do so by contacting their immediate supervisor. If the immediate supervisor is the Respondent the employee should contact the Vice President of Human Resources. Students and employees are encouraged to seek informal resolution as soon as possible after an incident of alleged discrimination or harassment. This informal discussion will be held within ten (10) calendar days (excluding weekend and College approved holidays and closings) of the student or employee's initial request for informal resolution provided the discovery is within six (6) months of the occurrence of the matter. At this informal discussion the individual and the supervisor or the Dean of Student Services may each request the presence of a third party and/or the College's EEO/AA Officer. An effort will be made at the time by both parties to resolve the issue. If the complaint is not resolved, the Complainant may then proceed, within the following 30 calendar days (excluding weekends and College approved holidays and closings), through the Formal Complaint Procedure described below.

An informal resolution can be achieved at any time in this process if all parties are satisfied with the adjustment of the complaint.

d. Formal Complaint Procedure

Individuals who are subjected to discrimination or harassment are encouraged to report the incident(s) to the Dean of Student Services (for students) or to the Vice President of Human Resources (for employees) as soon as possible. If the student or employee wishes, they may initiate the formal complaint procedure by filing a written complaint.

After the receipt of the written complaint, the Dean of Student Services or the Vice President of Human Resources shall designate an officer of the College, or other appropriate internal or external investigator, who shall be responsible for investigating the complaint (such officer shall not be the party reported to have committed the alleged harassment).

Residency Policy Guidelines

Vice President, Enrollment Management and Student Development - Ext. 1050

Determination of Residency Status:

In determining a community college resident or non-resident classification, the primary determination is the reason a person is in the state of Iowa. The second determination will be the length of time a person has resided in Iowa. If a person is in the state primarily for educational purposes, that person will be considered a non-resident. The burden of establishing the reason a person is in Iowa for other than educational purposes rests with the student.

- A. The Enrollment Management & Student Development Office may require written documents, affidavits, or other related evidence deemed necessary to determine why a student is in Iowa. The burden of proof is upon the student. A student will be required to file at least two documents to determine their residency status. No two documents may come from the same source. The following are examples of acceptable documentation.
 1. Iowa driver's license.
 2. Iowa vehicle registration card.
 3. Iowa state income tax return, signed and dated.
 4. Iowa voter registration card.
 5. Proof of Iowa Homestead credit on property taxes.
 6. Written and notarized documentation from an employer that the student is employed in Iowa.
- B. If you are not a U.S. citizen but are a permanent resident you must provide a copy of your U.S. Permanent Resident Card with your residency application.
- C. All documents must be dated at least 90 days prior to the start of the term you are requesting residency for.
- D. These documents must be submitted prior to the first day of the semester for which you are registering. Residency cannot be re-classified once the semester begins.
- E. If you are an international student please refer to the Request For Determination of Residency Status Application.

Social Networking

Academic studies have shown a positive relationship between the use of social networking websites and student engagement in course work, campus organizations, face-to-face interaction with close friends, and in the transition and adjustment to college. In contrast, using online technology at high rates and in certain ways has been shown to have a relationship to poor academic and psychosocial outcomes. Reported dangerous uses of social networking have arisen from miscommunication as it is not possible to perceive the "tone" in online communication, use of words that propagate rumors with a harassing content, and cyber bullying where someone purposely embarrasses, harasses, or torments another.

Iowa Central acknowledges the importance of students using technology to connect, collaborate, and communicate with each other and that online forms of expression are as important to student development as traditional oral and written expression. While engaging in social networking, students should conduct themselves in a respectful, responsible, and accountable manner and in compliance with the Technology at Iowa Central Community College policy, Statement of Nondiscrimination, and the Student Conduct Code published by Iowa Central. Bloggers and commenters can be held personally liable for commentary that is considered defamatory, obscene, proprietary, or libelous by any offended party and for conduct that violates federal, state, or local law such as laws against hate crimes.

Students enrolled in the Iowa Central Health Care Practicum also have the responsibility to safeguard the privacy, security, and confidentiality of all individually identifiable health information transmitted or received in connection participation in the Practicum in accordance with the applicable provisions of the Health Insurance portability and Accountability Act of 1996 (“HIPAA”), as amended, and in accordance with all applicable federal, state and local statutes, regulations and policies regarding the confidentiality of patient health information. Accordingly, students enrolled in that program should not post any confidential or legally protected information.

If a student’s concern arising from another student’s social networking communication is one of perceived discrimination, abuse, and/or harassment based on age, race, creed, color, sex, sexual orientation, gender identity, national origin, religion, disability, or military service, the student may use the informal or formal complaint procedure described in this Handbook.

Student Alert System

Director of Student Services, Ext. 1252

Iowa Central’s Student Alert System is a tool that faculty can use to document concerns about students. These concerns range from academic progress and class attendance to health and financial related issues. After an alert has been submitted, students are contacted by phone, e-mail, or a letter. The College has the responsibility of providing the student with a clear understanding of its academic requirements and conduct expectations, which are generally set forth in the College catalog and the College website.

The College has the right to determine when its policies are violated and to determine the appropriate course of action. By enrolling at Iowa Central Community College, the student accepts the responsibility to comply with the College’s authority, to respect the rights of others, and to protect private and public property.

Every student (any person enrolled in credit or non-credit courses) has the right to all the advantages, prestige, and honors accruing to a student of the College. The student retains the rights guaranteed under the Constitution of the United States, the right of freedom from control by any persons except as may be in accord with College policies and/or local, state, or federal law, and the right to pursue an education and to receive a degree or certificate for the successful completion of its requirements.

2. Institutional Regulations: The Board of Directors of Iowa Central Community College confers upon the faculty and staff the powers:

- a. To invoke sanctions to protect the educational processes and the rights of students, faculty, and staff; and
- b. To provide procedures that will clearly inform Iowa Central Community College students of the regulations that govern their behavior while on College property, at cooperating agencies, or while in attendance at College sponsored activities or events.

3. Student Responsibilities and Rights: Iowa Central Community College offers each student the freedom to learn and the freedom to enjoy College life in an orderly and lawful manner. In return, the College expects every student to assume the obligation and responsibilities that accompany those freedoms. By voluntary enrollment at the College, students assume the obligation and responsibility of conducting themselves in accordance with the reasonable and lawful requirements of Iowa Central Community College and its educational functions and processes. Violations of these responsibilities may result in sanctions that can include expulsion from the College. Students are guaranteed their constitutional right to due process in certain circumstances in which due process rights are triggered. The College forbids unlawful discrimination on the basis of race, color, national origin, sex, disability, religion, creed, age, marital status, sexual orientation, gender identity, socioeconomic status, or military service.

4. Jurisdiction of Student Conduct Policy: The Student Conduct, Discipline, and Appeals Procedure applies to conduct that occurs on Iowa Central Community College property, at College sponsored activities at clinical sites, attendance centers, or any College facility, while enrolled in FlexNet (Internet Courses), and off-campus conduct that adversely affects Iowa Central Community College and/or the pursuit of its educational mission. Each student shall be responsible for their conduct from the time of application for admission through the actual awarding of the degree or certificate. This includes conduct that may occur before classes begin or after classes end, as well as during the academic year and during periods between terms and actual enrollment, and conduct discovered by the College after a student has completed a course and/or after a student has been awarded a degree. The Student Conduct Policy shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending. The President and Dean of Student Services shall decide whether the Student Conduct Policy shall be applied to conduct occurring off-campus on a case by case basis.

5. Student Conduct Subject to Sanctions: Conduct which is contrary to any of the following may subject the student to disciplinary action and shall constitute a violation.

a. Scholastic Dishonesty - Iowa Central Community College may initiate disciplinary proceedings against a student accused of scholastic dishonesty. Scholastic dishonesty includes, but is not limited to, cheating and plagiarizing. Plagiarism is presenting someone else's words as one's own, whether in writing or in speaking. Cheating and plagiarism, whether intentional or accidental, are serious offenses. Scholastic dishonesty will not be tolerated in any course. Plagiarism and other forms of cheating are examples of such dishonesty and will result in serious consequences.

One is plagiarizing if one:

- uses direct quotes without quotation marks and textual citation of the material;
- paraphrases without crediting the source;
- presents another's ideas as your own without citing the source;
- submits material written by someone else as your own (this includes purchasing or borrowing a paper);
- submits a paper or assignment for which one has received so much help that the writing is significantly different from one's own.

One is cheating if one:

- copies someone else's exam or homework;
- purposefully allows another student to copy your work or submit work that you have written as their own;
- refers to a text, notes, or other materials during an exam without authorization to do so;
- submits a paper or assignment for which you have received so much help that the writing is significantly different from your own;
- passes test answers to another student during or before a test.

Disciplinary Action by the Instructor

An instructor who suspects a student of scholastic dishonesty will inform the student of the allegation as soon as possible. It is up to the instructor to determine the disciplinary action to be taken, which could include giving the student a zero for the assignment, reducing the student's grade for the course, assigning an "F" for the course, or other action. The instructor will send a written report of the incident to the student, the appropriate division dean and the Vice-President of Instruction. If the instructor concludes that the incident merits additional disciplinary action (such as suspension or expulsion), they will send a written report of the case to the Vice-President of Instruction for recommended additional disciplinary action.

Student Appeal

If the student believes that the finding of scholastic dishonesty is in error or the penalty unjust, the student may appeal to the Vice-President of Instruction. An informal hearing will be held and an administrative decision will be presented to the student.

Transfer of College Credit into Iowa Central

The College shall insure that transfer credit evaluations for students who have postsecondary educational experiences prior to Iowa Central Community College enrollment, are conducted in accordance with the Higher Learning Commission (HLC) and the Department of Education. The evaluation must determine that the institutional accreditor is recognized by the United States Department of Education. When evaluating transcripts, Iowa Central considers the guidelines of AACRAO (the American Association of Collegiate Registrars and Admissions Officers) listed in the bullet points below. Official transcripts must be sent directly from the institution where credit was earned to the Iowa Central Student Records Office. It is the responsibility of the student to have international transcripts translated into English and evaluated by InCred Evaluations, Educational Credential Evaluators, Global Education Group or International Education Research Foundation. Students are responsible for monitoring their transfer credit into Iowa Central. Students are encouraged to provide course descriptions or other documentation about their transfer credit if they do not agree with the Registrar's evaluation of their credit. Records submitted to the College become part of the official file and cannot be returned to the student or forwarded to another institution. Iowa Central Community College cannot guarantee how other colleges may treat the acceptance of transfer credits.

- Only courses required by the student and current program of study are transferred into Iowa Central.
- Military credit transferring in is based on ACE (American Council on Education) recommendations.
- Sixteen (16) hours of Vocational-Technical credit applies toward the sixteen (16) hours of elective credit for the AA degree.
- Transfer credit is granted by Iowa Central based on the credits granted at the awarding institution. Quarter hours of credit are converted to semester hours. Iowa Central multiplies the quarter-hour by 0.66 to calculate the equivalent semester hour. Other unusual credit granting options are looked at based on the narrative on the reverse side of the sending college transcript.

International Transcripts:

Any prospective student (international, permanent resident or U.S. Citizen) who is applying for admission and who has attended a college or university outside the United States must have their international transcript(s) translated by and evaluated by one of the agencies listed below. The evaluation must be sent from the agency directly to Iowa Central Community College, Attn: Student Records Office, One Triton Circle, Fort Dodge, Iowa 50501.

Reverse Credit Transfer:

Reverse credit transfer is a partnership developed by the Board of Regents and Iowa's public universities in close collaboration with Iowa's community colleges to facilitate the transfer of credits back to one of Iowa's community colleges for the purpose of providing an opportunity for students to attain a degree, diploma or certification.

The agreement builds on the many existing collaborative arrangements between the institutions that promote the success of community college students as they transition to Iowa's public universities.

How does reverse credit transfer work?

Iowa community college transfer students have the opportunity to participate in the reverse credit transfer agreement. Community college students indicate their interest, at the time of application to the university, in applying future credits earned at the university toward the completion of their associate degree, diploma or certification.

By doing so, the student agrees to have his/her university transcript sent back to his/her community college while enrolled at the university. The community college will then evaluate this coursework to determine if degree, diploma or certification requirements are met. The community college makes the decision on whether a degree or other credential will be granted. Any credential will be awarded in the semester/year all final requirements are met.

The sending of the university transcript to the community college does not guarantee the granting of a degree or other credential. This is at the discretion of and subject to the degree and residency requirements of the community college, which is the degree granting institution.

Transfer of College Credit into Regent Universities

Iowa's Regent universities and community colleges have joined to create a web portal dedicated to assisting students with the transfer process. The site serves as a one-stop resource for students planning their future. The url for the site is www.transferiniowa.org.

Each year, thousands of students transfer from Iowa community colleges to one of the state's three public universities. Transferring from one college to the next can be a big step, but need not be complicated. The website contains resources helpful in educational planning as well as information for students to discuss with their counselor or advisor.

The number one question transfer students ask is, "How will my credits transfer?" Students can learn about how their community college courses transfer to each of the three state public universities by following the links on the website. The website contains resources explaining statewide articulation agreements and individual program-to-program articulation agreements by community colleges. These resources are useful for students planning to transfer as well as counselors and advisors. In addition to online resources, it's always a good idea for students to discuss their plans with both a community college and university counselor or advisor. Contact information for the office or person responsible for transfer and articulation at each postsecondary institution is available on the site.

Withdraw and Total Withdraw from College

Registrar - Ext. 1020

Withdrawing from a course: The last date to request a withdraw from a 15-week course for Fall 2024 is November 21; for Spring 2025, the last day to request a withdraw from a 15-week course is April 10. Dates vary for classes that do not meet for the full 15-week semester. Contact Student Records for more information. Requests must be made by these dates to avoid receiving an "F" on the permanent record. Not attending a class does not constitute a withdrawal request. To withdraw from a course, students must log in to Self-Service, click on "Drop/Withdraw from Class," and complete and submit the online withdrawal form. Students must make sure they have correctly submitted the online withdrawal form and can check the status of their request(s) in the section labeled "Previous Withdraw Requests" in the online withdrawal form. Students choosing not to withdraw from a class using the online withdrawal procedure must get a Change of Enrollment form in the Student Records Office, obtain the instructor's signature, and return the form to the Student Records Office for processing.

Failure to attend class, once registered, does not cancel enrollment in any class or classes. Failure to change enrollment status, except according to the above procedure, will result in a grade of "F" recorded on the permanent record. A notation of "W" (withdrawal) will be made on the permanent record if students officially withdraw by the published withdrawal date. For Distance Learning Withdrawal procedures, please contact the Distance Learning Office at ext. 1098.

Total Withdraw from College: Students who find it necessary to withdraw from all college courses should immediately confer with their advisor and then log in to Self-Service, click the "Drop/Withdraw from Class" link, and complete the online withdrawal procedure. Students who borrowed Federal Direct Loans will be directed to complete the online exit counseling at the time of the withdrawal. Failure to do so will result in the issuance of failing grades in all courses for which the student enrolled. There is no withdrawal via telephone.

Special Circumstance Withdrawal Policy: After the last date to withdraw during a semester, a student may withdraw only for a major mental or physical illness, significant incapacity, or another life-changing event. Whether a student's situation constitutes a withdrawal will be the decision of the Special Circumstance Committee: President, Vice President of Instruction, Vice President of Enrollment Services and Student Development, and any other situation-specific employees. A "Special Circumstance Course Withdrawal" or "Special Circumstance Total Withdrawal" is a withdrawal from the college after the published last day to drop or withdraw from a class or classes.

Students may apply for a (select one): 1) Special Circumstance Total Withdrawal - Withdrawing from all classes in a given semester or 2) Special Circumstance Course Withdrawal - Withdrawing from some classes, but finishing other classes in a given semester. The student should provide the following documentation:

1. Personal statement written by the student that outlines the life-changing event and how it has impacted their success.
2. A copy of the communication that has occurred between the student and the appropriate staff/faculty (such as instructor, financial aid, athletic compliance coordinator, international advisor, etc.).
3. A formal document of support (on letterhead) from a healthcare provider, counselor, lawyer, or another credentialed professional who is knowledgeable of the student's situation. This formal document must include dates of service, what services were provided, and why they were provided to the student.
