

Our ref.: 5237-23/IPCC/P60

To designated IPCC Focal Points and
Ministries of Foreign Affairs
(if no focal point has been designated)

Geneva, 25 October 2023

Dear Sir/Madam,

Further to the letter 5222-23/IPCC/GEN and on behalf of the Chair of the Intergovernmental Panel on Climate Change (IPCC), I am addressing you again on the subject of the Sixtieth Session of the IPCC scheduled to take place in Istanbul, Türkiye, from **16 to 19 January 2024** at the kind invitation of the Government of Türkiye. It is with great pleasure that I extend the invitation to participate in the session, through you, to your Government.

As indicated in the earlier communication on this matter, the Session of the IPCC will be dedicated, amongst other matters, to the planning of the seventh assessment cycle.

Further information about the Session, including the provisional agenda, meeting documents and an information note for participants with details of the venue, will be made available on the IPCC website www.ipcc.ch.

Simultaneous interpretation in the official UN languages (Arabic, Chinese, English, French, Russian and Spanish) will be provided during the session. Meeting documents will be in English only.

As the agreement for the session is being finalized and in order to optimize time, I would like to encourage you to start to nominate representative(s) of your Government to the Session. **Please also note, it is of utmost importance for those delegates that need to secure a visa to do so as soon as possible.** For more information about the visa please refer to the visa section in the information for participants.

Please transmit your nominations, with the name and affiliation of the participant **no later than Wednesday 15 November 2023**. These nominations should be sent to the Secretary of the IPCC, c/o World Meteorological Organization, P.O. Box 2300, 7bis Avenue de la Paix, CH-1211 Geneva 2, Switzerland, or attached to an email message addressed to ipcc-sec@wmo.int. **Nominations should be made on official letterhead**; as nominations by simple e-mail will not be accepted.

Please pre-register each designated participant, no later than **Wednesday 20 December 2023**, at the following website: <https://apps.ipcc.ch/register>, using the unique credentials sent to all focal points in advance of the previous session. Please inform the Secretariat if there have been changes to the name of the focal point.

Pre-registered participants will be required to also register at the conference venue, at which point they will receive access to the IPCC PaperSmart system containing the Session documents in electronic format. Documents will not be distributed on paper. Participants are therefore encouraged to bring their own devices to the meeting in order to access the PaperSmart system.

Funding for meeting participation is available from the IPCC Trust Fund for representatives from developing countries and countries with economies in transition (EITs). The support is limited to one participant per country and participants are invited to contact the IPCC in case such a need is identified. Requests for financial support should reach the IPCC Secretariat no later than **Wednesday 15 November 2023**. We ask you to **strictly adhere to this deadline**, as due to the end-of-year holiday in December 2023, it will not be possible to proceed with travel arrangements for requests received after the deadline.

Finally, please note that non-staff members of WMO/IPCC who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO/IPCC liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency and supplementary official travel expenses.

For all other non-staff members, please note that WMO/IPCC shall not be held responsible for any health problems or accidents that the participants may have. Participants are responsible for making all necessary arrangements for life, health and other forms of insurance as they consider appropriate.

A copy of this letter is being sent for information to the Ministry of Foreign Affairs and to the Permanent Representatives from your country to the World Meteorological Organization and to the United Nations Environment Programme.

Yours sincerely,

(Abdalah Mokssit)
Secretary of the IPCC
