Statistical Report

United States Attorney's Office

Fiscal Year 1986

NOTICE OF CHANGES

In order to more accurately portray the caseload of United States Attorneys, appeals will no longer be counted in the main body of this report. Heretofore, appeals were counted as cases filed, pending and terminated in all applicable tables and charts. Beginning with Fiscal Year 1986, appeals will be represented in the narrative and Tables 6 and 28. They are omitted from all other Charts and Tables.

The second change in this annual involves civil trials. In past years, offices were given credit for civil trials whenever any judgment other than default or consent was obtained. The current system enables us to identify actual civil trials, therefore from this year forward, civil trial counts do not include routine court appearances solely for the purpose of filing judgments.
