Severe Weather Energy Assistance and Transportation Services (SWEATS)

The CSET Severe Weather Energy Assistance and Transportation Services (SWEATS) program provides temporary emergency assistance for families who have been affected by the recent severe weather. The SWEATS program can provide assistance for temporary shelter for up to five (5) days per eligible household. Supplies like blankets and sleeping bags may also be available through SWEATS. SWEATS is funded by the State of California's Community Services and Development department. You must be a Tulare County resident, show your ID and be income eligible to apply.

Call the Energy Services Hotline at **1-844-224-1316**.
