Message from the Editor-in-Chief

Journal of Market Access & Health Policy (JMAHP) is an international, peer-reviewed, open access journal that covers all different subdisciplines of 'market access' from economic, technical, scientific, sociological, psychological and policy perspectives. The *JMAHP* aims to link all components that impact 'market access' and provide a convergent, broader perspective in a single, specialized journal. *JMAHP* serves as a reference for industry, regulators, and academics on innovative research articles, discussion papers for best practices, and guidelines.

Editor-in-Chief

Prof. Dr. Mondher Toumi

Aims

The *Journal of Market Access & Health Policy* (ISSN 2001-6689) is an open access publication focused on the concept of 'market access' from economic, technical, scientific, sociological, psychological, and policy perspectives.

The *Journal of Market Access & Health Policy (JMAHP)* is the Official Journal of the Market Access Society.

The *Journal of Market Access & Health Policy* aims to link all components that impact 'market access' and provide a convergent, broader perspective in a single, specialized journal. *The Journal of Market Access & Health Policy* serves as a reference desk for industry, regulators, and academics on innovative research articles, discussion papers for best practices, and valuable guidelines.

The *Journal of Market Access & Health Policy* accepts review articles, practical applications, original research articles, and communications. We encourage scientists to publish their experimental and theoretical results in as much detail as possible. The full experimental details must be provided so that the results can be reproduced.

Scope

- Market Access Environment and International Health Policy Comparison;
- Pricing and Reimbursement;
- Health Economics and Outcome Research;
- Market Access for Vaccines, Medical Devices, and Diagnostics;
- Market Access Activities;
- Public Health;
- Market Access of Orphan Drugs;
- Regenerative Medicine;
