Message from the Editor-in-Chief

Plasma is an online open access, international journal on all aspects of plasma science. Papers are available online immediately upon acceptance. I invite you to submit research articles, reviews, short communications or letters for publication in *Plasma* after successful peer-review and processing. The content is freely available on the internet without a subscription. *Plasma* can provide a reliable and prestigious alternative for your next publication.

Editor-in-Chief

Prof. Dr. Andrey Starikovskiy

Aims

Plasma is an open access, cross-disciplinary scholarly journal of scientific studies related to all aspects of plasma science, such as plasma physics, plasma chemistry and space plasma. Topics also include experimental and theoretical results, and progress of interdisciplinary and application sciences in this field.

Scope

- atmospheric-pressure plasma
- electron, ion and plasma sources
- dusty plasma
- low-temperature plasma and its applications
- plasma diagnostics
- electric discharges in gases, liquids and solids
- plasma dynamics
- plasma electrical properties
- plasma theory and modelling
- plasma–surface interaction
- low-pressure plasma

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Rapid Publication

A first decision is provided to authors approximately 22.9 days after submission; acceptance to publication is undertaken in 4.9 days (median values for papers published in this journal in the first half of 2024)
