Message from the Editor-in-Chief

Sports (ISSN 2075-4663) is a peer-reviewed scientific journal that publishes original articles, critical reviews, research notes and short communications in the interdisciplinary area of sport sciences and public health. It links several scientific disciplines in an integrated fashion, to address critical issues related to sport sciences and public health. The journal presents diverse original articles, including systematic and narrative reviews, cohort and case control studies, innovative randomized trials, and formative research using qualitative and quantitative methods with the aim to provide information for researchers to plan intervention programs. It addresses diverse public health, physical activity and exercise science topics.

Editor-in-Chief

Prof. Dr. Eling Douwe De Bruin

Aims

This international journal covers a broad spectrum of important topics which are relevant to sport sciences and public health. It provides comprehensive and unique information with a worldwide readership. Emphasizing an holistic approach, the journal serves as a comprehensive and multidisciplinary platform, addressing important issues. A large number of eminent professors and scientists from all over the world serve as editorial board members and guest reviewers for the journal.

Scope

The primary areas of research interests to sports include:

- anatomy
- biochemistry
- biomechanics
- clinical aspects of exercise
- ergonomics
- kinanthropometry
- management of sports injuries
- psychology
- sociology
- sports medicine and sciences
- sports nutrition
- other interdisciplinary perspectives

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Rapid Publication

A first decision is provided to authors approximately 20.4 days after submission; acceptance to publication is undertaken in 3.6 days (median values for papers published in this journal in the first half of 2024)
