

Below are the different areas of interest on the RDS Status Page when you log back in to RDS.

The screenshot shows the RDS Residency Status Page. At the top left is the RDS logo. On the top right are navigation links: REQUEST STATUS, EDIT PROFILE, PREFERENCES, and LOGOUT. Below the navigation is a header section containing the user's Residency Certification Number (RCN) as 0000003272, a student name of Kellee test, and an email of testacct2@gmail.com. A blue button labeled 'UPDATE CONTACT INFORMATION' is positioned below the contact details. The main content area features a green banner stating 'Your Initial Consideration Request is Active'. Below this, the user's Residency Status is 'Non-Resident', Tuition Status is 'Out of State', and the status is valid until November 20, 2019. Three buttons are visible: 'VIEW REQUEST SUMMARY', 'VIEW HISTORICAL RECORD', and 'RECONSIDERATION / APPEAL'. At the bottom, a blue reminder box states 'Reminder: You have NO open admission applications through CFNC.' and includes a 'REMEMBER:' section with two bullet points: 'Complete your admission applications' and 'Want financial aid? -- complete your FAFSA at www.fafsa.gov'.
