

Guest Editor

I would like to thank to the Editorial Board of The Journal of the Chilean Chemical Society to give me the opportunity to be Guest Editor to this special issue dedicated as a posthumous homage to Dr. Elsa Abuin Saccomano, University of Santiago de Chile and Dr. Julio Guillermo Contreras Koder, University of Concepción.

Elsa and Guillermo were excellent scientists at the fields of the chemistry and both let a deep legacy in your friends, colleagues, and students which is summarized by the authors of the biography.

I thank very much to the colleagues who wrote the biography, Dr. Carolina Aliaga for Dr. Elisa Abuin and Dr. Jorge Yañez, Dr. Gloria Seguel, and Dr. Ivan Peric for Dr. Guillermo Contreras.

Finally, my gratitude to the authors for the enthusiastic response to submit important contributions as well as to the referees.
