# Building a new future for Logistics

Ship with with a few clicks!

# About

**SeaRates.com** is an online logistics platform that allows customers to ship their goods anywhere in the world at the most competitive rates available.

SeaRates was established in Odesa, Ukraine, in 2005 and was acquired by DP World in 2020.

Ship your cargo by sea, air, or land anywhere in the world with a few clicks. With SeaRates, you can compare prices across three transport modes from any origin in the world. Through our network of more than 3,000 vetted and trusted shipping partners, you can rely on SeaRates for competitive rates and flexible booking terms to ensure your shipment arrives on time.

**SeaRates IT team is digitizing supply chain since 2005 and brings unique and bespoke Online Logistics Tools for your business.**

## Start now!
