

voter voice

 is TMA's trusted and secure advocacy app. Connect directly with lawmakers and advocates on multiple channels. Here's how:

DOWNLOAD THE APP

- 1 Search for **voter voice** in your app store, on Google Play, or iTunes.

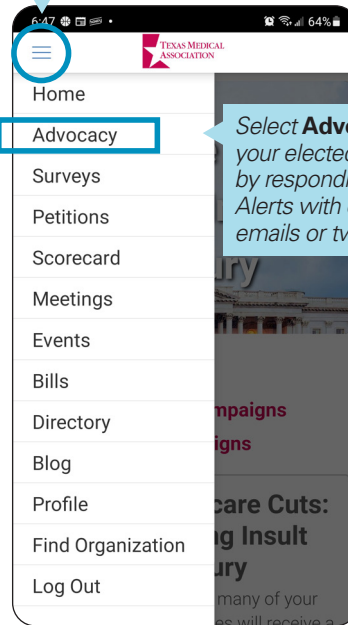

- 2 Download app.
- 3 Enter the email address associated with your TMA account. A verification code will be sent to that email account.
- 4 Enter "Texas Medical Association" on the "Find Organization" page.

Images used on this guide may vary slightly in appearance on your device.

EXPLORE THE MENU OPTIONS

First you'll see the home screen

Then click the menu ☰ where you'll find options for actions and information.

Select **Advocacy** to contact your elected officials directly by responding to Action Alerts with customizable emails or tweets.

See the active campaigns, initiatives, and other information.

Physicians Caring for Texans

Advocacy screen

You'll see background info on the Action Alert campaign you selected.

Select your activity.

Email your elected officials. Talking points – or a prewritten message – are provided.

Read through the provided content and choose what you'd like to use, then copy and paste.

Next, personalize your message, verify your information, and send it.

Compose Your Message

- Senator John Cornyn III
- Senator Ted Cruz
- Representative Michael McCaul Sr.
- Representative Chip Roy

Feel free to copy and paste from the talking points below to help you craft your individual email or Twitter appeal. Please **INCLUDE** a personal story or anecdote in your message. Thank you for your support.

TALKING POINTS

• I am a physician who lives in your district. I write to urge you to stop the looming almost 10% Medicare physician payment cut from taking effect Jan. 1. You have the power to prevent this travesty and help seniors and disabled people in Texas continue to receive timely health care. It's hard enough for physicians to
