Formative assessment in all

Introduction 1 of 23

Welcome to this session on:  
**inclusive curriculum.**

By the end of this session you will be able to:

- Define some key terms associated with inclusion
- List a variety of different inclusive teaching strategies
- Reflect on your own curriculum

If you wish to make notes or record your thoughts as you go through the session, click on the pencil icon at the top of the slide to access your digital notebook. You will have a chance to take a copy of this at the end of the session. This will help you when completing your reflective journal.

Navigation icons: back, forward, volume, and pencil icon.

Setting up the diagnostic kit

- Setting up the diagnostic kit
- Identifying the fault
- Testing with a driver
- Visual checks

We've got a customer's vehicle presenting with a fault, and we're going to have a look using the CAN box just to kind of do some basic ABS tests without stripping the system.

Navigation icons: play, pause, and volume.

## TASK 1 Facing Critique

### ACTIVITY

#### Session 1 - Facing Critique

This week we would like you to face what artists/designers dread the most 'CRITIQUE'!  
 However as difficult as it might be sometimes, we need to get feedback on our work in order to develop and grow as practitioners.

Check out the video below for some tips!

Accepting opinions

**TASK 2 Finance Crossword**

Answer the questions related to personal finance to complete the crossword below:

**Across**

2. Prices fluctuate, and this investment is considered higher risk

5. This method of payment is convenient as it can be accessed 24/7

**Down**

1. An advantage of this type of borrowing is that it allows customers to spread the cost of an expensive item over a long period (25 years)

3. When these are low people are more willing to borrow money. What

## TASK 3 Identify the purpose and job roles in the Automotive work environment.

### ACTIVITY

Watch the video to give you an idea what is meant by "function" and "purpose" as this will enable you to complete the worksheet.

You will need to be able to hear the sound on this video

**Purpose and function wk 10**

2 views - 0 likes - 0 comments

Identify the purpose of different sections and functions of a typical automotive work environment. Include some photo of the work areas. Utilise the work sheet to prepare for this section.

- a. Body shop
- b. Vehicle repair workshop
- c. Paint shop
- d. Valeting
- e. Vehicle parts department
- f. Main office
- g. Vehicle sales
- h. Reception

Department	Purpose	Functions
Body Shop		
Vehicle Repair Workshop		
Paint Shop		
Valeting		

Identify the "purpose" of different sections and the "functions" they will have in a typical automotive work environment.

Department	Purpose	Functions
Body Shop		
Vehicle Repair Workshop		
Paint Shop		
Valeting
