Mrs Mirana Rajoharison, Executive Director, mirana@alefadiaspora.org

Chapeau

Engage with all stakeholders, including diaspora and migrants, to co-create our Future, by involving them in policy making and by financing their activities

Chapter I. Sustainable development and financing for development

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 1)

Chapter II. International peace and security

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 2)

Chapter III. Science, technology and innovation and digital cooperation

Share STIDG information with under-represented communities by sharing the information in the networks

Link the access to a SIM card to digital prints to make mobile calls and data available to paperless diaspora and migrants

Increase basic digital skills of those left behind with free training

Engage women and under-represented communities to embrace a digital career to reduce IA bias by debunking IT jobs myths

Have discriminated people, notably African-descent women, be represented in consultative groups steering the AI and digital projects

Scale up the training of people left behind in digital skills and marketing

Include data in the basic needs

Finance the aforementioned initiatives with a share of the digital gains

Chapter IV. Youth and future generations

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 4)

Chapter V. Transforming global governance

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 5)
