Cases Cleared	199	1,713

Source: Offense and arrest data come from Crime Insight, an online crime statistics reporting platform, which is overseen by the Colorado Bureau of Investigation (CBI). CBI reports Colorado crime statistics to the FBI, which stipulates that only one arrest charge should be recorded per individual. As a result, the arrest data under-represent total arrest charges (an individual can be arrested for multiple charges). Investigations data come from the Westminster Police Department's internal records.
